BALLINAPAD

Farewell Presentation For the Joseph Allens

A large crowd gathered in the hall Friday night to make a presentation to Mr. and Mrs. Joseph Allen who are leaving the community. After a short programme by local talent, Mr. and Mrs. Allen were called to the front and presented with a lovely chrome kitchen table and chairs. The recipients thanked the gathering in a few well chosen words. Progressive culture was enjoyed after which lunch was served to close a very pleasant evening.

Mrs. Frank Smith was hostess for the April meeting of the W.A. Mrs. Starret read the Easter Story for the worship service with interesting comment. Thank you notes were read from those who were remembered by the W.A. during their illness. The ladies were well pleased with the financial results of the booth at Mr. Allen's sale. The roll call was answered by naming your birth month flower, cards, visits, etc., the sick and shut ins were recorded. Plans for our annual bus trip were discussed and will include tours of several industries. Mrs. Starret gave a reading entitled "A Touch of Sympathy" suggesting we show a more sympathetic and courteous spirit to those whom we come in contact with. Sympathy is like mercy "it blesses him that gives and him that takes." A dainty lunch was served by Mrs. Marshall and Mrs. F. Shortall assisted by the hostess to close the meeting.

The sacrament of the Lord's Supper was observed Sunday morning with Rev. E. Currie of Acton in charge.

Paul and Carl Smith of Toronto spent the holiday week with their aunt, Mrs. W. Cassidy. Mr. and Mrs. Thomas Gibson and family visited Sunday with Mr. and Mrs. James Gibson at Goodwood. Mrs. M. Swindlehurst spent the week-end at the home of her daughter, Mrs. Keith Webb, at Norval.

Thanks -

We wish to thank the Georgetown Arena executive and especially manager J. B. Wilson who, after Milton Arena was burned went out of his way on many occasions so let us play our playoff games and practice our hockey club. To point out the greatest instance, when after Georgetown closed up the ice for the season, we still had another game over a week later in the finals, Mr. Wilson phoned and said he would freeze the ice again so we could finish the series in Georgetown which we had called our home this season, and had certainly been made feel as if it was the same.

This little note of thanks to show our appreciation from the management and players of the
