MacDonald Coming for Annual CCF Meeting

Several new members were welcomed to the general membership meeting of the Halton CCF Riding Association held in Oakville last Wednesday. The president, Mrs. Joan McIntosh, Burlington, chaired the meeting.

Interesting reports were given by delegates of the provincial Women's Conference in Toronto, the Hamilton education conference and the "Meet Your Mpps" meeting held in Toronto. Fred Hue, Georgetown, riding organizer, reported a thirty percent increase in membership for the riding and plans were made to continue with leaflet distribution started in two areas in Halton riding.

Resolutions were considered for submission to the provincial convention in May and plans made for Halton's participation in the provincial membership drive scheduled for the month of April. Members present were confident of winning one of the prizes offered by the provincial organization committee if the present rate of growth in Halton is continued.

The annual meeting of the Association was set for April 7th in Georgetown to be followed by a potluck supper and a meeting with Donald MacDonald, Ontario CCF leader, to which the public will be invited. Stan Allen, warden of Halton, spoke to the meeting on the problem of education for retarded children and members decided to do some research on the subject and hold further discussion on this urgent need.

A draw for a fifty dollar bond was won by Charles Freeman, 7 Mayflower Street, Hamilton. Mr. and Mrs. A. Frenzel were in charge of serving lunch.

News around the Arena — This Saturday will see the elimination of (6) six teams from Saturday morning hockey, which means it will be the last chance for parents to see their boy in action. If you haven't been down this season make a date for Saturday, March 10th, the boys are really going all out to get their team into the finals.

A complete schedule for the big tournament, Saturday, March 17 will be published next week.

Rotary Concentrates on Easter Seal Campaign

Tying in with the current Easter Seal campaign which the local Rotary Club is sponsoring, members at their Monday dinner meeting at Fairview Inn heard Miss-Morris and Mrs. Walker, members of the Society for Crip-

pled Children. They told of its formation, its aims and the work being done for handicapped young people. Maurice Manderson reported that the campaign is meeting with success in its initial stages.

President John Gunn conducted the meeting, and nominations were made for new officers who will be chosen at

the next meeting. Bob Burke and James Ritchie were returned by acclamation as treasurer and secretary. Members are busy rehearsing for a minstrel show which the club plans to present in April.
