Bell Manager for 16 Years Walter O. Misener Retires

Lloyd G. Denby, of Toronto, has been appointed Bell Telephone manager at Brampton. He succeeds Walter O. Misener, who is retiring on pension after being manager here for the past 16 years. The appointment is effective January 18th.

Mr. Denby will also have jurisdiction over the company's offices in Georgetown and Streetsville. Born in Burford, near Brantford, Mr. Denby joined the Bell Company in Windsor in December, 1936. He worked with the Ingersoll telephone company from September, 1937, until April, 1942.

Following a leave of absence from April, 1942, until June, 1946, to serve with the Canadian army, he rejoined the Bell company in London, Ontario. He served both the company's sales force and in the business office in London before being promoted to the position of business office manager in March, 1952.

In March, the following year, he was transferred to Bell's Toronto area headquarters, where he was engaged in development work. Since January, 1955, he has further broadened his experience as "results" supervisor at the Toronto area headquarters, the position he leaves to assume his new duties in Brampton and the surrounding area.

Mr. Denby is married, and the father of three children. His chief hobbies are gardening and woodworking.

Mr. Misener, a native of Troy, Ont., began his telephone career as a stenographer with the Bell Company at Brantford, in January, 1910. In January, 1911, he was promoted to the position of chief clerk in the office of the district superintendent at Brantford. He was transferred to Hamilton in January, 1912 and to Toronto in October, 1914, and in both places was chief clerk to the District Superintendent, respectively.

In January, 1926, he was promoted to the position of manager for Owen Sound and surrounding territory. He was transferred to Brampton as manager in January, 1940.

Mr. Misener is a charter member of the Brampton Rotary Club and has a record of 21 years of 100 per cent attendance at the weekly meetings. He also belongs to the Brampton Chamber of Commerce. He is a member of the board of the Peel Memorial Hospital. His favourite hobbies are gardening and lawn bowling. He and Mrs. Misener, whose only son lives in Syracuse, N.Y., will continue to reside in Brampton, when he retires.

FARM NEWS

BLACK & WHITE BREEDERS ELECT BOB ALEXANDER AS PRESIDENT

J. E. W.

C. D. Graham, Ontario's popular deputy minister of agriculture, was the guest speaker at the thirtieth annual meeting of the Halton Holstein Club held at Palermo Community Hall on Wednesday of last week. Mr. Graham, who was introduced by J. E. Whitelock, presented a clear cut picture of Ontario and Canadian agriculture. The carryover of wheat, stated Mr. C. D. Graham, was 97 million bushels — the second largest in the history of Canada. The wheat situation effects Ontario agriculture in two ways — our elevators are filled with wheat and consequently, stated Mr. Graham, there is not half the usual amount of feed grain in place — furthermore Western farmers are going into hogs and poultry and will finish more beef cattle than normal in 1956.

In referring to butter, he reported that at the recent Dominion - Provincial Conference, all provinces had urged the continuance of the present floor of 58c. As dairy farmers of Ontario and Canada we should always plan to have a surplus of butter — in my opinion, added Mr. Graham, our surplus is not too great.

Halton Sales Also Up

Marty Heslop, Halton Holstein club sales agent, reported selling 213 head for a total of \$47,970. Included in his excellent report were both grade and purebred cattle and quite a large number of heifers and calves.

Sixteen Breeders Receive Recognition

A pleasing feature of the morning programme, was the presentation by John W. Powell, secretary of the Ontario Holstein Extension Committee, of some twenty eight certificates for long time production records. Breeders receiving these certificates were the following:

V. J. Archer; J. C. Bell and Son; H. C. Cooper; Dr. Paul Beer; A. G. Hunter; T. H. McGee; G. Leslie Peer and Son; F. O. Hunter; Tovell Bros.; W. W. Thompson; H. C. Reid; J. C. Reid; Ross Segs-

worth; M. T. Watson and Son.

Three Halton cows qualified for Silver Seal certificates — that is, they have each produced over 150,000 lbs. of milk during their lifetime. The top cow was Woodyglan Queen Nig that "Excellent" cow until recently owned by W. W. Thompson of Hornby. Old "Queen" according to Mr. Powell, has produced 173,285 lbs. of milk and 6578 lbs. B. F. Close behind is that great old cow of J. C. Bell and Son, "Sylvia Hartog, Sadie" whose lifetime production in ten lactations is 171,574 lbs. milk and 5793 lbs. B. F. "Sadie" recently freshened with another heifer calf and is away on another record. The third "Silver Seal" cow is Sylvia DePride bred and owned by Morley Watson — her lifetime production is 154,604 lbs. of milk.

