FATHER'S DAY -- SUNDAY, JUNE 19

**Gowns, Mortar Boards  
Nursery "Graduation"**

Last Friday evening Mrs. Hal J. Newman's Chorley Park nursery School held its closing ceremonies with the children putting on a program of songs and dancing.

One of the highlights of the evening was "Goin' Fishin'", a number in which the children wore straw hats and carried willow stick fishing poles. Another was the rhythm band. This was an especially good number with all the children taking part in the playing of "London Bridge" and "Mary Had a Little Lamb." Gay paper costumes were worn for the various numbers. These were all made by the mothers and added much to the charm of the evening.

Lyn Hewson sang the solo part in "Mistress Mary" and Liddiane and Cathy Heer sang "Sleeping." After the closing number, "Our Nursery School is Over" the children, wearing white gowns and mortar boards with blue tassels, received their diplomas. A bouquet of pink carnations was presented to Mrs. Newman by Brenda Shankland.

Those taking part in the program were Lyn and Johnny Hewson, Fraser Gunn, Mary Carr, Jane McNally, Donald Macintosh, Brenda Shankland, Kenneth Lang, Michael Farris, Liddiane and Cathy Heer and Lee Ursel. Not present, thought they attended the nursery school were Warren Gunn and Tony Farris.

**Wedding Presentation  
To Dorothy Parkinson**

The presentation of a wrought iron and brass hostess tray was made to Miss Dorothy Parkinson, on Monday evening, when the Daughters of the Church held a pot luck supper in the church school room of St. George's.

A large pink bell with pink and white streamers falling from it formed a canopy over the place where the guest of honour was seated. Miss Parkinson, who has held the office of secretary in the organization, is leaving town at the termination of the High School year in June, to be married this summer. Next year her home will be in Oakville.

Following the supper and presentation, a short program of games and contests, arranged by Mrs. Fred Armstrong Jr., were enjoyed. During the business discussion, it was decided to cater to the Sunday School picnic being held June 11th at Stanley Park.

**STEWARTTOWN**

St. John's Guild held their regular meeting at Mrs. J. Sanford's home last Tuesday evening. Plans were made to hold a plastic demonstration at the next meeting to be held at Mrs. J. C. Murray's home Tuesday evening, June 7th. All members are requested to be present and bring a friend.

**Listowel Minister  
At Union Anniversary**

Rev. Max V. Putnam, B.A., minister of Knox Church, Listowel, was the special preacher for the 122nd anniversary services at Union Presbyterian Church last Sunday. Rev. Putnam was a classmate of the minister of Union Church, Rev. G. Lockhart Royal, who took the services in Listowel for that Sunday.

A record crowd filled the beautifully decorated church to overflowing Sunday morning, when Mr. Putnam chose "Lord, Revive Us Again" as the theme of his sermon. In the evening an excellent congregation heard him speak on "Jesus Asks a Question." Many former church members who now live in other centres, returned to Union for the anniversary.

Special music for the occasion was provided by the Forwardaires Quartette, a well-known group of radio singers from the Forward Baptist Church, Toronto. They sang three selections at each service, morning and evening.

**SCOUT NEWS**

Paper drive this Saturday. Any dad who can spare a couple of hours to help please phone Roy Ward, TR. 7-3536. You will have fun as well as helping your boy.

Cub Camp dates have been set for Monday to Saturday, July 4 to 9. Application forms are ready and must be returned as soon as possible. No one will be accepted after June 28th, the last meeting before camp.

Scout Camp is from Wednesday, July 13th to Wednesday, July 20th. Scouts this year are attending the composite camp on Lake Kenabi, operated by Toronto Boy Scouts Association. A full staff of qualified group leaders, including a doctor and nurse, and meals are supervised by a professional chef and served in a dining hall seating 200.

Applications must be in by July 23. Several people have been asking about the registration of 50¢ for cubs and \$1.00 for scouts. This column wouldn't hold what can be written about that dollar, but in the opinion of the writer insurance comes first. Our group pays into a group insurance policy covering scouts, cubs and leaders, when on scout or cub activities, but only those registered at headquarters qualify. That is just one reason, and a good one, why we want all boys registered before taking part in any activities with the group. No boy can attend camp who is not registered.
