**BIRTHS**  
MUCKART — Mr. and Mrs. John R. Muckart (Nancy Brown) announce the birth of a daughter at St. Joseph's Hospital, Guelph, April 18th, 1963.

SMETHURST — To Mr. and Mrs. A. J. H. Smethurst at Royal Victoria Hospital, Barrie, April 19th, 1963, a son.

**MEMORIALS**  
ALEXANDER — In loving memory of my dear husband, James C. Alexander who died April 14th, 1964. Days of sadness still come o'er me, Tears in silence often flow, For memory keeps you ever near me Though you died one year ago; More and more each day I miss him, Friends may think the wound is healed, But they little know the sorrow That lies within the heart concealed. — Ever remembered by his wife, Jessie.

IRELAND — In loving memory of a dear wife and mother, Mrs. Edgar Ireland, who passed away April 26, 1963. The flowers we place upon her grave May wither and decay, But the love of her who sleeps beneath, Shall never fade away. — Ever remembered by her husband and daughter, Gladys (Mrs. Bob Caldwell) and Dorothy.

**CARDS OF THANKS**  
KIDD — We wish to thank all our friends, relatives and the neighbours on Normandy Blvd for their expressions of sympathy after the death of a dear father and husband. — Kelly Kidd and family and Mrs. Rena Kidd.

PRESSWOOD — I would like to thank all my friends, relatives and neighbours for their flowers, cards and gifts while I was in Guelph General Hospital and since returning home. — Norene Presswood.

### TENDERS ARE CALLED FOR NEW WATERWORKS

Tenders are out for one of Georgetown's largest construction jobs in several years.

The town is asking for price quotations on a storage reservoir and pump house for the new water supply system, as well as tenders for new mains to be constructed as part of the system.

Philip and Roberts, Brantford are consulting engineers on the project which entails a new source of supply in the lower Main Street area to supplement the present system where water is pumped directly from a deep well into the mains.

Contractors have until May 30th to submit their bids.

### Tenders Wanted

Tenders are required for a smoke removal and ventilation system . . . also for a water cooling system for Branch 120, Canadian Legion. See steward or president for details.
