NORVAL

Activities Report From Norval School

On our return to school on January 3rd we found our school yard generously coated with ice. We were not long in taking advantage of this opportunity. The first week of school in 1955 was one of cutting figure fights and playing hockey at every opportunity.

During the second week, we held our first Red Cross meeting. We decided that our class (grades one to two) flags which we will hang at the front. Also, at this meeting, we selected a committee to plan the following Friday. Bruce Eyre held the spotlight during the programme portion of our meeting, with his selections on his trumpet. Bruce has been playing this instrument for only a brief period, and is doing remarkably well. He accompanied the group while singing our closing hymn.

The tobogganing party was a great success. Thanks to those who planned it and to the weather man who supplied just the right amount of snow, and the frosty weather to keep us moving. After our vigorous exercises, we returned to the classroom where we enjoyed a lunch arranged by Joyce McLean and Eleanor Liphard, who were not able to participate in our good sport that afternoon. We would like to thank our new resident, Mr. McAllister, for his generous supply of pop, which was served as a beverage.

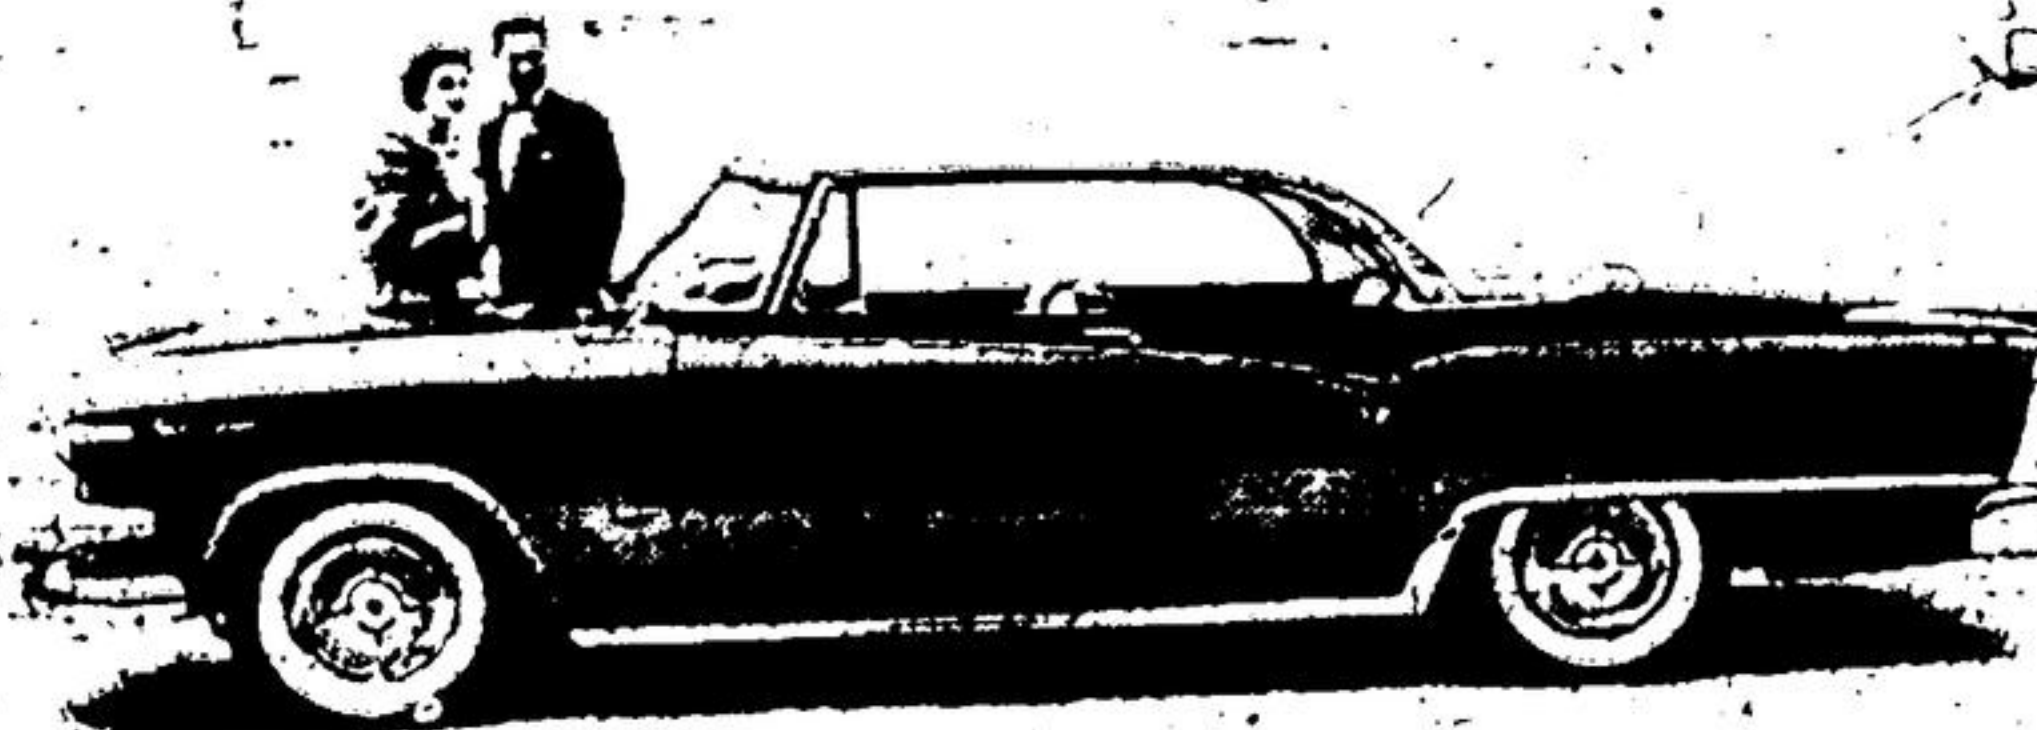

In spite of the number of absentees this month, we continued our practising for our festival which will be held in March. This year Norval will compete with the urban centres of Georgetown, Milton and Acton and such centres in south Halton. Being the school with the smallest enrolment in this group, our hopes are not too high, but we are still eager to try our best.

We hope that we can perform for the community early in March, at our spring concert.

Once again the reading ministers are visiting our classrooms weekly, as they did last year. Our lessons last year were on the theme God Is Love, and this year it is God's Love.

We are hoping that our sick friends will be back to school soon.

