### Mr. and Mrs. Ed Harris Celebrate Golden Wedding

Residents of town and district for most of their married life, Mr. and Mrs. Ed Harris celebrated their golden wedding anniversary yesterday. On Saturday, their daughter, Mrs. Harvey Lusty, with whom they make their home, entertained in their honour at 41 Ontario Street. Guests who called during the afternoon and evening included Sybil Bennett, QC, MP, Stan Hall, MPP and Mrs. Hall, and several from out-of-town points such as Toronto, Aurora and Port Credit. Another daughter, Mrs. Edward Hodge, and daughters-in-law Mrs. Ken Harris and Mrs. Bob Harris assisted in serving refreshments as well as granddaughters Mrs. George Greig, Barbara Lusty and Jo-Ann Hodge. An

interesting feature of the photographs taken during the day was one of four generations, Mr. and Mrs. Harris, Mrs. Lusty, Mrs. Greig and baby Billy Greig.

Mrs. Harris wore a mauve faconne gown, with an orchid corsage sent by a neighbour, Allan Norton. The couple received many beautiful gifts as well as several lovely bouquets of flowers. The latter were particularly welcomed by Mr. Harris whose love of gardening is revealed in the beautiful gladioli which are always a feature of his garden.

Mr. and Mrs. Harris were married in Toronto. They have lived in Georgetown and district since he first came here to work on Dr. McCullough's farm. They later lived in Stewartown, then moved to town about sixteen years ago.

Besides their family of four children, they number eleven grandchildren and one great-grandson in the family circle.

#### SILVER-WOOD

#### INSTITUTE MEMBERS LEARN FIRST AID

Silver Wood Women's Institute members enjoyed demonstrations and a lecture given by Miss Grace Hamilton on "An Ounce of Prevention" on Thursday.

The session started at ten o'clock and in a most interesting and lively talk Miss Hamilton told of various accidents, how they were caused, and how to prevent them if possible. But if accidents do happen she gave us many ideas for the use of articles near at hand in the home, the use of many types of bandages and the use of simple remedies. She told of a simple home-made first aid kit to keep in one's car or truck which should contain some paper napkins, gauze, a triangle bandage, large safety pins and an antiseptic such as iodine in capsule form. The meeting was held at the home of Mrs. Ern Hatkin and a box lunch brought by all members and tea served.

In the afternoon more bandages were demonstrated when Miss Hamilton told of wounds - unwise which bleed freely, lacerated where the flesh is torn and bruised, and punctured, caused by a sharp pointed object. Treatment for shock is most important. Remedies for other emergencies were discussed, many examples given and interesting stories told of her work, particularly in the north country in connection with extension services. Removal of splinters were shown, the proper way to make a mustard poultice and the treatment of various types of burns, in which an abrasive type of wound is also included.

Many questions were answered and all benefitted greatly by this helpful afternoon. In the absence of the president, Mrs. Marchington, Mrs. W. R. Norton, the vice president, thanked Miss Hamilton for the pleasant day.

#### Helen Ritchie Quilt Winner at Bazaar

On Saturday afternoon the Rebekahs held their annual Christmas bazaar. In spite of very bad weather the day was a success with all the booths decorated and their goods looking festive.

Mrs. Harry Bailey was in charge of the sewing booth where they had over a hundred aprons, of every description. Mrs. Jack Davidson looked after the home baking table; Mrs. Gordon King the novelty booth; Mrs. Alf Collins the Touch and Take; Mrs. Alex Korzak the candy; and Mrs. Bill Reid the pantry shelf booths.

Mrs. Frank Robinson was in charge of the tea room which was beautifully decorated and when they served a very dainty, enjoyable afternoon tea. Miss Helen Ritchie was the lucky winner of the quilt.

On display was the Santa, five reindeer and sleigh on which tickets are being sold.
