FARM NEWS

George Readhead New President of Plowmen

Another successful year in the history of the Halton Plowmen's Association was brought to completion on Friday evening. It was the occasion of the association's annual meeting, which was presided over by J. Spencer Wilson, who has been president of the Halton association for the past two years.

Secretary J. E. Whitelock's report revealed that the junior match held on the Harvey Nurse farm in early September brought out the largest entry in some years. The same was true at the senior match held on the J. J. Thistlewaite farm in late October. Here a total of sixty ridges were turned. Some interesting pictures in colour, taken at the two events, plus a film entitled "Romance of Two Hemispheres" rounded out an interesting evening's programme. The election of officers for the coming year resulted as follows:

President, George E. Readhead; 1st vice president, Leonard Lister; 2nd vice president, Clebert McEwen; secretary, J. E. Whitelock.

DIRECTORS
Esquimaux, Roy Currie, J. C. Cunningham, R. A. Neilson, Stanley May, Associates, Clifford Wrigglesworth, Lloyd Fisher, Tom Hunter.

Trafalgar, J. C. Marshall, J. W. Picket, Lloyd May, Thos. Howden, Associates, Frank Hall, Keith Merry, George Hall.

Nelson, J. H. Taylor, Roy Ellenton, J. E. Ellenton, Glen Campbell, Associates, Erwin Gunby, Hugh Warmington, Fred Agnew.

Nasagaweya, J. R. McPhail, Robert Hurren, Ross Gordon, George Swann, Associates, J. L. Chisholm, Jack Turner, Harold Ferguson.

Honorary Directors, Stanley L. Hall, H. Picket, Victor Hall, J. A. Dixon, C. E. Picket, E. R. Segsworth, W. E. Bracken, J. A. Elliott, W. J. Robertson, J. P. McArthur, W. H. Robinson, J. T. McNabb.

Catholic Women's League Entertains Children

On Saturday, December 10th, the Catholic Women's League, entertained the children of the parish at a Christmas Party. The group entertained on Saturday were all the little ones up to and including six year olds. Altogether the ladies entertained thirty mothers and eighty four children.

Santa Claus was there, of course, looking very jovial and fit. He presented each child with a Christmas package of candy and novelties.

On Monday evening the older group were entertained by the same ladies to supper and a film program. Each youngster received a present too, the girls strings of pearls and the boys flashlights.

The ladies convening these parties for the Catholic Women's League were Mrs. George Hewson, Mrs. P. Drenters, Mrs. Fred Tucker, Mrs. R. Hawes and Mrs. Fred Masterman.

CLUB MIDTOWN

by George

Working on the theory of "Out of sight, out of mind," we thought we'd better return before we were written off as a memory. So, after a fortnight's absence (roughly two weeks) we have returned to bring you up to date on the happenings at C.M.

The monthly exec meeting was held last Tuesday evening at the home of Miss Donna Bennett, with approximately half of the members attending. Little of importance was accomplished (AI was there), but we did agree vaguely on a few subjects.

First of all, plans were made for the float for Santa Claus parade this Saturday. We won't tell what it's going to be, so that you will all be sure to attend out of sheer curiosity. A key to the characters will be printed next week.

Secondly it was suggested that C.M. have a formal or semi-formal sometime in February. (We notice that GHS has a similar idea.)

The third suggestion was to hold a tobogganing party some Sunday afternoon (rather than Friday night for safety's sake — safety can't get out on Friday, but she can on Sunday.) No specific date has been set for this event.

We have a little note here that concerns the executive members. There seems to be some confusion over the duties and tasks to be performed at the dances. The records committee seems to run smoothly and the door presents no special problem, but when it comes to checking coats! Everybody pulls a Houdini act and leaves some character behind the counter for thirty or forty minutes at a stretch. The way we see it, there are roughly ten members, who, if each were to take two fifteen minute shifts would solve the problem for the night. All we need is a schedule. Right?

We'll fade out here and leave room for something on this page. See you at C.M. Friday night. And remember, there are only 124 shopping days until May 28th, 1956.

—No trouble buying Christmas trees this year in Georgetown. Consult the classified ads.

CHRISTMAS

Gift Suggestions

Super-Cycle TRICYCLES and SIDEWALK BIKES
