

FARM NEWS

**Halton Farmers to Visit  
Cayuga Research Station**

In 1962 the Dept of Soils and Agricultural Engineering at the Ont. College established a regional research station, near Cayuga in Haldimand County. The purpose of this regional research station was to study the management problems and fertility requirements of the heavy and fine textured soils. The counties of Halton, Haldimand, Lincoln, Peel, Welland and Wentworth all have considerable areas of this type of soil, and it was the feeling of many soil and crop leaders that experimental results secured on the soils at Guelph may not apply on these heavier soils.

During the past three or four years therefore, the Departments referred to above have conducted studies and experimental work pertaining to tillage, liming, irrigation, soil conditioners, rotations and fertility. In order that the farm operators of the six counties concerned may have an opportunity of seeing for themselves the results secured, a joint field day sponsored by Soil and Crop Improvement Assoc. of the six counties, is being held at the Research Station near Cayuga, on Friday, July 8th.

E. R. Segaworth, president of the Halton association, says that one or more buses will be chartered to take down the Halton delegation. The programme is scheduled to commence at 1 p.m. when C. D. Graham, deputy minister of Agriculture for Ontario, will open the event. Despite the busy season of the year we anticipate that many Halton farm operators will be anxious to see for themselves the results which have been secured.

**Distinguished Guests  
At Terra Cotta Inn**

Terra Cotta Inn had distinguished guests on Friday when the United Kingdom high commissioner and his party had luncheon at this well-known eating establishment.

Sir Archibald Ney and Lady Ney, accompanied by staff commissioner Wilbey and his wife arrived by plane at Malton at noon and dined at the Inn en route to Stratford for the Shakespearean festival. Mrs. Betty Farrar tells us that cold salmon salad was the chief bill of fare.

**AVRO GIRLS, LOCAL FRIENDS  
ENTERTAIN FOR IRENE YOUNG**

At lunch hour Friday, fifty girls employed in the electrical department at Avro held a surprise shower for Irene Young whose marriage to John William Rossiter takes place July 9. The girls arranged a decorated table and chair, streamers and a wedding bell, and gifts were arranged around a two foot square cake.

Mrs. G. Collier entertained at her home on Parkview Blvd. Tuesday, June 28th for Miss Irene Young with a miscellaneous shower. There were thirty guests present. Mrs. Collier was assisted by Jean Beaumont, Doris Herrington and Bernice Tazwell.

Bonnie Cotton, Shirley Kirkwood, Marie Mitchell, Richard Smith.

**PROVINCIAL PAPER  
STAFF GOLF PARTY**

On Saturday, June 25th, Provincial Paper held a tournament at the North Halton Golf and Country Club with some 55 avid diggers participating. Local members were joined by 33 visitors from head office in Toronto and five from Thorold division. While the golf was somewhat spotty every one had a good time and many expressed the hope that a repeat would be forthcoming.

Norm Marchment (a poor host) carried off top honours in the men's section with an 89 closely followed by Harry Chappel and visitor Buz Booth. Mrs. Ross Duncan edged Gwen Campbell and Mrs. Ted Fenning for low gross in the ladies' division. Other prize winners were Mabel Little, Marg Edmundson, Gladys Davidson, Shirley Wright, Hugh Dickie, Terry Brush, (an eagle on the 4th) Mickey McCoy, Roy Campbell, Larry Hardman and Trev Williams.

Honourable mention should go to one of the visiting ladies who despite 174 blows was able to climb the 9th hole unassisted.

**TENNIS CLUB ELECTS  
OFFICERS FOR SEASON**

St. George's Tennis Club held their business meeting on Wednesday, June 22nd. Election of officers was held. President, Marilyn Bell, Vice president, Gloria Boyd, Secretary, Claire Bradley, Treasurer, Diane Harrison.

The members held a work meeting Monday, June 27th and accomplished quite a bit of work but there is still lots to do.

*Fashionable new riding habit*

You travel in fashion when you ride in a new De Soto

Here's exciting style that appeals to people who like to go places. From bumper to bumper, this new motion-designed car has The Forward Look of eager action.

De Soto is also powered for action! It puts a mighty 185- or 200-h.p. V-8 engine at your command. It brings you the smoothness and con-

venience of PowerFlite automatic transmission, at no extra cost. De Soto is a smart "buy," too! No other Canadian car has a roomier body or more performance, convenience, and safety features than this luxurious, long beauty. Yet you can own a big new De Soto for less than many models of medium-size cars. See or phone your dealer for the facts. He'll be glad to arrange a demonstration drive for you.

A styling and engineering achievement... manufactured by Chrysler Corporation of Canada, Limited