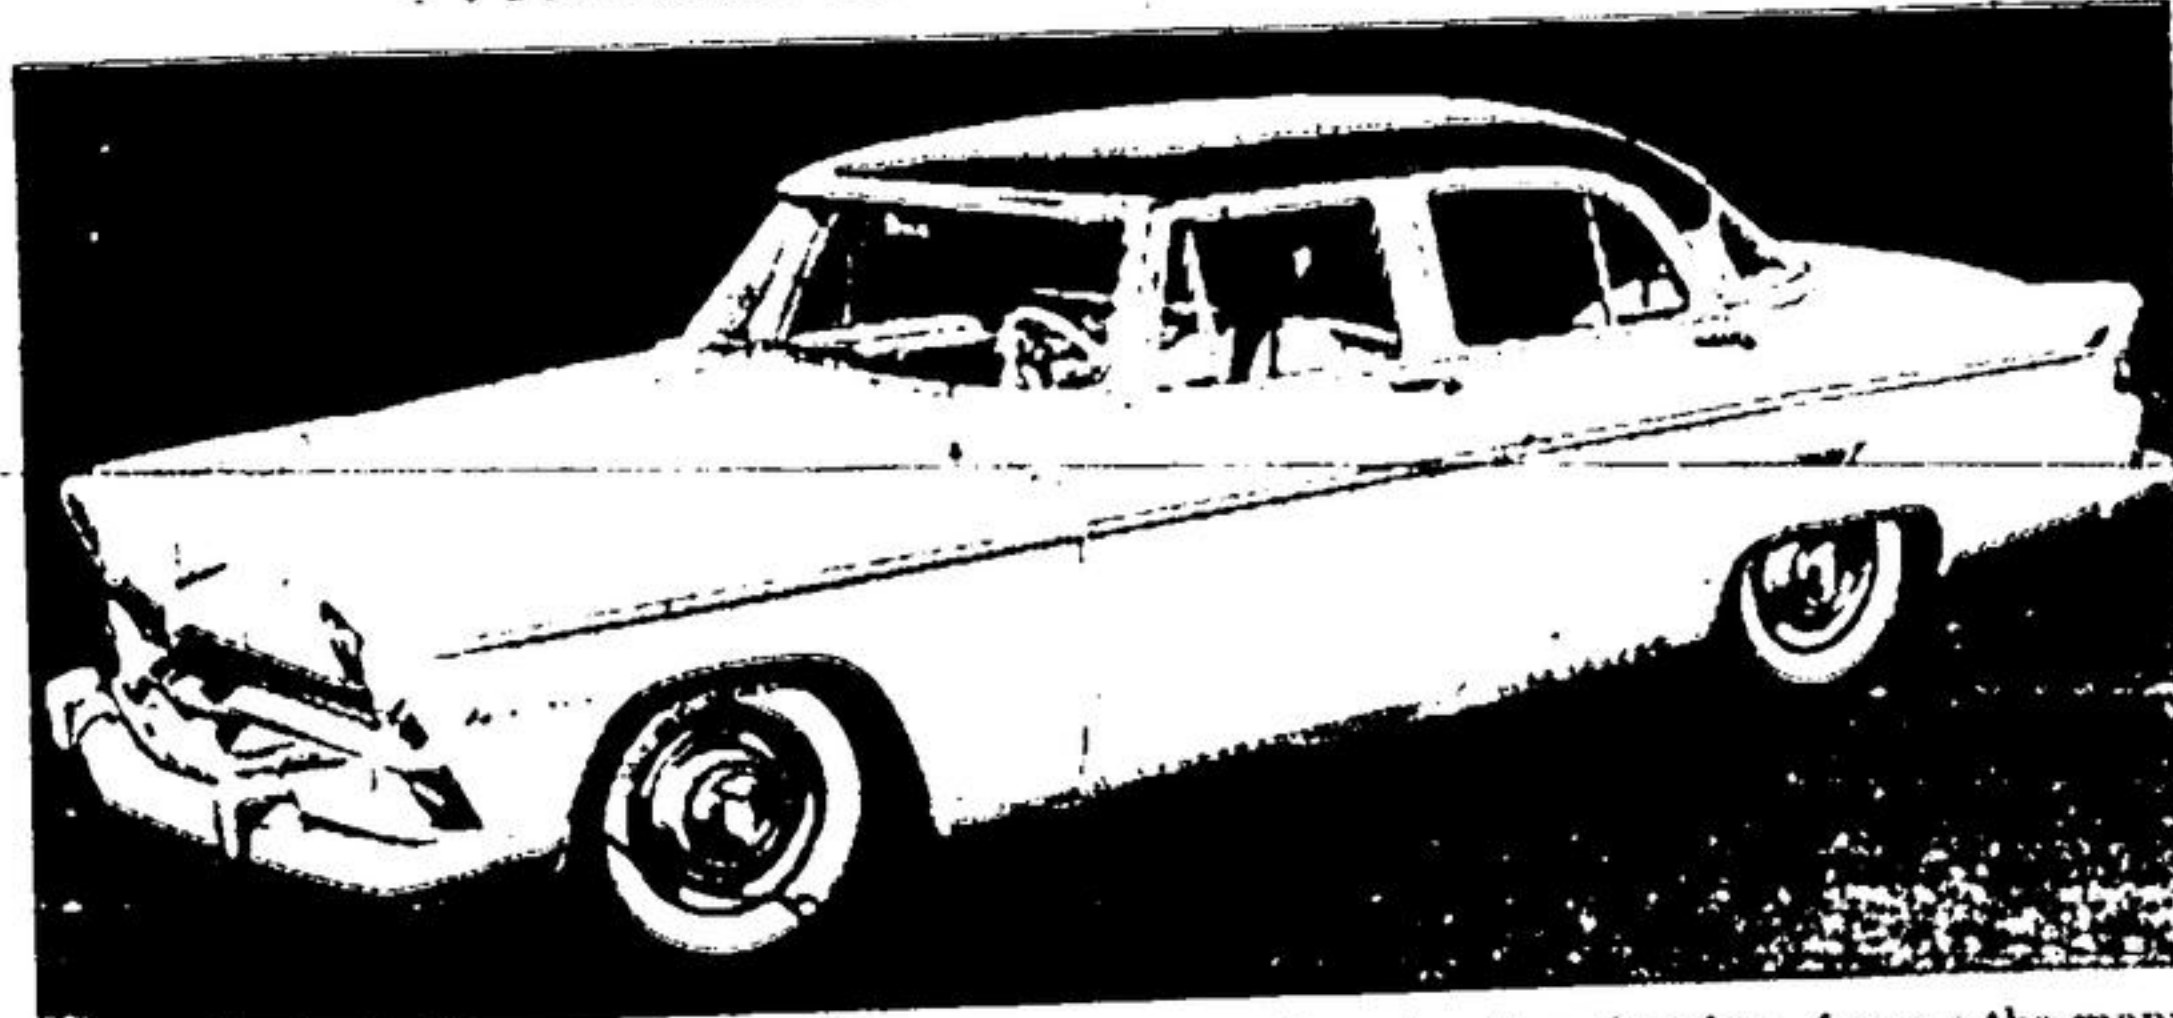

EXCITING COLORS AND STYLING ON DODGE ROYAL LANCER

Three-tone paint combinations are introduced for the first time in the automotive industry to accent the new "Forward Look" styling of the 1955 Dodge Royal Lancer hardtop. Lower, wider and longer by 16 inches the Custom Royal Lancer hardtop shown here is powered by a

Super Red Ram V-8 engine developing 183 horsepower. Also in the Custom Royal line is a luxurious four door sedan and a convertible coupe. All models come equipped with PowerFlite fully automatic transmission as standard equipment.

PLYMOUTH OFFERS V-8 ENGINE FOR 1955

Plymouth for 1955 is lower, wider, and more than 10 inches longer than last year. All three Plymouth series (Plaza, Savoy, and Belvedere) offer improved PowerFlite six-cylinder engines while the Plymouth Belvedere also offers the 157 horsepower Fly Fire V-8 engine which incorporates the exclusive Chrysler-designed dome-

shaped combustion chamber. Among the many new features this year is the full wrap-around New Horizon windshield, the PowerFlite selector lever mounted for ease of operation on the dashboard and a complete range of power-assist devices including power brakes and Coaxial Power Steering.

MOTHER DIES IN BRIGHTON, ENGLAND

Death of Mrs Lillian Hebbes in Brighton, England, January 28th saddened a local household. Mrs Hebbes was the mother of Mrs Chester Stevens, Normandy Blvd. Mrs Hebbes, who lived at 24A York Villas, Brighton, Sussex, is survived by two daughters, Bertha at home, and Freda, Mrs Chester Stevens of town. Her husband predeceased her.

