HOLSTEIN CLUBBERS**

T. H. McGee, of Esqueping Township, wins both the All-Canadian and All-American awards on his senior heifer calf, Haigertlee Jean Hope. It will be recalled that this great heifer sired by Spring Farm Fond Hope, won her class at the CNE; again topped her class and also was declared junior female champion at the Halton Holstein Show. She duplicated this achievement at both the International Dairy Show in Chicago and at the Royal Winter Fair.

The year 1954 has been one of many outstanding achievements for Halton County. To mention but a few, W. E. Breckon with the World Wheat King title — Katherine Merry with the Queen's Guineas — Barbara Cunningham and John W. Pickett, the provincial Dairymaid and Dairyman — John Cunningham and Arnold Howden, inter-county tractor plow champions — Don Johnson and Andy Stull, provincial 4-H Inter-Club Tractor Club Champions — Ken Ella with a Superior Sire and Constructive Breeder Award.

Tom McGee's achievement is from a Halton Holstein standpoint. While Wilfred Thompson bred a heifer which won All American honors a year or two ago, Haigertlee Jean Hope is to the best of our knowledge the first Halton Holstein to be bred, owned and exhibited by a Halton breeder, to receive All American Honours — all honour to Tom McGee.

W. H. Robinson gets the reserve All Canadian award on his junior yearling bull, Robros Fond Dandy. Lloyd Pickard of Pickard and Clark also gets a reserve All Canadian award on his heifer calf. Other Halton breeders who had animals nominated for — the All Canadian competition included Harold Cooper with Kneland Farm Annabel and F. G. Stark and Sons' Sunnybank Dorothy Texal. This latter animal was purchased by Lloyd Pickard for Pickard and Clark at the Maple Consignment Sale in October and was shown at the Royal by her new owners.

The Halton Holsteins can also produce at the pail is borne out by the number of Long Distance Production Certificates presented by F. Drennan of the Holstein Friesian Association at the annual meeting of the Halton Club held at Trafalgar on Wednesday. In all fourteen Halton animals received such awards. In the 150,000 pound class which receive Silver Seal certificates, Ashville Marensa DeKol for Ashville Farms Ltd has produced 169,232 lbs of milk and 6,376 lbs of fat in eleven lactations. The second Silver Seal certificate was received by Kyle Bingham of Harold Bingham and Son, on Mona R. A. Piebe with 154,404 lbs of milk and 6,228 lbs fat also in eleven lactations. In the Blue Seal Class, (125 to 150,000) three Halton breeders were recipients, namely M. T. Watson, E. F. Ford and A. G. Hunter. Red Seal certificates (100 to 125,000 lbs) were awarded as follows:

Dr. Paul Beer (3), H. C. Reid, E. R. Segsworth, Estate of E. J. Meagher, Johnson Neelands (2), and G. Leslie Peer & Son.

Ted Howard, formerly of Canada, Howard Farms, Nelson Township and now with the Holstein Friesian Association, Brantford, ably explained the Breed Class Average Plan which has recently been developed. Others who contributed to the breed discussion part of the programme were D. S. Dunton, Brampton, and E. R. Segsworth, both directors on the National Board.

NOTICE TO CREDITORS
IN THE ESTATE OF Charles H. Hoare, Gentleman, Deceased.

All persons having claims against the estate of Charles H. Hoare, late of the Town of Georgetown, Gentleman, who died on or about the 21st day of September, 1954, are hereby notified to send particulars of same to the undersigned on or before the 19th day of February, A.A. 1955, after which date the estate will be distributed with regard only to the claims of which the undersigned shall then have notice, and the undersigned will not be liable to any person of whose claim they shall not then have notice.

DATED at Georgetown, this 18th day of January, A.D. 1955.

Margaret Elizabeth Nelson and Robert Dyer Hoare, Administrators of the estate with Will Annexed, by their Solicitors, Dale and Bennett, Georgetown, Ont.

Dated at Georgetown, this 18th day of January, A.D. 1955.

