**Stouffville Dealer
Once Garageman Here**

Charles D. Ward, 54, Stouffville car dealer, who once operated a garage business in Georgetown succumbed to a heart attack at his home on Saturday evening, March 10th.

Mr. Ward's wife, the former Edna Hill, of Georgetown, had come to town that evening to visit with her mother, Mrs. Edward Hill, Guelph St. and to attend the Stouffville - Raiders hockey game. He suffered the fatal attack while she was in Georgetown.

A native of Stouffville, he was the son of the late Mr. and Mrs. Richard Ward. Several years ago, he was a garage operator here, in the premises now occupied by Wally's Auto Body.

He leaves his wife and three children, Douglas, Toronto; Roy and June, Mrs. Kenneth Hamm, both of Stouffville, and two grandchildren.

The funeral service took place on Tuesday, March 13th at the L. E. O'Neil funeral chapel with interment in Stouffville Cemetery.

**ANDERSON'S IN FRONT
LEAD BOWLING LEAGUE**

Keen competition for top place in the industrial bowling league finds 6 teams in the running, with Anderson's pulling ahead by two points last week after sharing the lead with Provincials for a week.

Tom Herbert led the single scorers with a 334 last week, while several others also broke 300. — H. Brandford 325, F. Anderson 317, B. James 308, J. Harlow 306, G. King 304 and D. Stamp 300.

Tops in triples were F. Anderson 813, D. Stamp 790, H. Brandford 780, J. Saunders 777, G. King, 776, T. Herbert 770 and R. Ryall 752.

Holder of the ten high averages at present are Bill Anderson 226; Jim Graham 220; George Barber 218; Nip Shipway 215; Frank Anderson 212; Joe Hall 211; George Webster 211; Bill Korzack 207; H. Chaplin 206; J. Saunders 203.

Team standings:

	W	L	Pts.
Andersons	50	31	115
Provincial	47	34	113
Legion No. 1	48	33	111
Kennters	44	37	107
Silvers	46	35	106
Firemen	44	37	104
Legion No. 2	42	39	97
Kays	43	38	97
Lorne Scots	33	45	76
Imperials	32	49	72
Ramblers	30	51	69
Misfits	29	52	67

**Reid Equipment Has
Machinery Display**

Reid Equipment and Supply Co. were hosts at a machinery display and film show in the township hall, Stewarstown, last Friday, when officials of the Allis-Chalmers Co. joined them in the special day.

Herb Reid, Jim Doane and Ken Reid of the local firm, displayed the new Gleaner Baldwin self-propelled combine and other Allis-Chalmers products outside the hall. Inside, those who attended saw films and heard a brief talk by Robert Sinclair, Toronto branch manager, who outlined Allis-Chalmers expansion since the day he joined the firm in 1932. Others who attended included Len Popkes, agricultural sales manager for eastern Canada, and blockmen George Norris and P.C. Nellis.

Farmers from several surrounding districts attended the show. They were served refreshments and door prizes were won by Max Monkman, of Brampton East, who guessed closest on the number of pennies in a jar. C. Hinkman, a model of a caterpillar tractor, John McClure, model of a WD 45 tractor, and Fred Nurse, a tractor seat cushion.

**STEWARTTOWN
REPORT SUCCESSFUL
YEAR FOR 4-H CLUB**

Happy birthday to Jackie Barclay, ten years old next Tuesday, March 27th.

Also happy birthday to Ineka Koeslag, to be eleven years old next Wednesday, March 28th.

Junior W.A. meeting was held last week with ten members present. Dinah Elvins chose "Onward Christian Soldiers" for the opening hymn and conducted the worship service. Johanna Ewins presented our Monday pledge for prayer: the medical work among the children of Honan, China. Minutes of last meeting were read by Judy Walker. Sewing on baby clothes was the work of the busy period. Meeting closed with the vesper hymn and "The Grace" in unison.

Esqueing Women's Institute March meeting was held at Mrs. Bob Harris' home Wednesday evening "my pet peeve" was to be answered at roll call and nearly every person had one. Mrs. Armstrong reported on the retarded children — also on the very successful year the 4-H club has had and spoke of the probability of it being carried on for another year. Plans were made for the annual meeting in April when the roll call will be answered by the payment of dues.

