**Lorne Scots to Storm
Waterdown "Heights"**

Members of the local Lorne Scots regiment will take part in war games Sunday morning at Waterdown.

The Lorne Scots will attack defence positions held by the RIFLE of Hamilton on property of the National Sewer Pipe Co. overlooking Hamilton Bay.

Oakville's B Coy and platoons of C Coy, from Georgetown, Milton and Acton will engage in the exercises. Many surprises are in store for them says Lt.-Col. F. C. Brown of the RIFLE who darkly hints of various devices his forces have prepared to deal with the attack.

Defence positions elected are strong. The RIFLE will be on high ground which has been quarried for brick clay and the ground has eroded in deep gullies and canyons. Low scrub and brush covers the low ground and higher ground has mixed vegetation. Over this difficult terrain, the Lorne Scots must advance and attack troops who are concealed and well deployed to cover all approaches.

Visitors who wish to watch will be welcomed. Guards will be posted to assist with parking. Travellers can proceed west on the Queen Elizabeth Way to the intersection with No. 2 Highway, then north a mile and a half.

The battle will be recorded by the Hamilton TV station, and both Hamilton radio stations will have news coverage.

**Family Death Shortens
Cotton English Trip**

A business trip to England was shortened for Fred Cotton by the sudden death in Toronto of his father-in-law Ben Mannix.

Mr. Mannix, a retired businessman, who once operated the Hudson Fur Co. in the city died in a doctor's office from a sudden heart attack a week ago Friday. Mr. Cotton flew home from England, arriving Sunday afternoon a few hours after the funeral service.

The deceased leaves a family of three children, Mrs. Fred Cotton, Mrs. Jack Kurman and Harry Mannix, well-known CBC news announcer. The latter has been seriously ill in hospital since his father's death and underwent a major operation last week.

The Cotton Brothers, Fred and Jack who operate clothing stores in Georgetown and Brampton were on a buying trip in England when Mr. Mannix' death occurred. Jack returned home last Sunday.

They had planned to visit Paris and Rome, but Fred's sudden return home cancelled these arrangements. They report a definite trend in England to continental styles for both men's and ladies' fashions.

The brothers visited their father's sister in London, Mrs. Kay and Jack also renewed acquaintances with his wife's parents, Mr. and Mrs. S. Marks and her sister and three brothers, all of whom live in the London area.

**Flies to Scotland
For Father's Funeral**

Dr. Alistair Macintosh flew to Scotland Thursday, after receiving word of the sudden death of his father, Hamish Macintosh, on June 14th. Dr. Macintosh arrived in Scotland in time to attend the funeral, which was held on Saturday, in Brora.

Mr. Macintosh, who was customs and excise officer in Brora, County Sutherland, was in his 61st year. He had always been a great sportsman, being especially keen about golfing and fishing. He belonged to the local rifle club and was a member of the Home Guard. His death was due to a heart attack.

Mr. Macintosh was predeceased by his wife, who died a year ago. Surviving are three children. Dr. Alistair of Georgetown, Hamish, a marine engineer in Scotland; and Sheena, who is a nurse in Edinburgh. He has one sister, Mary Macintosh, living in Melville, Sutherland County.

LEGION NOTES

We forgot to put this in the main part of Legion Notes, on another page in this issue. It concerns the regular monthly meeting which will be held tomorrow night, Thursday, June 23rd. This is an important meeting and will be the last one before the summer recess. So how about everybody trying to make it. There are several matters of importance to come up and as a special treat the entertainment chairman, Norm Macdonald and Jim Murphy, tell us they are going to have a repeat of those famous "beefburgers" that went over so well a few months ago. If you recall, that night, a large crowd turned out, and we ran a bit short. However, just to see this doesn't happen again, the boys have ordered twice the amount.

**NEW HAMBURG BLANKS
LOCAL SOCCER TEAM**

Georgetown Wolves suffered their third defeat of the season when they dropped two points to New Hamburg at Acton Park on Saturday. With the temperature up around the 80 mark, neither team played their best and a rather slow game resulted.

Handicapped by the absence of their goalkeeper, the local team nevertheless played well and dominated the play throughout the first half. The forwards kept a steady attack on goal and with luck might have scored. At half time the game was a goal-less tie.

With twenty minutes of the second half played, New Hamburg got a quick breakaway and scored with a long shot which just beat substitute goalkeeper Schuetz. Their second goal came ten minutes later when a high shot by their centre forward found the corner of the net. The score remained 2-0 until the final whistle.

The result was unexpected as New Hamburg were defeated recently by King William III whom Georgetown beat easily last week.

The Wolves have no game on Saturday but on July 2nd they play at Simcoe.

Georgetown: Schuetz, Schipper, Bottomley, Nolan, Reeves, Conway, Brown, Smeedema, Allen, Hewson, Wagner.

Karn, and Mrs. Cromar and Mr. Luke Matter, and a quartet number by Mrs. Cromar, Mrs. E. Torrance, Mr. Gowland and Mr. E. Packard.
