STEWARTTOWN FAREWELL PARTY FOR MURRAY BROTHERS
A very pleasant evening was spent in the township hall last Friday when a goodly number of friends and neighbors gathered to spend the evening with Mr. and Mrs. Ken Murray and Mrs. Lorne Murray with their families. Euchre for the older and crokinole for the younger folk. There was a short program. Susan and Chris Canham sang the beautiful duet that brought them first in the music festival. Doris Pickett gave a piano solo and Mrs. Hector Bird a recitation. After which Ken and Lorne and their wives and families were called to the platform and were presented with a large easy chair and a beautiful lamp to each family, with the best of wishes from all who were taking part in the gifts hoping their move will be a successful one and a happy one. Ken and Lorne replied. Rev. J. E. Maxwell extended good wishes from the parish. Lunch was served. The service on Sunday at St. John's Church was the celebration of holy communion. A discussion was held after as to whether the service will be at 9 a.m. every Sunday for the summer. No decision was arrived at and the rector will try to find out during the week.
At the school music festival at Milton last week our choir came third. Chris Canham won the gold medal for boy's solo, Susan and Chris Canham came 2nd for the duet. Congratulations to every one of you.
Junior W.A. meeting was held last week as usual with Marilyn Murray choosing the hymn "Jesus Christ is risen today" and leading in the worship service. Gail Smith presented the Thursday Pledge: For Village Island and All Saints Hospital Akivik. The 5th verse of "I think when I read that sweet story of old" was sung from memory. Scrap books were made in the busy period.
We were pleased to see that Mrs. English is home from the hospital and able to be in church Sunday morning.
Esqueving W.I. meeting this month will be held at Mrs. Armstrong's home Wednesday, May 11th.
Happy birthday to Gary Briggs who will be seven years old on May 12th.

NEW DEPARTMENT HEAD APPOINTED AT OAC
Dr. W. E. Heming, who for the past two years has been professor of entomology and zoology in the Dept. of Entomology and Zoology, OAC, has been appointed head of the department, announced today. Dr. Heming succeeds Prof. A. W. Baker, whose retirement from the post becomes effective May 1st.
A native of Owen Sound, Ontario, Dr. Heming attended public and high schools there, and graduated from the OAC in 1929. Following graduation he was with the entomology laboratory of the Canada Dept. of Agriculture at Chatham. In the fall of that year he joined the staff of the Dept. of Entomology and Zoology, OAC, as lecturer, leaving in 1934 for graduate study at Cornell University, from which he graduated in 1939 with his Doctor's degree.
In 1940 he was appointed assistant professor at Whittier College, Whittier, California, and rose in the department to become professor in 1948. During this period he was active in a number of research projects for the United States Dept. of Agriculture.
In 1949 he returned to the OAC as associate professor in the Dept. of Entomology and Zoology, becoming professor in 1953.
He is chairman of the Legume Research committee at the OAC.
Dr. Heming is a member of the Entomological Societies of America, Canada, and Ontario (serving the latter group as editor of the Annual Report of that organization). He is also a member of the American Assoc. for the Advancement of Science, and a member of three honour societies — Gamma Alpha, Sigma Xi, and Phi Kappa Phi.

Another Picture Night For Stone Schoolers
Picture nights at the Stone School have proven so popular that it was decided to hold another one on May 14 with Mr. Mac Sprowl showing pictures taken on his trip to the British Isles and the continent. This was one of the decisions reached at the meeting of the Stone School Association at the home of Mr. and Mrs. Gordon Kidney on Wednesday evening.
It was also decided to have a work bee and a bean supper at the school on Saturday, May 7th. There is painting to be done, as well as some further work to be done on the playground addition to the school which the association has undertaken to do.
Refreshments were served and a social half hour enjoyed at the close of the meeting.
