

CLUB MIDTOWN

Well, we pulled another boo-boo. We said that we would announce the time and place of the monthly meetings of C.M. With typical bungling stupidity we forgot to put it in last week and by the time you read this it will all be over. Anyway, we hope some of the kids went and voiced their opinions (if they did, we may not be here next week).

Due to increased attendance at the dances, it has become necessary to find a larger hall, so, commencing Friday night, C.M. will meet at the Rose Room above the Georgetown area.

At this time we would like to extend our appreciation to the Odd Fellows for their kindness, tolerance and cooperation during the past 10 months for the use of their hall and facilities. The new membership cards are in the process of being printed, and will be available shortly. It is hoped that

there will be great demand for them. There is also a possibility that admission prices will be raised due to increased costs and presidential graft. That morbid business will be discussed and tossed around at the meeting on Tuesday. (That's last Tuesday, remember?)

It has also been brought to our attention that N.T.W. is rapidly approaching. N.T.W., as you recall, stands for National Twirp Week, and Twirp stands for "The Woman Is Requested to Pay," as in the fine old Roman days. Drawing on our fine historical knowledge, we find that N.T.W. actually originated in Outer Mongolia and was brought to Rome by Attila the Hun some years ago. Getting back to the present, we realize that the female factor of Club Midtown will point out that we had a N.T.W. last February, and, being an annual affair, we shouldn't have another until next February. However, the new management has invented a nine month year, thus making February obsolete.

extending November from October 31 to St. Igor's day in March. So naturally, due to intelligent reasoning, it is nearly time for N.T.W. (More incomprehensible reasoning on the same subject next week). In the meantime, to coin a pun, a word to the wives is sufficient. (Yeah, sufficient to start a fight.)

Before we go completely squirrely, we shall retire. Beneath our damp rock until next Friday night, when we hope to see you all at the Rose Room.

LEGION NOTES

The Legion Notes will be very brief this week, but very important to all Legion members.

Sunday at 12:00 p.m. not later than 12:15 p.m. it is hoped that every member will fall in on parade on this most important of all days. There is surely no reason why each member of the Branch can not take the time to appear on the Remembrance Day parade. It will be appreciated by everyone.

Arrangements have been completed for the ceremony, which takes place at the cenotaph at 12:00. It is expected that this year there will be large number of citizens at the cenotaph, as the service falls right after the memorial services being held in each church.

The marshal of the parade will be Henry Sheppard, MBE, and it is expected that all three local bands, the Lorne Scott, Girls Pipe Band and the newly organized boys band will be on hand, as well as various other organizations who yearly take their part in the service. Major Paul Barber and local Company C will be out in full force, as will the High School cadets.

Let's see every member present and on time for the parade. Coffee will be served later to keep out the chill November cold.

ST. JOHN'S GUILD HOLD ANNUAL BAZAAR

Happy birthday to Dan McClean whose ninth birthday will be next Tuesday, November 15th.

Visitors with Mr. and Mrs. Cecil Smith over the week end were Mrs. W. Huffman, Michael, Butch and Ivan of Toronto.

St. John's Guild held their annual bazaar, bake sale and afternoon tea in the township hall last Saturday afternoon with a good attendance. The fancy work and useful gift articles were all beautifully made and will be lovely Christmas gifts wherever they go. In the draw for a tray, Mrs. Canham was the winner and Mrs. Emalie was the winner of a lovely quilt. We were pleased to welcome Mrs. John Bird recovered from her recent illness and able to visit the bazaar.

NOVEMBER STRAWBERRIES SHOULD SET A RECORD

People passing the Herald office window last week end were amazed to see a box of beautiful red strawberries.

They were from the garden of Miss Dorothy Stone, Check Line, who verifies that they were picked on the of the everbearing variety, with which morning of November 3rd. They were Miss Stone has had remarkable success, picking dozens of boxes this fall and after enjoying them all summer as well.

WALTER GRAY'S COTTON PLANT PRODUCES CROP

Some time ago, a feature of great interest in the Herald office show window was a cotton plant in bloom.

The plant has been carefully nurtured by Walter Gray who brought the seeds home to 6 Church Street from Florida last spring, planted them in specially prepared earth and watched the plants mature.

The flowers bloomed while the plant was on public view, then developed a seed pod which Mr. Gray took home to watch over. The pod has now produced the actual cotton, and it is now on view again in the Herald window.

Three Servicemen Home from Germany

Cfn. Bud Hardman arrived back home on Saturday morning after serving for two years at Soest, Germany, with the RCEME, Lord Strathcona Horse (R.C.) Cfn. Hardman, who is the son of Mr. and Mrs. Bob Hardman of Normandy Blvd. will be spending a month's leave at home before leaving for his new posting at Vancouver, B.C.

A former Georgetown boy, Pte. Wayne Gribbens, who has been serving in Germany with the PFCCL, has also arrived home for a leave which he is spending with his parents, Mr. and Mrs. Pat Gribbens in Lindsay. He visited with Mr. and Mrs. Hardman a couple of weeks ago, to give them the latest news about their son, Cfn. Bud Hardman.

Another local boy, Pte. Lionel Hazell, son of Mr. and Mrs. Victor Hazell near Norval, has just arrived home from Germany, where he spent two years serving with the 1st Brigade of the Princess Pat Regiment. Pte. Hazell is a member of the army service corps. After his 30 day leave, he will be posted to Calgary, Alberta. Mr. and Mrs. Hazell also have another son, Cpl. Arnold Hazell, who is stationed out west, in British Columbia. Cpl. Hazell is with the Queen's Own Regiment, and just returned to Canada this summer after serving in Korea for a year.

Big Euchre Party For Swim Pool Fund

The Esqueing Agricultural Society, who sponsor Georgetown Fall Fair, are holding a bang up euchre party at Esqueing Hall on Friday evening next, with net proceeds going towards the Georgetown and District Swimming Pool fund.

There are many valuable prizes being offered for euchre prizes, donated by district businessmen. There will also be a lucky draw.

So come one, and all, and help boost the Swim Pool fund. Admission is 50c, but if you care to donate more, it will be quite acceptable.

This stake is TOUGH!

The stakes surveyors use to mark land boundaries have a way of disappearing—and that can mean a whole survey has to be done over again. But now there's a new all-aluminum stake that is tough for time and weather and playful animals to handle. It won't rust, rot or weaken. And two barbs open out at right angles, underground, to prevent its being rooted out by even the most muscular bear. It's a Canadian invention, made of Canadian aluminum, by a Canadian company, to meet a typically Canadian problem.

PETTY THEIEVRY AS TWO YARPS MISSING

Similar thefts in different sections of town occurred last week, when police were informed of the disappearance of large tarpaulins, one from the Deirex housing subdivision, and one owned by Milne and Nichols, swimming pool contractors.
