SCOUT NEWS

Twenty-seven boys and leaders spent a cold but enjoyable week-end at the Camp of the Crooked Creek. Each boy cooked his own supper and breakfast. Pork and beans seemed quite popular but it's surprising how big a steak a boy can cook and eat. Some even like hamburger and onions for breakfast. Stew was provided for Sunday dinner and it didn't take long for that big pot to get empty.
Although a couple of jokers thought they should stay up and talk all night and the temperature outside the hut was below zero, most of the boys had a good night's sleep and after breakfast were ready to explore the camp area.
The Roman Catholic boys wish to thank Mike McFarlane who called at the camp for them so they could attend church. Howard Harper conducted a scouts service for other boys. This service is non-denominational and as such can be attended by any of the Brotherhood of Scouts. The boys are asking when do we do it again? Maybe soon, but for this scribe once in the winter is enough. Soon the outside camping will be in order and we will be on our way.
We wish to thank those friends of Scouting who provided cars to take the Scouts to camp. It was really appreciated.
Don't forget the 24th of February Father and Son banquet. Boys whose dads can't attend, return your card to your school principal or your leader and we will arrange a sponsor for you. \$1.50 is the price of a big feed for dad or sponsor and boy; and lots of entertainment afterwards.
Scout week is from February 20th to the 26th and all during that week boys are asked to wear their uniform to school and also to their own church on the Sunday, February, 20th. Our founder, Lord Baden Powell was born on the 22nd of February and Scout Week is dedicated to his memory. Good Scouting.
