

### Bill Anderson Holds Top Bowling Average

Bill Anderson took over top average in the industrial bowling league last week, when he outdistanced Jim Graham who has led the league in scoring for several weeks. Anderson has a 3 point lead over Graham, who is still pressing hard to win back his former honour.

There is plenty of rivalry in the league for membership in the Big Ten and as the season progresses, standings do not change as fast, and it takes a really terrific evening's bowling to make any shifts.

Following Anderson and Graham, who have 225 and 222 averages, are Nip Shipway 218; George Barber 217; G. Webster 214; Joe Hall 210; Frank

Anderson 210; Bill Korzack 208; H. Chaplin 206; J. Saunders 204. Barber's 312 and Bill Chaplin's 311 were highest single scores during the week. Also among the leaders were Lorne Cross 307; E. Neil 294; B. Taylor 293; Earl Emond 289; G. Collier 288.

A. Ritchie 776 and E. Emond 735 had the highest triples, followed by Collier 729; Cross 727; Barber 717; Taylor 711; and Joe Hall 706.

#### 'Add' Woodley Chairman Of Club Leaders Council

J. E. W.

Wednesday of last week saw an enthusiastic group of sixteen 4-H club leaders laying plans for the year's programme. Under the chairmanship of A. T. Woodley, the 1955 programme was reviewed and suggestions advanced for the strengthening of the 4-H Agricultural Club programme which will be offered to Halton's twelve to twenty year olds.

According to Art Bennett, associate agricultural representative, three calf clubs (Holstein, Jersey and Guernsey, Beef and Dual Purpose) will be offered. In addition, it is expected there will be a "second" year grain club open to the 1955 grain club members; a new grain club in the Acton district, and a third club open to the remainder of the county. Then there will be a 4-H Swine Club; a 4-H Tractor Club in West Halton; and perhaps a Potato Club. Among those present were E. R. Segsworth, Gordon Sinclair, A. R. Couiter and George Pelletterio of Nelson Township; Sandy Buchanan from Nassagaweya, Charles McKeown and Mae Sprowl of the Acton district; J. W. Carney and Ken Ella of Esquimes Township; A. T. Woodley, M. C. Beaty, John W. Pickett, W. R. Royle, and C. H. Lawrence, of Trafalgar.

We understand that plans are already under way to stage a social evening on Thursday evening, March 29, which will be open to the 1955 members; prospective new members; and interested adults.

He was asked, with other judges to appear of the Vick Obeck show which was telecast direct from the CBC studios Wednesday evening at 8 p.m.

The participants in the show felt like regular actors, for they wore special make-up. Mr. Herrington answered a number of questions about how a judge grades the birds he is viewing, and was able to get in some good "plugs" for Feather Fancier, the monthly poultry paper which he publishes in Georgetown and which has wide circulation among fancy poultry breeders in several countries.