Thursday afternoon the W.A. meeting was held at Mrs. Blizard's home with a quilting. Mrs. Blizard served afternoon tea.

A couple of foxes have been seen around the Cecil Walker house. One was about ten days ago and on Sunday a much smaller and thinner one was seen. It made for Col. Brown's barn and then disappeared down the tracks. It had come up from the ravine.

BALLINAFAD

**Grandmother's Remedies
Used for W.A. Roll Call**

W.A. met at the home of Mrs. F. W. Shortill for their March meeting. The theme of the worship service was "Penitence" with Psalm 51 being read responsively. Mrs. Townsend stated that during this Lenten period the hearts of Christians are turned to penitence for the sins which sent the Son of God to the Cross. The hymn: "Just as I am without one plea" was used for closing. The roll call was answered with naming "A Remedy My Grandmother Used" which recalled many that are still in use. Mrs. R. McEnery and Mrs. F. Smith were appointed delegates to the Conference at Five Oakes. Mrs. McLean tested our knowledge with some good riddles and a reading was given by Mrs. McEnery. Visits made and cards sent to sick and shut ins were recorded. After a short business period lunch was served by Mrs. McLean and Mrs. McEnery and a social time was enjoyed.

Mr. and Mrs. Gear Sinclair and Laurie of Milton were Sunday visitors with Mr. and Mrs. B. McMenemy.

Despite the cold stormy weather the robins and crows have become quite plentiful which surely reminds us that spring can't be too far away.

The Young People held their regular meeting at the home of Bobby and Marie Kerr Sunday evening. Both McEnery led in the worship service. The topic was on the subject of temperance with scripture references and was read by Ross Shortill. Mrs. Kerr served delicious refreshment at the close of the meeting.

We wish to extend our sympathies to Mrs. Lloyd Marshall in the loss of her father, Mr. Fred Delaney who passed away suddenly on Sunday.

Mr. Ernie McEnery is recovering from an attack of pleurisy after having the misfortune to fall and fracture several ribs last week.

**The Maple Leafs
Choirboys See**

The choir boys of St. George's Anglican Church and several of their friends enjoyed a real thrill last Saturday night when they were treated to the hockey game at Maple Leaf Gardens, with the Chicago Black Hawks meeting the Leafs.

The party of thirteen boys in all were driven to Toronto by Mr. and Mrs. Jack Armstrong, Alf Sykes, Ernie Rawson and Mr. and Mrs. Thomas Warnes.

**Questions & Answers
ABOUT NATURAL
GAS**

**YOUR
SILENT SERVANT**

In this column, The United Suburban Gas Company will attempt to answer any questions you may wish to ask about Natural Gas. If possible, questions submitted on or before Wednesday in each week will be answered in the following week's edition of the paper.

Is Natural Gas Dangerous?

—A. E., Milton

In spite of the gas industry's fine safety record, Natural Gas is often blamed for many accidents in which it is not connected in any way. One reason for this is that the word "gas" is used to refer to so many different substances, such as gasoline, ammonia, butane, etc. Statistics compiled by the National Fire Protection Association prove the safety of Natural Gas. For instance: the report shows that out of 23 causes of loss by fire, Natural Gas ranks fourteenth which makes Natural Gas the safest fuel in its category.

My husband and I have decided we will use Natural Gas when it is ready for distribution. Just what do we have to do to have Natural Gas made available to us?

—B. H., Milton

Sometime during the next few months a representative of The United Suburban Gas Company will call at your home as well as every home in your community. He will explain in detail to your complete satisfaction everything you will need and want to know in order that you may become a customer for Natural Gas.

Should we decide to use Natural Gas, what will it cost us to have this fuel piped to our house?

J. L., Georgetown

If there is a gas main on your street and your house is within 100 feet of the street line, it won't cost you anything. This service is provided free of charge.

I own and operate a small business which requires melting down metal. Would you tell me if Natural Gas is practical for such a purpose?

—J. M., Acton.

It certainly is. Natural Gas is used extensively by industry (both large and small), because it offers instant heat with no warm-up period, precise temperature control and a high degree of efficiency and dependability. You will also find that because it is clean and requires no storage space, as well as its many other qualities, it is ideally suited to your requirements.