President George Pelletterio who was the able chairman of the day and secretary John W. Picket, both were recipients of many comments of commendation for their work of the year. Mr. John Powell who was introduced by president Pelletterio stated that in 1955, 1,000 head of Holsteins had been exported to a total of 14 different countries — while the United States was the chief buyer. Columbia, South America, had purchased Holsteins in 1955 to a value of one million dollars. Mr. Powell stressed the importance of "Selective Registration" and presented a most interesting illustrated address on the subject. In view of the fact that we are selling one out of every four we register, selective registration will continue to play an increasing important part in the improvement of our breed, stated Mr. Powell.

A total of 17,000 head of Holsteins were classified in Canada in 1955. Halton, long recognized as one of the leading Holstein counties in the province, is lagging behind in this progressive work, with only 14 per cent of Halton Holstein breeders availing themselves of this service. G. Leslie Peer who expressed the appreciation of the gathering to the popular "Johnny" stated — "Your address has been one of the most valuable we have received since the club's inception in 1926."

D. S. Dunton, national director from Peel county, also spoke briefly, stressing the importance of blood testing. Seven states below the line now want nothing but listed cattle. Mr. Dunton stated, that in his opinion, the day is not far removed when we in this province will be on a test and slaughter programme for the eradication of Brucellosis, and suggested that we get our houses in order by concentrating on calfhood vaccination.

The election of officers for 1956 resulted as follows:

President, R. C. Alexander, Georgetown; 1st vice president, G. Leslie Peer, Milton; 2nd vice president, W. R. Royle, Oakville; secty. treasurer John W. Picket.

Directors: Kyle Bingham, T. H. McGee, J. W. Carney, J. C. Marshall, Lloyd Pickard, W. R. Tovell, Ralph Ford, Fred Bell, Brock Harris, J. H. Taylor, George Pelletterio Wm. Mahon and Murray Mahon.

All in all, it was a 'bang-up' meeting, and not a little of the credit goes to the "Holstein" ladies of the county, who again catered one of their famous dinners.

Captain J. J. Buckle Dies at 76, Headed Brampton Citizens Band

John James Buckle 76, former director of music for the Queen's Own Rifles of Canada, and of the Brampton Citizens' Band, died at Sunnybrook Hospital last week. Capt. Buckle had been in failing health since his retirement in 1945.

Born in Rutlandshire, England, he joined the British army in 1895 and served with the 2nd Battalion, Royal Sussex Regiment, in India, Crete and Malta before graduating from the Royal Military School of Music, Kneller Hall, England.

He was appointed bandmaster of the Queen's Royal Regiment, and under his baton his band was awarded top honours of all British army bands. He trained the regiment's soccer team which won the Army Cup in 1925, and served with this regiment during the First World War.

Capt. Buckle was a fine clarinet player. He was assistant professor at Kneller Hall, and had been a soloist with the Belfast Symphony Orchestra when stationed there.

He came to Toronto in 1928 as director of music for the Queen's Own Rifles of Canada. He was also bandmaster of the Brampton Citizens' Band for 15 years, winning the CNE trophy during his first four years as bandmaster.

He was leader of the Toronto Police band for a number of years, and served as member of the board of the Toronto Musicians Association.

He was a member of St. John's Anglican Church.

He leaves his wife, Maud McKnight, Buckle, at 452 Quebec Ave. a daughter, Eileen of New York, two sons James, with the RCAF stationed at Clinton Herald of Toronto, and one grandson, James Buckle.

More than 14,500 men and women, serving you in 851 branches throughout Canada and abroad, have helped the Royal Bank to achieve new records in another

**BIG
YEAR**

1955 again proved to be a big and busy year for Canada

And in the 851 branches of The Royal Bank of Canada—from Buenos Aires, Argentina, to Goose Bay, Labrador, from Paris, France, to Victoria, B.C., from Port Radium on the Arctic Circle to Havana, Cuba—the brisk economic pace was matched by increased calls on the services of Canada's largest bank.

At teller's wicket, at accountant's

desk, in manager's office, over 14,500 Royal Bank people were busy handling with speed and care the myriad banking needs of our fast-growing country.

As a result, The Royal Bank of Canada again this year established a number of new high marks, not only in its own history but in the history of Canadian banking.
