

**PRESENTATION TO  
ART BENNETT, BRIDE**

A pleasing feature of the evening's programme held in the Milton High School on Friday evening was the presentation made to Mr. and Mrs. Art Bennett. Mr. Bennett is the associate agricultural representative for Halton and Peel counties. His bride, the former Jean Patterson of Bronte, is past president of the Palermo Junior Institute, and in recent years has played an active part in many of the activities of Halton Juniors.

The presentation of a Lazy Boy chair to Mr. and Mrs. Bennett was made by E. Hoos Sagsworth, on behalf of the senior organizations of the county including the Soil and Crop Improvement Association, Swine Producers, Plowmen's Association, Milk Producers, Guernsey, Jersey and Holstein Clubs, Beef and Red Poll Breed-

ers and the 4-H Club Leaders' Council. A. Y. Woodley was chairman of the evening's programme which included musical selections by Betty and Doris Anderson, of Brookville and Tom Foster of Lowville. A pleasing feature of the evening was the premiere showing of the new 4-H Club film in technicolour "Preparing for the Future." The film was introduced by R. Gordon Bennett, associate director of extension for the Ont. Dept. of Agriculture. Inasmuch as most of the film was taken in Halton it was of special interest to the large audience. Aside from the fact that all of those participating are Haltonites, the film is a real credit to those responsible for its direction. It tells the story of 4-H Dairy Club work in Ontario, and it does it exceptionally well.

— Birthday parties are always a pleasant feature of the Herald social and personal column. Please phone details of your child's party for inclusion in the column.

**Mr. and Mrs. Robert Lawson  
Honeymoon Trip in West**

Mr. and Mrs. Walter Robert Lawson, who were married May 14th in Trinity United Church, Burlington, will be living in Stewarttown when they return from a honeymoon motor trip to western Canada. Mr. Lawson is associated with his father in the feed mill business in Stewarttown.

The bride, Margaret Christina Alexander, who was employed in the office of Niagara Brand Spray Co. is the daughter of Mr. and Mrs. James Ross Alexander, Burlington.

Rev. Keith Love, minister of Trinity United was assisted by Rev. Bruce Gray, Toronto in conducting the service in the church which was decorated with tall standards of pink and white snapdragons and gladioli, and two large palms. Gordon Douglas was organist and Thomas Foster sang the

23rd Psalm before the bride entered the church and "Where'er Ye Walk" while the register was being signed.

The bridal gown of peau de soie had an empire waistline and a full skirt over a crinoline, ending in a cathedral train. The gown had fingertip sleeves and the neckline was trimmed with pearls and sequins. A tight fitting hat of matching material was trimmed with pearls and she wore a fingertip illusion veil. She carried a white bible adorned with gardenias and lily-of-the-valley, with streamers of lily-of-the-valley attached.

Mrs. John Raftis, Toronto, was her sister's matron of honour. She wore a ballerina length green taffeta over crinoline with form fitting waistline, full skirt and a stole-effect neckline. She carried a cascade of yellow and bronze mums, white baby's breath and trailing ivy, and wore a floral headpiece. Mrs. Jack Lawson, Georgetown, who was also an attendant wore rose taffeta similarly styled. Junior bridesmaid Marilyn Sherwood, Burlington, was also in rose taffeta and carried a cascade of pink carnations and blue tinted baby's breath.

Mr. Alexander gave his daughter in marriage and the groom's brother Donald Lawson was best man. Ushers were William Hutchinson, Elmvale and John Raftis, Toronto.

A reception was held at the Eastman, Burlington, where the bride's mother received wearing navy blue crepe and lace, a navy blue straw hat and a corsage of pink roses. The groom's mother wore champagne lace and crepe, black accessories and a pink carnation corsage. An honoured guest, Mrs. Jane Currie, who is the bride's grandmother, wore mauve crepe and lace, a mauve flowered hat and a corsage of yellow roses.

For going away, the bride chose a charcoal grey suit, a black grey and white shortie coat and red and black accessories, and a corsage of gardenias.

Don't forget Cadet Inspection in the park next Tuesday evening.

**LADY GOLFERS HAVE  
FIRST TOURNAMENT**

The lady golfers of North Halton Golf and Country Club enjoyed their first tournament day last Tuesday, when the captain and vice captain, Jean Mackenzie and Mrs. Sam Mackenzie were hostesses. A buffet supper was served in the lounge.

Winners at golf for the afternoon play were Mrs. S. W. Orr and Mrs. Norman Marchant, and for the evening play, Mrs. Graham Farnell and Mrs. Harvey Chappel.

ening's programme, and helped materially to clarify the many angles of the subject.

**Mackenzie News**

Solve next winter's fuel problem on one of these fine May days and then you'll be able to concentrate on your fishing, bowling, gardening, etc.

Put in 4 tons of Nut or Stove Reading or Old Company coal at the low Spring price of \$23.00 per ton. Pay \$0.20 down and \$14.22 per month for six months and have your coal paid for by November.

If we get some rain we'll be able to sit and watch our garden grow — well for a day or two.

ONTARIO'S **farmers** SHARE A  
**BILLION DOLLAR BUSINESS**  
AIDED BY GOOD GOVERNMENT

More than a billion dollars worth of farm products have been sold by Ontario farmers in each of the last three years—nearly double the output of ten years ago.

Development of new crop varieties and thorough extension work under the present administration has expanded cash crop acreage in Ontario by more than 400 per cent.

Departmental herd improvement policies have

maintained livestock output at 70 per cent of Ontario farm income.

The Frost administration has introduced the most advanced marketing legislation of any Canadian province.

Community living in rural areas has been bettered through Frost government grants. Last year these amounted to a quarter of a million dollars for 108 community centres.

**UNDER THE FROST ADMINISTRATION**  
SOUND LEGISLATION HAS BROUGHT BENEFITS  
TO ALL ONTARIO FARMERS:

- **HIGH YIELDING** crop varieties, introduced through Department of Agriculture support of research, has meant millions more in cash crop returns for Ontario farmers. The Department aids 250 field crop competitions.
- **WEED CONTROL** on 134,000 acres of crop and 28,000 miles of roadways received cash assistance from provincial Department of Agriculture.
- **CONSERVATION** was carried out in nearly 1,000 farm drainage and farm pond surveys last year. Sixty-three special field days demonstrated modern farm practice.
- **ENDLESS SEARCH** for better crop varieties at Ontario Agricultural College and Western Ontario Agricultural School is made possible by the Department of Agriculture.
- **FUTURE FARMERS** already have received a million and a quarter dollars in cash loans from the provincial government under the Ontario Junior Farmer Establishment Loan Corporation.

**Panel Discussion for  
Hydro, Highway Rights**

Compensation to be paid owners of farm land where property is crossed by hydro and highway right of ways was the subject of the panel discussion staged by the Halton Federation of Agriculture, in Milton, on Wednesday evening. President R. L. Davidson and secretary A. R. Coulter were featured in their selection of an outstanding panel. The moderator, was George E. Elliott, QC, Milton lawyer, who did an outstanding job of getting at the "meat" of the contentious subject and kept the panel members and the large audience on their toes for the two and one half hour session.

The farm viewpoint was ably presented by M. M. (Bobby) Robinson, of Burlington, Reeve A. R. Service, of Nassagaweya, and Cecil Belyea of the Ontario Federation; while the two public utilities had as their representatives in the panel, C. F. S. Tidy of the Properties Branch of the Ontario Hydro; H. P. Jones, superintendent of properties; R. W. Bond, assistant superintendent, and M. V. Gillard, chief agent, all of the Ontario Dept. of Highways. It was an excellent evening.
