**Mackenzie News**

How wonderful to have a grey rainy day. Life in a land of perpetual sunshine must be dull at times.

A very attractive material for bathroom or kitchen walls in plastic tile. We have it at 40¢ and 50¢ per sq. ft. and the new heavy dull finish at 60¢ per sq. ft. This does away with further painting and provides a surface easily cleaned.

It will be a pleasure to have to cut the grass again.
