Mackenzie News

We used to be urged to store up in our mind the sights of beautiful June to think upon in the long winter.

How about putting in your winter's coal now, so you can be warm while you're dreaming about the June roses. Under our Budget plan you can put in 6 tons of Nut or Stove coal at \$13.80 down payment and \$21.32 per month for six months.

Will see you enjoying the beautiful evenings, if you're not allergic to mosquitoes.

THIMBLE CLUB TOURS CANADA BREAD PLANT

The Thursday Thimble Club went on their annual bus trip on Friday. The ladies spent the forenoon in the Toronto museum, then had dinner at the Town and Country followed by a tour of the Canada Bread plant. Each lady received a crusty loaf and a shopping bag and a beautiful cake was on display with Welcome, Thursday Thimble Club in pink icing. Miss Anne Puckering won the cake when her name was drawn. The 21 members and friends who made the trip returned to Brampton for dinner and a show.

Mr and Mrs H Baker and Mr and Mrs George Aldous of Windsor visited with her sister, Mrs. Schleicher. Mrs Mabel Murray's cottage on the town line is now completed. We welcome her as one of our summer residents.

We also welcome Mr and Mrs David Sum of Port Credit who have moved into the house they purchased from Jordanus van der Vliet. Mrs. Sum had a birthday on Sunday and all her family were home to wish her great joy, also Mr and Mrs Harry Parkin, also Mr and Mrs Art Wells of Toronto and Mr and Mrs Everett Patterson, Erin. Mrs Robert Puckering spent the week-end with her son and family. Jack Puckering in Glen Williams.
