SHARES ARE A GOOD INVESTMENT

Extract from THE FINANCIAL POST, June 11, 1955

"The rise in price of Trust and Loan Company Stocks is one measure of the growth of the essential services they perform. And, in the past year, this group of stocks has fared higher than stocks in general."

Halton & Peel Trust & Savings Company shares at \$11 per share offer an unusual opportunity to invest in a trust company which is already making very substantial progress, with assets in excess of \$500,000.

These shares may now be purchased on the easy payment plan.

100 Shares Cost \$1,100
