News Notes From Wrigglesworth School

Miscellaneous

Mrs. Bilborough, teacher
The most important item this week was "open house." Many thanks to parents who braved the wind and cold to be with us, we hope all had a pleasant visit. Our class is growing every day. We welcome newcomers Shirley Jessop, Scott Cowell, Richter Volker, and hope they will be happy with us.

Grade 3

Mrs. Frank Clave, teacher
We have made houses cars, trucks and people for the bulletin board. Room 6 had lots of visitors this week. On Wednesday night our fathers and mothers came to see our work. Mr. McParlane was here and told us a story on Friday morning. Our other guest liked us so much we had to push him out and close the door. It was Michael Tyler's dog, Sandy.

Grade 3

Miss McIride, teacher
Wednesday night was open house and we put paper weavings and Dutch pictures on the bulletin board. We put our names on our desks and we put out a sample of our writing. We welcome Carolyn Cowell from London and Elizabeth Fleck from Thistletown. We hope that Barbara Markham and Danny MacGillivray who are absent will soon be back.

Grade 7

Mr. Catling, teacher
Today we had our first Red Cross meeting. Grade 7 were guests of Grade 8. This Wednesday was open house at the school. One day this week Judy Richardson and Sandra Lloyd sang at the Kiwanis Music Festival in Guelph. Sandra and another girl sang a duet which gave them second place. Last Sunday the choir sang at the United Church and were very successful. Courtesy of Eric Pearce and Jenny Tenhagen, we started some plants from cuttings indoors. Our class made masks which turned out successfully and are completed. Peter Fortgrave from our class, came first in the Public Speaking competition at Milton. Peter will represent North Halton against South Halton on Nov. 24th in Milton.

Showers, Presentation For Kathleen Cox

Mrs. Jack King held a shower at the home of Mrs. Thomas Warren, Mrs. Norman McDonald entertained at a shower and Mrs. Si Elliott also held a shower for her niece. Mrs. Jack Mino, Brampton, gave a miscellaneous shower, Mrs. J. C. McCauley of Huttonville a cup and saucer shower, and Mrs. Bill Wilkinson also held a shower.

Notes Improvement In Dental Health

The Terra Cotta Women's Institute held their monthly meeting at the home of Mrs. George Fraser. After the opening with the Ode and a short general business meeting Mrs. Lloyd Crichton gave a talk on the topic "Health." Dr. Lawrence, a member of the Halton County Health Unit, Dental Branch, examined the teeth of the pre-school children. After the examination he talked to the members on the importance of dental health in children and stated that there had been a marked improvement in the short time the Dental Branch of the Unit had been functioning.

Mrs. Jack McDonald gave her report of the Area Convention which had been held in Toronto. Mrs. Herb Dolson gave a Remembrance Day reading.

The assistant hostesses were Mrs. Owens Macdonald, Mrs. Jack McDonald, Mrs. Donald Clark, Mrs. Fred Sharpe. A social hour was enjoyed at the close of the meeting.