Canada's death toll from car accidents is placed officially at some 2,000 per year.

Husbands! Wives! Want new Pep and Vim?

Thousands of couples are weak, worn-out, exhausted solely because body lacks iron. For new vim, vitality, try Ostro's Tonic Tablets. Supplies iron, zinc, may need for pep, supplementary doses Vitamin B₁. Introductory or "get-acquainted" size only 50¢. At all drug stores.

Segsworth is Director Holstein Association

E. Ross Segsworth, Burlington, Ontario, was re-elected as a director of the Holstein-Friesian Association of Canada, at the Annual Convention of the Association held February 2nd and 3rd at Toronto.

Fred M. Snyder was elected as President, with F. C. Eligh, Finch, Ont., first Vice-President, Hon. C. B. Sherwood, Norton, N. B., second Vice-President, James T. Brown, Newcastle, 3rd Vice-President, and Stanislas Panneton, Trois-Rivieres, Quebec, fourth vice-president. Some 1,200 members attended the annual meeting, the largest number in the association's history.

Retiring President Norman R. Martin, St. Thomas, Ontario, stated that during this generation, dairy farmers have successfully adapted themselves through an almost complete change from hand and horse power methods of mechanization. The growth of population is creating an ever-increasing demand on the domestic production of milk and milk products.

