## HOLD OPEN HOUSE FOR 25th ANNIVERSARY

A couple who were married in St. George's Anglican Church here 25 years ago, celebrated their silver wedding anniversary Saturday when they held open house at their home, 33 Trueman Street, Brampton.

Over one hundred friends called during the day, coming from Brampton, Norval, Georgetown, Glen Williams, Galt, Oakawa, Bowmanville, Port Credit and Toronto.

Mrs. Marsden's mother, Mrs. Fred Laws of town poured tea. Their daughter Carol, who is Mrs. Ross Crawford of Brampton assisted in serving tea, as did the bride's sister Mrs. Agar Guest of town and the groom's sister Miss Mae Marsden, who were bridesmaids at the wedding. Several of the wedding guests of 25 years ago were present.

Mrs. Marsden is the former Violet Tedder of Georgetown. Archdeacon Fred Wase, now of Dunnville, officiated at their marriage and they have lived in Brampton since then.

### LIMEHOUSE

#### Silver Forks for Club Girls, Complete Course

Silver forks for completing their course were presented to junior home-makers by president Mrs. Harry Smith at a meeting of Limehouse W.I. July 7th in Limehouse Memorial Hall.

Another pleasant feature was the presentation by Mrs. Ed Sanford, past president of a beautiful aluminum tray to Mrs. Jack Noble the secretary-treasurer, in appreciation of services rendered for three years.

Mrs. Ralph Turner was in charge of the meeting which had Home Economics and Health as its theme. Preventing accidents in the home was the roll call subject. Girls of the 4-H Club took part, with Kathleen and Dorothy Kirkpatrick and Patsy Crawford taking current events. Kathleen gave the motto: Grumbling spoils more homes than bad cooking.

An article prepared by Mrs. F. Geary "A garden is a good place to live" was read by Mrs. James Noble. For historical research, Mrs. Kirkpatrick showed group photos of interest and told about Mrs. Kirkpatrick, Sr., who in 1928 celebrated her 93rd birthday.

Mrs. Ralph Turner demonstrated dripless paint and two 4-H girls demonstrated tea biscuits for home economics.

A bus trip is being planned the latter part of August. Mrs. Sam Gibby, convener of school gardens, discussed having a trophy for the child with highest points, as suggested by Mr. Pargeter who judges the gardens each year. The club girls served a delicious lunch of tea biscuits, short cake and tea.

### HORNBY

#### HORNBY GARDEN PARTY ANOTHER HIGHLIGHT

Highlight of the year in Hornby is the garden party, and this year the ball clubs presented their 8th annual affair on Thursday. Another record crowd attended.

The garden party was preceded with a ball game between two ladies' teams from Toronto, National Torch and Cicconi's and ended with a fireworks display.

Talent included magician Ross Bertram, dancer Dorothy Steadman and ventriloquist Cy Leonard. Art McColl's strong man act, singing cowboy Dapper Dan MacFarlane, Ian Murray and his trained dogs and monkeys, accordionist Nick Brown and a man who billed himself as the Escaper were others on the bill. Tom Hamilton, a garden party favourite here for years was emcee and Jack Eyre accompanied.

-A week next Monday is Civic Holiday in Georgetown.

### STEWARTTOWN

#### PRESENTATION MADE TO MR. AND MRS. B. LAWSON

The township hall was full last Friday evening of neighbours and friends who gathered to express their good wishes to Mr. and Mrs. Bob Lawson in a shower. The evening started with eulogy. Miss Hettie Lawson won in a cut with Mrs. W. Sprowl for first place. Mr. Jim Fisher then called for order for a short program. Mrs. Francis Thompson sang two enjoyable solos accompanied on the piano by Mrs. Frank Wilson. Miss N. Greig favoured with a tap dance to music by Mr. Greig. Mr. J. Fisher then called Bob and Mrs. Lawson to the platform where they were received with cheers. Mrs. Jack Lawson read an address to the couple and Messrs. Bob Alexander and Billy Wilson presented the gifts: a beautiful Duncan Fyfe table with 4 matching chairs, which delighted them very much. Bob, with his usual hearty manner answered and thanked all those who had shared in the gifts. The ladies of the community served refreshments to all present.

Congratulations to Mr. and Mrs. Bruce Cook (Jeannine Humphreys) on the birth of a little daughter last Friday.

Mr. and Mrs. W. Huffman, Michael, Butch and Ivan of Toronto were visitors with Mr. and Mrs. Cecil Smith on Sunday and will stay for a few days.

We extend a welcome to Mr. and Mrs. Bob Lawson, who have now moved into their own home here.

Equipping Women's Institute meeting was held last week at Miss Stone's home. Roll call was "Tips on House Plants. Miss Stone was hostess for refreshments.

TAKE THAT,  
and  
THAT!

Before a new telescope-type stretcher, made of nylon and aluminum, was adopted by the Canadian Armed Forces, it got the works. They jumped on it, dropped rocks on it, tossed it out of aircraft and army lorries, froze it in ice, buried it in mud and sand. They finally gave up—and placed the order.

Its lightness and compactness makes this rugged stretcher a natural for everything from northern air-rescue work to the needs of hospital, police, Civil Defence and other authorities. . . . Another job for Canada's aluminum and the men who work wonders with it.
