**LEGION NOTES**

by Les Clark

Just thirty one more days until Christmas! My, how time flies, especially when you belong to a busy branch like 120. It seems to us that last week-end (the one with the Remembrance Supper and Armistice Day service) was one of the busiest we've had in a good many days. And incidentally, we think that the members could not have found anything nicer than the entire week-end, from stand-points of not only the good time and good feeling at the dinner, to the very wonderful weather and attendance at Sunday's service. Those in charge, namely the president and his committee, deserve a big hand.

We were happy to see the chaplain, Rev. Kenneth Richardson, marching in the parade. The presence of a chaplain in the parade, must have reminded all those present, as well as those at the centenary of the underlying meaning of the observance of this day. At times, we think everyone is inclined to forget the true significance of the day, when they are marching men colours, and bands. We do think too, that it was a fine gesture on the part of the ministerial association in being on hand in such great strength. Certainly, this year no one could say that those who had paid the supreme sacrifice were forgotten in Georgetown. We do think that the new time was in a large measure responsible for the great crowd, and hope that it will continue each year, until finally some Government will take action that is so long overdue and so necessary, namely proclaim a national day of observance for Remembrance Day, and see that it is properly held at the proper time. After all, Christmas is not observed a few days late, why should Remembrance Day be? But the problem can only be solved on a Dominion-wide scale.

We have been asked, incidentally, who was responsible for the drapes on the windows to match those on the stage covering the memorial plaque. Well it's no secret that it was the ladies of the W.A. who purchased them, and also the ladies are responsible for the purchase of a number of extensions for the banquet hall... and we believe that with the new table extensions, three hundred could

be seated in the hall quite nicely. It certainly shows that the ladies have the good of the branch at heart, to do these two things. Thanks, Ladies.

The Christmas Tree is fast approaching, and once more Charlie Day and his committee of Jim Murphy and Bob Collier ask that tickets be turned in as soon as possible. Please cooperate and give the boys a real hand. We understand everything has been laid on for this year's tree, and that it will not only be the biggest, but the best ever. Charlie and the boys are really doing a job on it, so how about giving them a hand when they ask for it. Sell those books of ticket you have, and turn the stubs in as soon as possible. Remember the date... Thursday evening, December 22nd at 7 p.m. in the Legion auditorium. Charlie asks for any volunteers to help to get in touch with him.

How about the members showing their approval of what has been going on around the branch by being on hand tomorrow night for the meeting? There is considerable business coming up, and it's your duty, as well as to your advantage, to be present to help make decisions regarding the spending of your money. We believe that the spate toward the meetings merely reflects the general satisfaction of the conduct of the branch by the president and executive, however you should attend if for no other reason than to show the officers your interest. After all you can really be on hand for such affairs as the Remembrance Supper and parade, why not for your meeting as well? Thursday will be the first meeting where your newly donated memorial plaque will be used, and that, in itself, is well worth coming to see. With the room in darkness, and only the plaque illuminated, it is indeed an impressive sight. Try to be on hand, comrades.

Darts and cribbage are really once more in the limelight with the boys using the dart room on Wednesday nights and the television room for 'crib' on Saturday afternoon. The attendance is as good as could be asked for. Dutch McCartney is the chairman and Perc Chaplin secretary.

There's been talk of a zone hockey playoff this winter, with each team playing two games. This should be right up Georgetown's alley, what with our membership in hockey ranks in town. Could always get a coach and manager in Scotty and Ken. Of course as Scotty says, he couldn't play any more himself, now that he's fat and forty! (Don't say it John, after all you DID make the front page last week, didn't you?)

May we say a word about retiring zone commander Hugh Lamb, and his secretary Truwell Robinson. They have both tried to do a conscientious job for the zone and deserve a great deal of credit for the time spent at it. We're always glad to see them in the Branch, and look forward to seeing them soon. We just heard that Robbie, or the 'major' as he is also known, has been under the weather, and we hope he soon will be around again.

Many branch members tell us of seeing the TV re-showing of Queen Elizabeth's memorial day message to the Commonwealth, also that made by Lord Mountbatten. It is said to have been quite good.

We just received some propaganda from Dominion headquarters about the Legionary, and, while we realize that mentioning the Legionary just know around Branch 120, is about as smart as bringing in a dog with hydrophobia, yet we do think there was merit in the article. They evidently have big plans to completely revamp the magazine, from cover to cover, and make into a modern real go-getter. Now as any of you know, who have read it, that is going to be some chore, but we wish them all the luck in the world. Certainly, a magazine that hasn't changed its ideas or policies since its inception, could do with some changes, but with the increased circulation and the resultant increase in national advertising, there is no reason why it can't be made into a magazine we can all enjoy and like, even if we did have to accept it a little arbitrarily. We'll soon know, anyway!

The zone meeting was held in Oakville last Sunday with a good attendance from Branch 120. The election of officers was held resulting in the election of Les Clark as the new zone commander.

**MIRIAM GRACE NOW LIVING IN FLORIDA**

One young lady from Georgetown won't be worrying about the cold this winter. On October 20th, Miriam Grace, daughter of Mr. and Mrs. Dick Grace, Queen Street, left by plane for West Palm Beach, Florida, for an extended visit. Miriam is staying with another Georgetown girl, Fran Pries, who went to Florida several months ago.

Before leaving Miriam was given a personal shower and several gifts from friends. The office staff at Smith and Stone had a presentation and also the girls of the Pipe Band.

**McMILLAN HORSES DO WELL AT THE ROYAL**

Mr. and Mrs. Ken McMillan had excellent luck at the Royal Winter Fair. The McMillan stable, Argill Maclean, Argill Myrtle and Nork Elegance were placed second in the collection of three horses. The McMillans placed first in the tandem class, and Mrs. McMillan was second in a hotly contested section for ladies' phaeton. They also placed 3rd in gig and 4th in pairs and ladies phaeton pairs.

WHEN IT COMES TO TRAVELING—by telephone wire that is—you'll go far to match the accumulated record of the five Martin sisters of Montreal. Reading from left to right, Marguerite, Raymonde, Lillian, Yolande, and Huguette, all work at the Bell Telephone Company of Canada. They share a mutual interest in providing fast, courteous Long Distance Service to thousands of telephone customers. Marguerite, an assistant chief operator, was the first to join the company, ten years

ago. She must have said some nice things to her sisters about the Bell Huguette, the youngest, completed the quintette just over a year ago. We like having more than one member of a family sharing in telephone work. It says more forcefully than we ever could that "The Bell is a good place to work." We think, too, that as long as we have employees like the Martin sisters, you'll have the kind of telephone service we want you to have always.
