Mrs. Robert Gibson Former Terra Cottan

Member of a prominent Union district farm family, and a former resident of Terra Cotta, Mrs. Robert C. Gibson was buried in Hamilton Cemetery on Thursday. Several relatives from town and district attended the funeral service in the city where she had lived for forty years.

Mrs. Gibson was the former Emily McKane, daughter of the late Mr. and Mrs. James McKane. She was born at Linwood, and was a child when her parents moved to a farm at Union. After her marriage, she lived in Terra Cotta where her husband had a blacksmith shop which later was operated by W. G. Marshall of town. Forty years ago they moved to Hamilton where Mr. Gibson was a housing contractor. He has been dead for several years.

She was a member of Ryerson United Church where she took an active interest in the work of the missionary society.

She leaves two daughters, Alma who teaches school in Hamilton and Viola, Mrs. Lloyd Williamson, also a resident of Hamilton; two granddaughters, Beverley and Mary Jean Williamson; a brother James A. McKane, Georgetown, and two sisters, Mrs. Hugh Clark, Georgetown and Mrs. George Fraser, Hamiota, Manitoba. She was predeceased by four sisters.

Three nephews were included in the pallbearers at the funeral, Clarence Anderson and Art McKane of this district, and Ray Graham, Paris.

ASHGROVE

INSTITUTE ENTERTAINS TWO OTHER GROUPS

Members of Hornby and of Stewarttown Women's Institute were guests at the September meeting of Ashgrove WI held in the S.S. room of the United Church. 1st vice president Mrs. Cliff Hunter presided and opened the meeting with the Institute Ode, after which a moment's silence was observed in memory of Miss Mae Featherstone, district president, whose death occurred recently. The roll call was answered with the report of "Something I enjoyed seeing around home, in the woods, or along the road" and attention was drawn to several local beauty spots. Mrs. John Ruddle, convenor of the agricultural standing committee had charge of the programme and called on the guest speaker, Professor Sandy Best, son of Dr. C. H. Best of Stewarttown who delighted the audience with beautiful coloured slides on the growing of lilies. His interesting address which accompanied the slides gave an insight into the way wonderful varieties have been developed. Nancy Hunter and Marilyn Wilson sang vocal solos after which Mrs. Fred Nurse gave the motto: Souls and Souls, pointing out the well known truth that the living standards of people rise or fall in relationship to the quality of their souls. Current events prepared by Mrs. Hector Bird were read by Mrs. R. Cunningham and the National Anthem was sung followed by a delicious lunch and social hour.

Congratulations to Mr. and Mrs. R. J. Graham who celebrated their 47th wedding anniversary on Friday, September 30th. Their daughter and son in law Mr. and Mrs. Maurice Dixon were here from Kapuskasing and treated them to a dinner at the Queen Elizabeth lodge. Also that same day, Mr. and Mrs. Ernie Tindale celebrated their sixteenth wedding anniversary and on Saturday, October 1st, Mr. and Mrs. C. B. Dick their 37th wedding anniversary. May these happy couples have many, many more. Lady luck sure shone on George-

BALLINAFAD

SEPTEMBER MEETING OF MISSION SOCIETY

The WMS met at the home of Miss Young's for their September meeting. The worship service on the Call to Discipleship was led by Mrs. F. Shortill. Jesus began his public ministry by calling men and women to be His disciples. They gladly left all to follow Him, some at greater cost than others, but gladly and willingly. The roll call was answered by naming an Indian missionary and telling something of their work. Mrs. Warno gave a reading on Stewardship, stressing we invest all our activities in a way pleasing to God. Mrs. Kirkwood told of a televised interview of Dr. Frank Laubach of "Each one Teach One" fame, and who invented the simple alphabet by which many of the illiterate people of the world are learning to read. The new study book on Canadian mission work among newcomers and Indians telling of educational activities, medical services and Evangelization. A letter was read from Miss Florence Fee who is in-charge of two congregations near Orillia, one of which is Indian.

We wish to congratulate Janice Baker on her scholastic records and wish her every success in her university career.

Farmers are busy these days filling silos and preparing for winter. Congratulations also to Mrs. F. Smith and Muriel Hills on the success they achieved at Georgetown fair with their exhibits.

See our display of Christmas cards for a full selection. Drop in at our Main Street office.
