LIMEHOUSE

MRS. HARRY SMITH IS INSTITUTE PRESIDENT

Succeeding Mrs. Ed Sanford in the position, Mrs. Harry Smith was elected president of Limehouse Women's Institute at the annual meeting April 7th in the memorial hall.

Mrs. A. J. Smethurst took the chair for the election, and the following officers were chosen: Mrs. Harry Smith, president; Mrs. Ed Sanford, vice president; Mrs. Jack Roughley, 2nd vice president; Mrs. John W. Noble, secretary-treasurer; Mrs. A. J. Smethurst, district director; Mrs. W. Mitchell, alternate; Mrs. Harry Brown, Mrs. Frank Brown, Mrs. Charles Jones, Mrs. E. Karn, branch directors; Mrs. Roughley, Mrs. Charles Meredith, pianists; Mrs. Smethurst, press reporter; Mrs. J. S. Noble, alternate; Mrs. Charles Jones, roll call. Committee conveners are: Mrs. Fred Gandy, Mrs. James Noble, agriculture and Canadian industries; Mrs. H. Brown, Mrs. Cyril Clarke, citizenship and education; Mrs. J. Ellerby, Mrs. Smethurst, community activities and public relations; Mrs. Roughley, Mrs. H. Turner, home economics & health; Mrs. S. Kirkpatrick, Mrs. W. Mitchell, historical research, current events and Tweedsmuir history; Mrs. James Noble, flower and fruit; Mrs. Ted Brown, Mrs. Newton Ruddell, auditors.

Fourteen ladies enjoyed a noonday luncheon provided by the committee for the month. Roll call was answered by 18 ladies paying their fees.

The correspondence read by Mrs. J. W. Noble included several "thank you" letters, a letter regarding extension of the hospital at Milton, T.B. Association meeting in Trafalgar Hall and a plea for more help for Korea, \$10 being voted to this latter project. The incoming president and secretary were delegated to attend the T.B. meeting. The letter from Milton was tabled for the present, as two delegates who had attended a meeting in Georgetown called by the Chamber of Commerce reported, and it was decided to give any support possible to Georgetown if that town goes ahead with a hospital.

Each committee convener gave the yearly report, showing a very good year for the W.I. Penny Round up bags were distributed.

The district director said that the

CONTINUE COUNTY FARM POND POLICY

Since Halton's Farm Pond Policy went into effect in 1953, a total of 136 applications have been made. To date in the three years, subsidies totalling \$4725.10 have been paid on 49 farm ponds constructed and approved.

It may be surprising to learn that notwithstanding the large number of applications received, in not one of the three years in which the policy has been in effect, has a sufficient number of ponds been constructed to utilize the total amount of the grants made jointly by the Ontario Department of Agriculture and Halton County Council.

Those interested in constructing a farm pond or dug-out in 1955 would be well advised to contact the Milton office of the Ontario Department of Agriculture at once, and place their application. An application made after a pond is completed, or in course of construction, does not qualify under the regulations governing the policy. Aside from this, early filing of applications would facilitate the inspection and approving of sites, and avoid disappointment.

District Annual will be held at Ashgrove June 1st and the W.I. picnic in Lowville Park, probably July 13th or 20th. Burlington, Nelson and Palermo branches are arranging races, etc. Lunch will be pooled and served at 1:00 o'clock.

Before you buy any truck
LOOK UNDER THE HOOD
and be sure of true short-stroke power

Look under the hood for the new kind of power that's sweeping the truck industry . . . modern short-stroke power! Be sure you're getting a true short-stroke engine—with the stroke as short as, or shorter than, the bore. Short-stroke engines prolong ring life up to 33%, give substantial savings in gas, and last longer.
