

A RECORD OF MY 4 YEARS IN OFFICE

- Advocated and worked for a garbage disposal system to eliminate the open park dump. This method has proven successful and valuable land has been reclaimed at our sewage disposal property.
- Advocated and worked for a municipally controlled police force, who are jether able to carry out the wishes of the electors.
- Advocated and worked for the hiring of a town engineer to scientifically lay out and direct the development of our fast growing town. This move has saved the town money in engineering fees.
- Advocated and worked for a program of permanent type street paving to eliminate the costly maintenance and dusty condition of gravelled roads.
- Advocated and worked for a program of sidewalk replacement.
- Advocate a municipally operated garbage collection system for better control of this important service.
- Advocate enforcement of building by-laws for the protection of home buyers, and rigid control of housing developments to prevent costly drainage and street maintenance problems in the future.

For a continuation of a policy of the best possible services of the lowest possible cost

Firemen's Auxiliary Have Euchre Party

Miss Florrie Alcott, Mrs. J. C. Stoddard and Mrs. Jack Toat, won first, second and third prizes respectively at the euchre held in the fire hall on Friday evening, November 29th, by the ladies of the W.A. of the Fire Brigade. Mrs. Erwin Lewis, Mrs. Jack Cunningham and Mrs. Bob Bonfield were the committee in charge. Mrs. R. Waldie won the prize for lone hands, and Mrs. Bill Hillier the consolation prize. The prizes were awarded after refreshments had been served.
