Mackenzie News

A good way to spend your Christmas bonus would be on something for your home that would add to its appearance and you would enjoy for years to come.

Steel bathroom cabinets with plate mirrors that can be set either into the wall or hung on it, cost from \$17.95 to \$22.00. A new combination door with hardware in pine would cost \$20.80 — in aluminum the cost would be from \$39.75 to \$55.00. A new counter top for a cupboard 8 ft. long would cost \$11.40 in arborite and \$4.80 in Sandran Vinyl.

See you at the Santa Claus parade. Let's hope he's on time this year so we aren't frozen waiting on him.
