Electric Water Pressure Systems

FOR SHALLOW WELLS — 22 ft. suction lift. For homes, farms, summer cottages, water pressure — 20 to 40 lbs., with 1/4 h.p. Electric Motor. Approximate volume — up to 300 Imperial gallons per hour (capacity is stated for each model listed). Completely self-contained — ready to install — just three connections — suction, discharge and electric motor hook-up. Engineered and designed for long, trouble-free service. Featured at Canadian Tire's attractive "factory distributor" prices.

PACKAGED ROTARY GEAR PUMP PRESSURE SYSTEM

(1) Pressure Water System — Small and compact; can be installed in a minimum of space. This unit provides ample pressure where the outlet of water is considerably higher than the pumping unit. It is equipped with the latest type automatic switches. All moving parts are fully enclosed — no pulleys or belts to cause accidents.

FEATURES: — 1/4 h.p. motor with overload protection and large ball bearing on pump end. Coupled directly to Positive Displacement Type Rotary Pump ensuring correct alignment and eliminating pulleys and belts. Pump is bronze and stainless steel construction with one bronze and one nylon gear. Bronze Foot Valve with strainer is equipped with nylon valve. Air Control Valve automatically maintains correct water level in tank and prevents vibration or noise. Heavy Gauge steel tank — galvanized inside and out — normal operating pressure 40 lbs., safety tested to 250 lbs. pressure. Size of complete unit — Length 17", width 8", height 15". Total weight only 50 lbs. Extra special value for this efficient outfit. **\$74.50**

PACKAGED PISTON PUMP WATER PRESSURE SYSTEMS

(2) Single Piston and Double Piston Electric Water Pressure Systems — 22 ft. suction lift. Fully automatic — Easily accessible and completely self-oiling. Ruggedly designed for lasting service with definite fundamental engineering advantages; including: the one-piece iron foundation permanently aligns moving parts; Case-hardened steel shafts and pins eliminate friction; Monel Piston Rod is non-corrosive; Bronze Valve Seats are die-cast in one piece for long life; even in bad water. These packaged units will provide convenient running water under 20 to 40 lbs. pressure for suburban homes, summer cottages, farms, etc. — for kitchen, bathroom, laundry and moderate garden and lawn requirements.

Package Unit Includes — Hot Galvanized Tank, 14 Imperial gallon capacity; 1/4 h.p. 110-volt motor, with overload protection; Pressure Gauge and Automatic Pressure Switch to start at 20 lbs. and cut out at 40 lbs. pressure; Pressure Relief Valve prevents overloading; Built-in Strainer Screen included. Overall dimensions — height 24 1/2", depth 27", width 25 1/2".

Single Piston Pump System — Capacity 200 wine gal. per hr. Cyl. under 1 1/2" bore x 1 1/4" stroke. Suction 3/4". Discharge 1/2". No. 1250X. 60 cycle — com. \$119.75

Double Piston Pump System — Capacity 360 wine gal. per hr. Cyl. under 1 1/2" bore x 1 3/8" stroke. Suction 1". Discharge 3/4". No. A 1251X. 60 cycle. Com. \$138.75

COMPLETE LINE OF PLASTIC PIPE & FITTINGS

SUMP PUMP BARGAIN

Output — 2400 Imperial gallons per hour at 6 ft. head. Complete with 1/4 h.p. ball bearing motor, equipped with overload protection. Outstanding in performance and value at this low price. No. T787X. 60 cycle — \$46.40

**8 DAYS, 5,000 MILES —
MAKES RECORD TRIP**

If Roxy Theatre owner Bill Leslie takes a motor jaunt down to his former home in British Columbia some week-end don't be too surprised! Mr. Leslie and sons Bill, Jr. and Alex established something of a record in a vacation trip last week which took them through five states and six provinces. Altogether they covered some 5,000 miles in eight days. They left town at 7 p.m. on a Friday night, returned at 7 p.m. a week Saturday later. They drove to the Soo, crossed into the states and west through Illinois, Wisconsin, Minnesota, North Dakota and Montana. They returned to Canada crossing the border at Cranbrook, B.C. and here they were surprised to find that a Mr. Black in the customs office was a former Georgetownian himself and asked after the folks in his old home district. The three returned via Banff, through the prairie provinces and on to Rouyn, Quebec, where they had some extra excitement in lending their blankets to comfort some victims of a bad motor accident near the city.

