**Say Farewell to Simcoe - Bound Pastor**

On Monday evening, June 27th the members of Hornby, Bethel and Ashgrove United Churches gathered in Ashgrove Church to bid farewell to their student minister, Mr. and Mrs. Ian Williams, of the Hornby charge who was leaving to go near Simcoe. Tom Brownridge was chairman for the program of piano solos, duets, accordion solos, violin solos and vocal solos. After which Mrs. Percy Merry from Bethel read an appreciative address and Mrs. Horace Barnes and Mr. Bob Cunningham presented a lovely walnut desk to Mr. Williams, a Kenwood blanket to Mrs. Williams, a birch and white panda bear to baby Dimple and a majorie doll to little Heather Williams. Mr. and Mrs. Williams were surprised and touched by these gifts and thanked everyone. All went down into the basement for lunch.

Mr. and Mrs. T. J. Brownridge and Allan, Mr. and Mrs. Ward Brownridge, Margaret and Murray, Mr. and Mrs. John McNabb, Lois and Kenneth attended the Brownridge reunion in Brampton on Saturday.

On Wednesday, June 29th the day after school closed teacher Mrs. W. T. Cromar with Mrs. C. B. Dick, Mrs. Frank Wilson and Mrs. Gerald Graham took twenty two school pupils by train to Toronto where they toured through Neilson's chocolates and in the afternoon through Casa Loma. They had a wonderful day and arrived home in the evening tired but very happy.

It was quite thrilling for those who had television sets in their homes on Friday evening, July 1st when they saw the three generations of Brownridges. Mr. Thomas Brownridge, his son Ward and grandson Murray, who were interviewed in Toronto in connection with the Brownridge reunion being held the next day.

We are all so glad that Arthur Ruddle is able to be home again after being up in Guelph Hospital for some time following the bad fall he had. He has to wear a heavy cast on his head and neck for some months yet but his friends are all wishing him the best.

On Sunday, the McClure reunion was held at the home of Mr. and Mrs. Clayton Wilson with fifty eight sitting down to a picnic supper. Guests came from Batavia, N.Y., Niagara, Hamilton, Guelph, Ferris, Rockwood and Acton. Aer solos by the young people were accompanied with music. Bernice Wilson played the accordion and others played their guitars.

**SET DATE FOR JUNIOR PLOWING MATCH**

When the plowboys commence to make plans for their annual matches, it makes one realize that the summer is rapidly slipping by. Wednesday evening saw the Halton Plowmen under the chairmanship of president Spencer Wilson, making plans for both the annual Junior and Senior matches.

The Junior Farmer Match is scheduled for Saturday, September 10 and John W. Pickett, Arnold Pickett and Leonard Lister, were appointed to select the site. This Junior Match is primarily a coaching demonstration and an effort is being made to secure Winfred Timbers of Stouffville, as the chief coach and judge. In 1954, Halton Juniors took first in the inter-county tractor event at the International. On top of this, Oakville and North Halton High School areas had teams entered in the inter-secondary school competition, where they placed second and fifth.

These achievements will stimulate even greater interest in the Junior Match on September 10th, when the inter-county team will be selected. There is a strong likelihood that the High School Area boards at Burlington, Oakville, and North Halton, will also cooperate and select team representatives of the inter-secondary school competition at the International.

The International Plowing Match will this year be held near Leamington, in Essex County, October 11th to 14th.

We understand from president Spencer Wilson, that the county match will likely be held in the area between Milton and Campbellville. Roy Currie, Lloyd Chisom, Elmer Carlton, Robert Hurren and Jack McPhail, were appointed as a committee, to select a suitable site.

**THREE ANGLICAN AYPAs HAVE BALL LEAGUE**

The Halton Deanery, Local Council of the AYPAs are this year sponsoring a softball league. There are three teams entered, Milton, Georgetown and Oakville. The first game was played in Oakville, Coronation Park, last Saturday evening between Georgetown and Oakville. The Georgetown Branch got off to a good start by winning this one. After the game the players and members of the various branches held a weiner roast and sing-song on the beach. It looks as if it is going to be a hotly contested series and a lot of fun for the Halton Branches this summer. Good luck, kids.
