**Leslies Number 200  
At Family Reunion**

Almost 200 members of the Leslie family came from various parts of Ontario to The Breezes near Acton on June 11th to attend a reunion which is held every second year. They were all descendants of John Leslie and Lolly Ann Bole, who settled in Esqueping in 1819 on land granted by the crown. They were natives of County Tyrone, Ireland. This was the 15th such reunion held by the family.

In a short business session after the dinner hour, George S. Leslie, of Guelph, retiring president, paid tribute to those family members who had died since the last gathering, and a moment's silence was followed by prayer by Harvey Leslie, Aylmer.

**MAKES APPEAL FOR  
BASEBALL HELPERS**

Chic Jewell, who is chairman of a Lions Club committee sponsoring a program of baseball for youngsters this summer, needs help in coaching and managing.

He wants several men to volunteer their services Tuesday and Thursday nights to help look after the town leagues. There are plenty of lads turning out for games and practices, and they need some direction. He would be most grateful if anyone who can help, even part time, would contact him or show up at the park tomorrow night.

**New SWEETENED  
SUCKLING PIG RATION**  
gives fast, economical gains

The twelve pigs, littermates, photographed at 56 days weighed 612 pounds, an average of 51 lb. per pig.

Started on Pioneer Sweetened Suckling Pig pellets at two weeks, they had consumed an average of 50 lb. of feed per pig.

A controlled test with three litters on six uniformly divided groups of weaner pigs demonstrated a preference of 10 to 1 in favour of Pioneer Sweetened Suckling Pig pellets.

Pioneer Sweetened Suckling Pig pellets start baby pigs to eat early in life, and make possible fast uniform gains in weight. Weaning is no problem any time after four weeks if pigs are eating well.

Rapid early growth is always the most profitable - less feed is required per pound gain.

Give your next litter of pigs a palatable nutritionally balanced ration - Pioneer Sweetened Suckling Pig pellets.