**BALLINAFAD
YPS PRESENTATION
TO NEWLYWEDS**

The Young People's Society enjoyed a wicker roast at the home of the president, Ted Freeman. Games and contests were enjoyed after which all partook of toasted wieners and marshmallows. The society presented Mr. and Mrs. Bud Anderson (nee Shirley Thompson) a recent bride and groom with a salad set. We are glad to report that Helena Hillis has returned home and is recovering nicely after an illness of many weeks spent in Guelph hospital. The WMS held their August meeting in the church with the worship service being led by Miss Hillis which stressed the need of greater understanding and tolerance between different races of people. Readings on temperance and race prejudice were also read by Miss Hillis. Mrs. Warne gave an interesting history of the British and Foreign Bible Society which was established in 1804. The roll call was answered by naming a flower mentioned in the Bible. The meeting closed with singing and prayer.

**SILVER-WOOD
BON VOYAGE PARTY
FOR KLAAS BRUNGER**

Klaas Brunger is returning to Holland for a visit, and Monday evening, his neighbours and many friends had a little party in his honour at the Stone School. In 1928 Klaas came to this country and worked on the farm of Mr. Norm Deveraux, and in 1930 he started to work on the farm of Mrs. F. L. Ruddell where he has been working until the death of Mrs. Ruddell this summer. Klaas is planning to visit his sister Mrs. Muysken in Huizen, North Holland and will be away several months. The many friends wished him all the best and he was presented with a gold wrist watch, presented by Mr. Bob Miller. There was a friendly game of euchre, games being won by Mrs. Harold Cleave, over a cut with Mrs. John Glynn, and Mrs. Harold Cleave. Consolation prizes went to Mrs. George Henderson, Sr., and Chester DeForest. A most delicious lunch was served by the ladies, being in charge of Mrs. Charlie Greig. Mr. and Mrs. Harry Marchington have recently spent a week at Floral Park, Couchiching — Mrs. George Henderson was visiting for two weeks in Algonquin Park — Mr. and Mrs. George Burt and their family spent the week-end in Niagara Falls — Mrs. L. Burt is spending a few weeks with her daughter Mrs. K. Hamilton in Ballinafad. Mr. Harry Norton, son of Mr. and Mrs. W. R. Norton, has returned to Peru to prepare for his transfer to Iran in September. When he is ready, his wife and Nancy will join him there, and David will attend school in Lakeland.

**TERRA COTTA
Mr. and Mrs. Gordon Rice
New Village Residents**

Mr. and Mrs. Gordon Rice and family of Toronto are new permanent residents in Terra Cotta now. They have purchased the home of Mrs. Roberts.

Mr. and Mrs. James McDonald and Clifford, Mr. and Mrs. Gordon McDonald, all of Georgetown, and Mr. and Mrs. Kenneth May of Caldon — East were visitors with Mr. and Mrs. Leslie Icam.

Mr. and Mrs. John Wingate, Mrs. Gerald Downer, Mr. David Harber and Mr. John Wallace, Toronto, Miss Lena McNally, Miss Marian Robinson, Georgetown, were Sunday visitors with Mr. and Mrs. J. McBride.

Mr. and Mrs. Morrall of Toronto, Mr. and Mrs. A. Bullied, Mrs. B. Savage, Oakville and Miss B. Bullied of Chicago, all visited at the home of Mrs. J. W. Patch last week.

Mr. and Mrs. John Russell spent the week-end at Minden. Mrs. J. Donovan will be spending a few days in Brampton with Mrs. McAlpine.

Mrs. F. Schleicher gave a birthday party on Sunday at her home for Mrs. Stanley Millar, Mrs. Dorothy Nolan and Mr. Collin Johnson. Gifts were exchanged and seventeen friends and neighbours shared in their cake. We are sorry to hear that Mr. Meswick is still ill.
