WHAT COUNCIL DID
\$300,000 Water Debenture to Be Issued Soon

A \$300,000 expenditure for water works was given final approval Monday night by Georgetown council. A 4 1/2 per cent debenture issue, maturing in 20 years, will finance the waterworks extension which is being engineered by Phillips and Roberts, the consulting engineering firm which were overseers of the present waterworks system.

Much of the new system is due to the Delrex subdivision, for which Georgetown has agreed to supply water. Most costly item is a \$50,000 reservoir for surplus water. A trunk main along Maple Avenue, to No. 7 Highway will cost \$35,000. Extension of this from there to the eastern town limits is assessed at \$24,000 and a line north to John Street \$18,000. A new pump house is valued at \$20,000.

Tenders are already out for construction of the system which will be completed this year.

Asked to explain the garbage disposal system on the waterworks property, to which Cedarvale School had objected at the last meeting, town foreman Ern Hyde said that sales of waste paper have now been covered and there is no objectionable material now in view.

Percy Harding, who has been operating the landfill machine, resigned this position last week, and Mr. Hyde was instructed to interview a man whom he thought was interested in the job. The new man will be engaged as an addition to the town works staff and the foreman will be in charge of assigning men to operate the machine.

LIMEHOUSE
PHILLIPS FAMILY NOW IN TERRA COTTA

We regret the removal of Mr. and Mrs. Alex Phillips and baby son from the village. They now live near Terra Cotta.

Mr. and Mrs. Mechieske and family Schomburg visited Mr. and Mrs. H. H. Smith on Sunday.

The WMS met at the home of Mrs. Smethurst on Thursday evening Mrs. Kirkpatrick reading Scripture and Mrs. Mills the prayer. Mrs. Edith Wilson gave an interesting though impromptu talk on work of church ladies in welcoming New Canadians in Norfolk County. Mrs. Smethurst had the study on health conditions in India. Doctors and missionaries must first overcome certain customs and superstitions before headway can be made in treating the sick. Following the Lord's Prayer in unison the hostess served refreshments.

Mr. and Mrs. A. Hill of Kingston visited the Charles Merediths one day last week.

Mr. Wm. Karn has gone to his property near Ormsby for the summer months.

Neil Benton and Kathleen Kirkpatrick read Scripture during the Mother's Day services a week ago. Sorry we omitted it in our column.

Mrs. Benton attended a shower for her cousin, Mrs. Betty Anderson, a bride-elect of June, on Saturday evening. The shower was held by Mrs. Wilfred Anderson at her home in Kitchener, with relatives and close friends as guests.

Mrs. Smethurst visited the Grants at Stewarttown on Sunday.

Mr. and Mrs. Wright and Miss Shirley of Willowdale renewed acquaintances in the village on Saturday.

We extend sympathy to Mrs. Angus MacDonald and family in the passing of her eldest son, William of Georgetown, whose funeral took place on Monday.

Mr. and Mrs. V. R. Mansurer and family of Brampton visited the James and John Nobles recently.