A resolution was passed protesting the importation of 2,250,000 lbs. of cheese when stocks of cheese in Canada are more than adequate for the normal needs of the country. It was urged that it be a continuing policy to import no dairy products which can be satisfactorily supplied by Canadian producers.

Secretary G. M. Clemons, Brantford, Ont., reported that yearly registrations crossed the 70,000 mark for the first time in 1954, the exact total being 73,400 an eight percent increase over the best previous year. Transfers of ownership were slightly higher than in 1953, totalling 51,228. Membership in the Association stands at 12,581. A total of 14,856 Holsteins were exported to 36 U.S. states and eleven other countries.

The percentage of calves recorded as a result of artificial breeding rose to 46, a new high mark.

Hon. George S. Henry, former premier of Ontario and a long time Holstein breeder presented seven Master Breeder Shields on behalf of the Association. Among those receiving this honour was the retiring president, Norman R. Martin, St. Thomas, Ontario. The others were: Orvan Chambers, Wilfrid, Ont.; Wm. Clark-son & Sons, Weston; W. E. Shaver, Ancaster; Wm. Duffy and Sons, Union; Alexander M. McIntosh, Embro; and Eaton Hall Farm, King, Ontario. A Master Breeder Shield is the highest honour that a Holstein breeder can win.

Certificates of Superior Production recognizing Canadian and World Records for production completed in the past year were received by R. D. Graham, Erin, Ont.; Leslie Gilmore, Steveston, B.C.; and T. R. Dent and Son, Woodstock, Ontario.

FARM NEWS

CALF VACCINATION INCREASES 59%

by J. E. W.

This past week we learned from Dr. Harold Worton, Provincial Veterinarian, that for the calendar year 1954 the number of heifer calves vaccinated in Halton under the Brucellosis Control programme, has increased 59.1 per cent over 1953.

Halton is one of the few counties in the province where all rural municipalities, following the petition of 90 per cent of the cattle owners, passed the necessary by-laws in early 1954 making the calfhood vaccination compulsory. According to Dr. Worton 2656 calves were vaccinated in Halton in 1953, while in 1954, the first year under the new policy, the number vaccinated had jumped to 4226. From the standpoint of the entire province the numbers vaccinated for the past two years are as follows: 1953, 123924; 1954, 207580; a net increase of 67.5 per cent in 1954.

As one would anticipate the greatest increase has taken place in what might be considered "beef" counties. For example in Bruce county the comparative numbers vaccinated for the past two years were 3520 in 1953; against 23,438 in 1954. Grey County also shows a somewhat similar sharp increase - here the comparative figures were 3574 in 1953 and 17,779 in 1954. Excellent progress has been made in the first year since the Brucellosis Control Act was enacted. At the present time petitions are being circulated in a large number of rural municipalities throughout Ontario.

FARM NEWS

Complete Plans For Junior Drama Festival

Halton Junior Farmers on Thursday evening under the leadership of president Don Matthews completed plans for their third annual Drama Festival. This event is to be held in the auditorium of the Oakville High School, on Friday, February 18th. One act plays will be presented by the Acton, Milton, Norval and Palermo Juniors, and to the winning cast

Gordon W. Smith, Milverton, Ont., was presented with a Gold Ribbon Certificate of Longtime Production in recognition of the World Record for official lifetime production of milk and butterfat made by his cow Snowball Sylvia Alcartra. Also receiving Gold Ribbon certificates for records exceeding 200,000 lbs. milk were: J. H. Jones and Sons, Newcastle; James H. Cookson, Bowmanville; T. R. Clarkson, Brampton; Clarke Rathwell, Navan; R. Blanchette, La Presentation, Quebec; and Wm. Bousquet, La Presentation, Quebec.

will be awarded the W. I. Dick Drama trophy, which last year was won by the Milton Juniors. The adjudicator this year will be Mr. John Binks, of Hamilton. At the same time the Margaret Alice Elliott and J. E. Whitelock trophies will be awarded to the best actress and best actor. These in 1953 were won by Sheila Henderson and George English.
