## MACKENZIE NEWS

How about combined operations in building that much needed addition to your home? You could hire a contractor to do part of the work and join the ranks of the do-it-yourself for the rest. Another room added to your house may not be as difficult or costly as you think while doing a lot to preserve your happy home life. Are you off to Kingston to follow the hockey team?

## Monday Practice First For New Boys' Band

First practice of the newly-organized "Georgetown Boys' Band" was held in Chapel Street School on Monday.

The new band, which numbers some 35 boys, will be instructed by Bandmaster Alfred Perrott of the Lorne Scots, with Joe Wilcox assisting in the instruction.

Mr. and Mrs. Ray Whitmee and Mr. and Mrs. Fred McNally left town on Monday, bound for Florida. The Whitmees will be away a couple of weeks while Mr. and Mrs. McNally are planning to stay over in St. Petersburg for a month. Joe Hall, Sr. and Jack Eaton are enroute to Florida by bus and plan to spend the next six weeks in the south, making their headquarters in St. Petersburg.

In Toronto on Friday, Mrs. Harold Henry and her mother Mrs. William Rowley were hostesses at Mrs. Rowley's home at a miscellaneous show or attended by 25 friends of Miss Patricia Cole. Miss Cole will be married in March to Ken Robertson, who has started an electrical contracting business in town, and they will be making their home here.

## Goldham Coming for Little NHL Night

The big hockey night for local fans is drawing near when people in town may see the Little NHL in action, as well as seeing Bob Goldham and some of the other Detroit hockey players, who will be on hand for the occasion. And just to be sure everyone gets their money's worth a number of valuable prizes have been given by the local merchants and will be given away that night.

So let's hope that there is a capably crowd to see the little fellows in action. The fans really put their hearts into it, and the brand of hockey they are playing is surprising local fans.

Through the kind cooperation of the arena board the committee in charge managed to set Friday night February 25th for this show and hope that the general public will support them in their efforts to keep the ice on the bottom of their arena for a longer season.

## City Club Official Home, School Speaker

Mrs. McDonald, secretary of the Toronto Home & School Association spoke at last week's meeting of the local organization in West-Georgetown School auditorium.

She talked on relationships between parents and teachers and the value of Home & School as a meeting ground also giving helpful hints on boosting membership and conducting meetings.

A film "Fitness is a Family Affair" showed what can be done in a community which has no organized recreational program when groups of neighbours get together to plan playgrounds and sports activities.
