## Mackenzie News

Do you need some place to hang up the family possessions?

A simple and inexpensive solution is to use masonite perforated board and handy hooks. At 18c per sq. ft. a piece 2 ft. x 6 ft. would cost \$2.16 and the hooks from 3c to 84c each according to type. A piece on the back of a door could hold clothes, kitchen utensils or shelves.

See you at the hockey-play-offs.
