Coffee Hour Welcomes Newcomers to Church
St. George's AYPA inaugurated something new at the Anglican church on Sunday morning, when they served coffee to the congregation after the service. Ross Norton was in charge.

The coffee hour is particularly designed for visitors and recent arrivals to town, who can thus enjoy a chat with church people as well as an opportunity to meet the rector, Rev. Kenneth Richardson, Churchwardens Harry Savings and Edwin Wilson, and Sunday School superintendent Harvey Dewhurst were also present to meet new families.

The coffee committee will continue to function on future Sundays, according to AYPA president Ian Wallace. Other group activities planned include a corporate communion and breakfast next Sunday, and a dance on November 19th for which Brock Bradley is chairman.

CAR STRIKES DEER ON TOWN STREET
That deer are plentiful in the district is evident from the experience of Harold Henderson, who was driving out of town toward Acton early Sunday evening.

Mr. Henderson's car was just rounding the bend on No. 7 Highway at the 'Moore farm' when it struck a large buck deer. The animal was injured, but was able to make a getaway on three legs, in the direction of . . .

News Notes from the Wigglesworth School

Kindergarten
Mrs. Ellsborough, Teacher
On Monday the children brought Halloween costumes and after games in their own rooms, paid a visit to all the other grades in the school singing a Halloween song for the children and showing off their costumes. The remainder of the week was in a more serious mood — report cards go home on Monday. We welcome newcomer Donald Bodin from Manitoba.

Grade 1
Miss Jean Ruddell, teacher
We all received a poppy to wear. We remember the soldiers who are sick and those who died. We made pictures on Halloween. A dog came into our room one day. All our boys and girls were at school on Friday afternoon.

Grade 1
Miss Menary, teacher
About noon on Monday little ghosts, skeletons, witches, etc., from the kindergarten paid us a visit. We are sorry that some of the children have been sick these past few days. Everyone in our room wore a poppy Friday afternoon. Two dollars and thirty-nine cents was donated for Poppy Day.

Grade 2
Mrs. Ted Fenning, teacher
We all had fun on Halloween night. The people were very good to us. We have our new sidewalks finished now. We are trying to stay off the grass and on the edge of the road.

Grade 3
Miss Moffatt, teacher
Elizabeth Hay has moved to her new home on Albert Street. Janice Ward's father is suffering from polio. Peter Barfoot will spend the weekend in Guelph with his uncle. Joel Tost is going to Hamilton on Sunday. Several boys and girls have gone shopping for new winter clothes for outdoors.

Grade 4
Miss Hall, teacher
On Friday we totalled and averaged our examination marks. There were many surprises. Some folks became very happy while others resolved to do better next time. At our first Red Cross meeting last Monday, October 31, we played Halloween games after the business session. This week we welcomed three new pupils, Edwina Smith came from Weston, David Fleck from Thistleton, and John Mapleson from North York. Grade 4 now has an enrolment of forty.

Grade 6
Mrs. Gwizdala, teacher
There were moans and groans this week because we were having our examinations. The groans have stopped because we have finished them. We are preparing our speeches for the speaking contest and we have some very good essays written. On Friday poppies were given out by the Canadian Legion in remembrance of soldiers who were killed in the 1st, 2nd and Korean Wars.

Grade 7
Mr. Catling, teacher
Our teacher was sick, he was away for two days. Mrs. Carson substituted for him. Today we finished our fall term tests. We also received poppies from the Legion. We got out early today for good attendance for the month of October with an attendance of over 97 per cent. Joanne Duncan brought a tin of nails and a bracket fungus for us to study. We hope that the theatre night was successful since our room worked hard at selling the tickets.

Grade 8
Mr. Kinrade, Teacher
On Friday, October 28th at 7 p.m. we had a Halloween party at school. No costumes were worn but a delightful programme was put on by people of the class. Then came the eats which everyone had been waiting for. At a quarter to nine everyone went home filled to the ears with food.

ST. ALBAN'S GUILD HOLD EUCHRE PARTIES
The first in a series of Saturday night euchre parties was held in St. Alban's parish hall, Glen Williams, last week. The Ladies Guild of the church is sponsoring the parties as one of their fund-raising activities. Mrs. Frank Robinson, 101, and Mrs. English, 94, won prizes with high scores, while consolation prizes went to Mr. and Mrs. Gordon Hills. Ted Appleyard won the door prize.

Halton Men-Teachers Meet at Estaminet

Sixty-five members of the Halton County branch of the Ontario Public School Men Teachers' Federation held a dinner meeting at the Estaminet in Burlington on Wednesday, November 2nd. After dinner, Mr. J. Braidwood, Oakville showed a one and a half hour colored film of his sailing trip around the world and recounted the story of his eighteen month journey with the twenty other crew members in "The

Brigantine Yankee" out of Gloucester, Mass. They travelled 41,000 miles and crossed three oceans, stopped at many seldom visited islands, stopped at one hundred and thirty ports, most of them out of the way, off the regular tourist routes.

President A. A. Balfour, Oakville, was in charge of the meeting and during the business, R. Hopkins, Bronte and M. Mayes, Burlington, were appointed delegates to the Provincial Assembly to be held in Toronto during the Christmas vacation. M. Ache-

son, N. Stevenson, Burlington, and A. A. Balfour were chosen as representatives to District 13 council. The next meeting will be held in January.

LAC Ronald L. King, formerly of Nassagaweya and now with his shore squadron at Comox, B.C., visited over the week-ends with his mother Mrs. J. A. Bréchu of R. R. 2, Georgetown. He was taking a three week training course at North Bay.

MAKING LOANS

is part of our everyday business

Lending money for many different purposes is a major function of the Royal Bank, so it is only natural to come to us when you wish to borrow. A loan from the "Royal" usually costs less . . . sometimes substantially less . . . than one from other types of lending institutions.

The maximum rate of interest on Personal Loans, for instance, is 6% on the unpaid balance. You do not have to be a depositor to borrow from the Royal Bank. We often make loans to people who have had no previous dealings with us.

Table shows how little it costs to arrange a Personal Loan from the Royal Bank:

WHEN YOU BORROW	FOR	YOU PAY FOR THE LOAN	THE LOAN COSTS YOU	EACH MONTH YOU REPAY
\$25	6 Months	\$ 24.50	\$.50*	\$ 4.17
	12 Months	24.21	.79	2.09
\$50	6 Months	\$ 49.14	\$.86	\$ 8.34
	12 Months	48.42	1.58	4.17
	18 Months	47.73	2.27	2.78
\$100	6 Months	\$ 98.28	\$ 1.72	\$16.67
	12 Months	96.85	3.15	8.34
	18 Months	95.46	4.54	5.56
	24 Months	94.11	5.89	4.17
\$200	6 Months	\$196.56	\$ 3.44	\$33.34
	12 Months	193.70	6.30	16.67
	18 Months	190.93	9.07	11.12
	24 Months	188.23	11.77	8.34

*Monthly payments calculated to nearest cent.

Other types of loans, of particular interest to individuals, are available through the Royal Bank at very reasonable rates.

FARM IMPROVEMENT LOANS, at rates even lower than shown above — to purchase implements and equipment; to finance fencing and drainage systems; to construct a new farm home, or other buildings on the farm; to repair, alter, extend, or otherwise improve any existing farm building; and for many other constructive purposes.

N.H.A. MORTGAGE LOANS, to finance new home construction in urban areas.

HOME IMPROVEMENT LOANS to repair, alter or extend existing homes in urban areas.
