CLUB MIDTOWN

by George!!!

The time has come once more for us to appear on the literary scene lest we be forgotten.

Now, you may ask, why make it sound like such an effort to turn out a few lines of prose every week or two? Actually, it would be quite simple to scribe a short report, if we didn't have to stick to a given subject i.e. Club Midtown.

You see, the purpose of this column is to let you good folks in on the current past and predicted future, happenings of our club, but it would tend to make rather dull reading if we reported every event of the past month in weekly reports. A dance is a dance and the only difference between them is described adjectively as good, better or excellent. What else can one say about them?

It just seems that the dances have reached a stage of organization, with few innovations or variations from one week to another, except perhaps, new records or novelty dances.

And it is hard to fill up a column on that!

So there you are! And there ye are with our weak and miserable alibi for not showing up last week.

The club is still attracting ever-increasing crowds on Friday night, and it is hoped that the trend will continue.

The monthly executive meeting is scheduled for next Tuesday night at the home of Miss Helen Muckart, and the main item on the agenda will be the forthcoming formal on the 17th of this month. This promises to be the big social event of the year and we hope everyone in the club is making plans to attend.

Nuff said for now - see you at Club Midtown!

Here's a late flash from Donna's Little Gem News and Information Bureau; . . . Plans have been completed for the tobogganing party. All those wishing to attend are to bring toboggans or similar conveyances to the park at 2 p.m. on Sunday afternoon (February 5th). Further instructions and directions will be issued there. Details will also be available at the dance Friday night.

BALLINAFAD

Mrs. Kirkwood Hostess For Mission Meeting

The WMS held their first meeting of the New Year at the home of Mrs. Kirkwood. The meeting opened with Hymn 375 and prayer. The president Miss Hiltz, read a New Year's message from the missionary monthly. The roll call was answered with scripture verses and the paying of fees. The worship service was centered on "Our High Calling." Since all of us spend the major proportion of our time in our vocation it is there we can exert the greatest Christian influence. The topic dealt with the problems faced by immigrants coming into our country. Our United Church has well trained port workers who speak many different languages thus enabling them to be of great assistance. Many lonely persons and anxious families have been welcomed and sent off to their new homes with hearts lightened and encouraged. Miss Young gave a reading explaining the true meaning of the word "Stewardship." The meeting closed with singing and prayer.

The Young People's group met on Sunday evening at the home of Shirley Kirkwood. Programmes were made out for the year and other items of business were discussed. Lunch was served and a social time enjoyed.

Members of the Woman's Association paid a surprise visit to the home of Mr. and Mrs. F. W. Shortill who have recently moved to the village. Mrs. Shortill who has been a faithful member of the W.A. for many years was presented with a tea pot. Games of crokinole were enjoyed and a pleasant social time was enjoyed.

Mr. Wm. Wright has been confined to his bed with a severe attack of arthritis. We hope he will soon be much improved in health and able to be around again.

A projector screen has been purchased for use in in our church and missionary and temperance films were shown in Sunday School Sunday morning.

DAVIDSON, BRANDFORD STILL HOLD RECORDS

While several bowled in the 300s last week, no one in the industrial league came close to equalling the 405 record set some weeks ago by Lew Brandford and he still holds the honour. Jud Davidson, who racked up a large 922 total about the same time, is also alone in his class as yet. Last week's high scoring games were registered by D. Stamp 333, M. Lorusso 325, B. James 320, J. Kemshead 318, L. Brandford 310, B. James 300 and N. Shipway 295.

Bill James' two high scores gave him an 813 high triple. Others in the top brackets, D. Stamp 808; M. Lorusso 796; A. Ritchie 778; J. Kemshead 775; R. Robson 768; G. Webster 754.

Big Ten leaders: J. Graham (Kentners) 224; B. Anderson (Andersons) 222; N. Shipway (Silvers) 216; G. Barber (Kentners) 216; G. Webster (Mifits) 211; F. Anderson (Silvers) 211; J. Hall (Andersons) 209; B. Korzack (Legion No. 2) 207; H. Chaplin (Kentners) 205; J. Saunders (Andersons) 204.

OIL TRUCK JACKKNIFES
TIES UP HILL TRAFFIC

Monday night traffic on Stewart-town hill was tied up for several hours when a heavily loaded oil truck jackknifed part way down the hill, blocking the whole roadway.

The incident occurred at 7:30 and it was after 11 p.m. before the truck was righted.

Bill Booth's Taxi for prompt service. TR. 7-2596.