Walter Lawson and William F. Lawson, executors of the estate of Mary Adeline Lawson, by their Solicitors, Dale and Ben-

**HEALTH NURSE SPEAKS
AT TEACHERS' MEETING**

Speaking at a meeting of rural Esqueping teachers on January 17th in Glen William Public School, Joyce Nevitt, county health nurse, gave an informative description on the new health program and tuberculin tests being carried out in the schools. She expressed thanks to the teachers for cooperation received from them in this work.

Those present at the meeting were Margaret Roszel, Mrs. R. H. Gardiner, Mrs. Beaumont and Miss Brown of the Glen staff; Margaret McEdward, Waterloo; Mrs. Albert Preswood, Mountainview; Mrs. William Cromar, Ashgrove; Mrs. Pollock and Mrs. Dory, Stewartstown; Miss Sinclair, Hornby; Mrs. Hope, Quatre Bras; Miss Kidd, Cedarvale; Douglas Copeland, Miss Carson and Mrs. J. T. Cascadden, Norvat.

J. A. Carroll, Assistant Deputy Minister of Agriculture for Ontario, delivered a thought provoking address. Mr. Carroll took as his topic: "The New Canada — dealing with the tremendous changes taking place in Ontario agriculture due to rapid industrialization."

The newly elected board of directors is President, George Pelletterio; 1st vice president, R. C. Alexander; 2nd vice president, G. Leslie Peer.

Directors: Esqueping, Kyle Bingham, T. H. McGee and F. O. Hunter, Nassagaweya, Wm. Mahon and Murray Mahon; Nelson, Fred Nell and A. G. Sinclair, Trafalgar, J. C. Marshall, Lloyd Pickard, Walter Royle, W. W. Thompson, and Lloyd Tovell.

The only disquieting note of an outstanding day's programme was the announcement of the Club's veteran secretary treasurer, V. J. Lawrence, that after 23 years in that office, he finds it necessary to resign. He has played an active part in building up the Halton Club to the point where it is recognized as one of the top clubs in the province and will be a difficult man to replace.

We Look Ahead!

IF YOU could foresee that your property would be destroyed, damaged, stolen or lost to some other disaster tomorrow... naturally you'd buy adequate amounts of the right insurance today.

Our job is to know what can happen and to guard you against the financial blows. Without obligation we'll recommend a safe, economical insurance program.

ERNIE'S RADIO**

She saved three lives.

It was early in the morning. Sleeping coal gas fumes had all but overcome a little girl and two women in a suburban Toronto home. One of the women, Mrs. Mary Hague, struggled to the telephone and barely managed to dial "Operator" before collapsing.

Unable to get any response, the night operator, Mrs. Elizabeth Brown, immediately notified the police. Within minutes the victims were reached and revived. Through her prompt action three lives were spared. Quick thinking in an emergency has made a heroine of many a Bell operator, for most people turn to the telephone for help in all kinds of trouble — often rely on the operator for assistance.

There may never come a time when you need the fire department, police, or a doctor in a frantic hurry — but isn't it a comfort to know that behind your telephone are people on wide-awake duty 24 hours a day?

After flying from Paris to open the exhibition the Commander-in-Chief of Allied Land Forces in Europe takes the honour guard salute.

A glimpse of home...

FOR THE CANADIAN ARMY OVERSEAS

This sketch shows the ceremony which attended the visit of the Seagram Collection of Paintings, "Cities of Canada," to our Armed Forces stationed in Europe.

This visit to Canada's First Infantry Brigade stationed in Soest, West Germany, was the 16th exhibition on the Collection's year-long 30,000-mile international tour.

Everywhere it was shown, throughout Latin America and Europe, the Seagram Collection received an enthusiastic welcome. But the reception it was given by our troops was among the warmest of all, for here were more than paintings: here were familiar and well-beloved scenes, here were native cities that awakened cherished memories... here was a glimpse of home for those away from home.

The House of Seagram
