**Rotary Sees Pictures**  
**Of Jamaica, Guiana**

Members of the Rotary Club were  
treated to some glimpses of the royal  
tour of Jamaica, the Communist up-  
rising in Guiana and the visit  
of the Duke of Edinburgh to the  
Northwest Territories when Jim Em-  
merson spoke and showed coloured  
slides at Monday's dinner meeting in  
the McGibbon House.

A Toronto Telegram staffer and a  
former Georgetown resident, Jim  
came to town on the invitation of his  
brother, Steamer Emmerson, a club  
member.

Sent by the Telegram to cover the  
story in British Guiana, he wrote a  
series of articles at that time, then  
went on to Jamaica as a reporter for  
the royal tour.

A club guest at the meeting was a  
district farmer Tom Beer.  
The club will have another distin-  
guished visitor on March 28th, when  
Gus Ryder, Marilyn Bell's swimming  
coach, will speak to them.

Total net general expenditure of  
Canada's 10 provincial governments  
increased 40 per cent from \$876,000,  
000 in 1949 to \$1,233,000,000 in 1952.  
These figures do not include debt re-  
tirement.

*"It's for you,

When one of the family calls you to the  
phone and whispers, "I think it's busi-

calls of that kind are, even at home.

You don't have to upset your even-

things done quickly, nearby or far away.

Whether it's a matter of sales, or ser-  
vice, whether it's early evening or late at  
night, you can depend on your telephone.

Just give it a thought next time one of  
the family says, "It's for you, Dad!"
