—With the advent of spring, why not dispose of those "unwanted" articles through a Herald adlet?

**Edwards Returns as Pro**  
New Steward, Greenkeeper

It won't be many weeks until golfers will be back in action at North Halton Golf and Country Club, and pre-season preparations are now being made to put the course in playing shape.  
Club professional Larry Edwards arrived in town last week, home from his winter job in Jamaica. He has been engaged for a second season at the club.  
Jim Doyle, who will move to town from Lakeview started his duties as greenskeeper the first of April. Last year he was with Forest Hills club as chief and before that spent three years at a similar job at Mississauga.  
Mr. and Mrs. Andrew Moodie have agreed to come to town and run the clubhouse. They come from St. Catharines, have owned a delicatessen and been in the restaurant business.  
Club improvements made since last year include a new heating system, purchase of a pump which will bring water from the river for watering greens and a new men's locker room.  
The fairways, despoiled last year by white grubs, have been reseeded and are coming well. Two dams, washed out in Hurricane Hazel, are being replaced and the ponds will be back by the first of May, it is expected.

**Goldham on Another**  
Stanley Cup Team

Member of a Stanley Cup hockey team for the second year in a row, Georgetown's Bob Goldham is now resting up after a season which took Detroit Red Wings to a victory over Montreal Canadiens in the playoffs.  
The Wings administered a 3-1 defeat in Detroit Thursday, with hundreds of local people following the game on television.  
Bob is one of the kingpins of the Detroit defence, and a popular man in Detroit, as evidenced in a recent Bob Goldham night when special honour was paid him with a presentation of a station wagon and numerous other gifts from fans. Georgetown's Mayor Jack Armstrong was present that night to present a movie camera and projector from his home town.

**LEGION NOTES**  
by L. M. C.

Will be necessarily short this week as we "just ain't got no news!"  
We understand the Vimy Night went over well at Brampton last Friday p.m., with quite a few going to Brampton from the local branch. The writer, was under the weather, and thereby didn't make it, but we understand it was a real good night. Said to tell, the speaker of the evening, Archdeacon MacIntosh, M.C., D.D. of Hamilton, was unable to be present, due to the very serious and sudden illness of his wife. The Archdeacon, well known in town, is also very well known throughout this district in Legion circles as one of their best speakers. He is also past president of the Poppy Fund... We see quite a number of the boys out looking the golf fairways over. It won't be long now, fellows... Have you heard the latest about one of our better known members advertising himself as "educated in Scotland?" That's quite a tale, let me tell you... Quite a group attended the Little NHL playoffs in Dixie last Saturday where our boys put up a real good show... The kid hockey season officially ended last Monday night with a banquet and a presentation of trophies to winners. Elms were shown by Don Barringer and also Carling's Breweries... Darts are coming up soon, so keep an eye on the board for details.

**GIVE YOUR CHICKS A BETTER START**  
**PIONEER CHICK STARTER PROMOTES**

- High livability
- foster growth
- feathering
- fleshing
- pigmentation
- bone development

Pioneer Chick Starter contains Vitamin B 12 and antibiotics for greater livability, growth, uniformity and feed efficiency.  
Chicks grow into healthier, higher-laying pullets faster... when fed Pioneer Chick Starter. For fewer runts... fewer culls... fewer losses... feed Pioneer Chick Starter 20% protein.  
Buy your Pioneer Chick Starter from:
