## LEGION NOTES

Last Thursday evening was the regular monthly meeting of the Branch, with the president, Harvey Garvin in the chair, treasurer Wallace Thompson, and secretary Bob Muir in their respective chairs.  
 After the usual opening ceremonies the various reports were given, those of the sick, bingo, sports, entertainment and financial report was given by the Treasurer. All reports were well given and good ones.  
 Initiations then took place, under the direction of Fred McCartney, with his degree team. Quite a number of new members were initiated. The president welcomed them on behalf of the branch.  
 Under general business, it was announced that what was considered by the executive, a very good tender for a type of air conditioning had been received and accepted by them, subject to branch approval. It was decided to go ahead with the job immediately, and the meeting voiced themselves in favour of this. A number of small items were brought up and Com. Dutch McCartney gave a report on the forthcoming dart tournament for the province to be held on Saturday, May 7th. Com. T. Grieve gave a report on the Vimy Night, which was held a few weeks ago. It was decided not to accept the rent for the rooms from the IODE for their evening for the New Canadians. It was decided in view of such a worthy project, that this be the Branch donation. It was decided to approach Georgetown town council and see if they would be interested in the same arrangement as last year for the 24th of May, when council and Legion went together to finance a fireworks display in the park. This was considered to be very worthwhile and was agreed to, subject to Council's agreement, of course.  
 Harry Savings then introduced the Branch padre, Rev. Ken Richardson, to the members. Padre Richardson replied briefly and thanked members for appointing him their chaplain.  
 Meeting adjourned at 9:20 with the singing of "The Queen". Refreshments were served afterwards by entertainment chairman Norm McDonald and Jim Murphy.

## ROUND THE ROOMS

All dart players on the teams for Saturday attention! Don't forget the big tournament! If you do as well provincially as you did in the zone tournament, all the championships will be coming back to the branch. The boys were very successful with taking firsts in everything. We understand Gord Jamieson, Fred Gilmer and Henry Shepherd were the big guns in winning. Hope they repeat their success. Don't know how true it is, but we hear that they are in training for the event, with Bill Engley coaching. With the amount of darts played, tho', we shouldn't think they needed any practice! Have you heard (or rather seen) the latest one? ... regarding the member who received a fan letter during hockey season last year. We seem to have missed that one. Hope our usual sources of information are not falling down on the job. At any rate, the letter's a beauty, and must have taken considerable work on the author's part. What say, "Totty"? For any information or a look at it, possibly, see John F. Patterson. A zone sports meeting was held here a couple of weeks ago and quite a number attended from about the zone. Georgetown is definitely entering a softball team this year (we understand they got special dispensation from the zone to use wheelchair players) and will be headed by Scotty "Swivel Hips" Patterson. He sez that there's still life in the old boys, and expects to have them out in the park at 6:30 each morning for training. It seems there's a number of horses out there now that he intends to use to pace the boys — yes, we wondered that ourselves, — who will pace who? ... Softball and golf were the two main sports dealt with. Sports officers of each branch will settle their own playing dates for softball. Brampton, Port Credit and Georgetown are in "B" Class. Acton, Streetville and Milton are in "C" class. The use of pros in the provincial tournament was severely criticized and will be dealt with again at the next meeting in Milton to be held the end of May. ... Horseshoe enthusiasts put their names on the list in the rooms or see Bill Collier or Joe Stamp. Softball players who wish to make the team, please put their names on the sports bulletin in the rooms. ... also four players for snooker tournament to play in

## Mrs. James Laidlaw Named Brampton West Women's Institute Head

The annual meeting of Brampton West W.I. was held at the home of Mrs. J. Eccles. The president, Mrs. George Leslie, was in the chair. The roll call was answered by naming a tree that was planted this year.  
 Some thank-you notes were read and a letter from Cheltenham and Snelgrove Institute in which they accepted the invitation to the June meeting at Snelgrove Hall. Mrs. Tucker will speak at this meeting. A profit of \$142.05 was reported from March banquet catering.  
 A farewell letter was read from Anna P. Lewis, also an article from the Home and Country by Mrs. J. Doanne. The James Eccles rug was on display, which is nearing completion.  
 Mrs. Norman Cameron gave an excellent motto: "Make good members better and non-members interested." Each member was asked for suggestions for next year's programme. Everyone enjoyed a current event contest conducted by Mrs. W. J. Reed. Mrs. Andrew McClure reported on the lecture she had attended on "Insurance Planning." Mrs. H. Cameron reported on estate planning, while Mrs. H. Reed and Mrs. W. J. Reed reported on investments and real estate. The yearly reports of the conveners were presented. Mrs. Norman Cameron conducted the installation of officers for 1955-56. Mrs. H. C. McGee was presented with a cup and saucer for making the most motions in the past year.  
 Mrs. J. Doanne moved a hearty vote of appreciation to the retiring president, Mrs. Leslie. The new president, Mrs. James Laidlaw, took the chair for the remainder of the meeting.
