**Milton School Filled  
For Annual 4-H Awards**

Halton's third annual 4-H Awards Night again proved to be a popular event, taxing the capacity of the Milton high school auditorium to the full.

Add Woodley, president of the Halton 4-H Club Leaders' Association, was chairman for the evening. Guest speaker was Miss Ethel Chapman, a native of Halton County; author, lecturer and widely known for her work with agricultural organizations, who was introduced by Mrs. Mabel Borgstrom, home economist for Halton Peel and York counties.

While Miss Chapman was addressing the 4-H members, their parents, friends and donors of prizes — she spoke particularly to the 4-H members. It is our opinion that her advice and philosophy will long be remembered by everyone present. Lynne Coulter, a member of the Halton 4-H Club and Swine Clubs, thanked Miss Chapman on behalf of all present.

The next highlight of the evening was the presentation of 4-H pins to the 82 girls and boys who completed their first 4-H Project in 1955. The gathering was honoured to have reeve A. K. Service make this presentation.

Howard Armstrong, president of the Halton Agricultural Society, presented cheques to the winners of the inter-club showmanship classes at Milton Fair, the winners being: Juniors, Bob Merry, Don Moffat, Lorna Woodley, Mary Lawrence, Evelyn McKay, Seniors Tom Hunter, Bob Coxe, Eleanor Joyce, Duncan Campbell, Douglas Campbell.

John W. Pickett-club leader of the Halton 4-H Grain Club, assisted by Maurice Beaty, vice president of the Halton Soil and Crop Improvement Association, made the awards to the 4-H Grain Club members Merle Gunby, president of the club, was the winner.

Presentations of prizes to the Normal 4-H tractor club were made by leaders Earl and Herb Wilson. Bill Wilson, president of this club, was the winner.

Club president Lynne Coulter, assisted by Mrs. George Headhead, secretary of the Halton Agricultural Society, awarded the prizes to members of the Halton Beef and Dual Purpose 4-H Club. Don Moffat was in first place in this club, and is the first recipient of the Katherine Merry trophy.

Robert Coxe who won first prize with his steer at Milton fair, received a beautiful tray from James McKay, Grant Campbell, president of the Ontario Shorthorn Club, presented automatic pencils to all members who exhibited Shorthorn calves.

Members of the Jersey - Guernsey Calf Club received a great many special prizes, which were acknowledged on their behalf by Ken Ella. Nora Beaty received the Chestnut Jersey Farm trophy, and a True Type Jersey cow model from Mac Alexander, club leader, and president of the Halton Jersey Breeders Club.

George Greenlee was awarded the Walter Duffray trophy, as the top member of the Guernsey section.

Presentation of prizes to the largest club, namely the 4-H Holstein Calf Club, was supervised by Walter Royle. Mary Lawrence was the big winner, receiving the president's Cow, from Geo. Pelletier, president of Halton Holstein Breeders Club, the Walter Duffray trophy, and a book on the History and Development of the Holstein Breed.

Club leaders Keith Merry and Angus McNabb, and members of their 4-H Swine Club received special prizes. Following the presentation of the prize cheques by Howard Armstrong, George Greenlee, winner of the club received the A. E. Service and the Halton Hog Producers' Special prize of \$15.00 from Mr. Service.

Agricultural Representative J. E. Whitlock then presented a new 4-H trophy to the 4-H Swine Club, crowning it the "Premier 4-H Club" in Halton County for 1955. Mr. Whitlock congratulated the club on having 100 per cent completion of the project, and 96 per cent attendance at meetings. It is hoped that this trophy will stimulate competition among the 1956 4-H Clubs to strive for every member completing a project, and every member present at every meeting.

Art Bennett, presented 4-H Club Leaders' Pins to new leaders, Angus McNabb, Blair Armstrong, Herb Wilson, Earl Wilson, Tom Foster, and George Swain, as a small token of appreciation for their valuable assistance to the Halton 4-H programme. All other leaders received the same small recognition at last year's Awards Night.

Throughout the course of the programme eight winners of the Kingsway Kiwanis Specials — a free week's short course at OAC — were introduced — Bill Wilson, Harvey Fell, Geo. Greenlee, Bill Robinson, Tom Hunter, George Hume, Bob Coxe, and Bob Crawford. All members welcomed a delegation of Kiwanians, which was headed by Bob Evans, chairman of their committee on Agriculture.

Merle Gunby, a member of the Halton 4-H Grain and Potato Clubs, thanked individual and organizations who sponsored clubs and provided prizes, trophies, etc., as well as leaders, parents, and friends, for their assistance. Lunch and a social hour concluded a very full programme.

**"DO NOT JUDGE FROM  
MERE APPEARANCES"**

(Author's name below)

The average cost of a prescription is just about the charge for a good meal. This is a tribute to the pharmaceutical industry that spends millions on research yet keeps ultimate costs so low.

Some medicines appear to be expensive. Judging by appearances a dozen capsules may not seem to be worth as much as six dollars. Your physician knows their higher cost and true value. When he prescribes them for you he knows that your eventual cost will be much lower because they will do you more good in less time. Trust his judgment. We will cooperate by pricing them fairly.
