

### Five Town Hockey Tourney Big Success

Last Saturday Georgetown fans and fans from visiting towns were treated to one of the finest sport days they have ever witnessed. It was well organized and well officiated and at all times good sportsmanship was at a high level.

The playdowns started sharp at 8 o'clock and by noon hour the elimination series was completed. The afternoon saw the semi-finals begin and Georgetown came out of the semi-finals with a winner in each group.

The Georgetown Junior A all stars played Brampton in the finals and were defeated. The Georgetown goalie was pulled with a minute to play but as sometimes happens, it backfired and Brampton scored the insurance goal to win the game 3-1. The two All Star teams gathered at centre ice and the trophy for "Squirt" hockey championship was presented by Mayor John T. Armstrong to captain Hunter of the Brampton team.

The American league all-stars played Milton in their final series and defeated them 5-3. It was a rugged hard fought contest but one penalty to Milton for too many men on the ice made the difference. The fast skating locals took advantage of each break-away as is indicated by the scoring. The presentation of the trophy for "Pee-Wee" hockey was made by Harvey Garvin, president of Branch 120, the Canadian Legion, to captain Timmy Haines of the Georgetown All Stars.

The last game of the afternoon was the final between Brampton All Stars and Georgetown NHL All Stars. This game was a real rugged thriller and had the fans on their feet through each period. At the end of regulation time the score was tied three all. The ruling on overtime made at the rules and organizational meeting between the five towns one month ago was that if a game ended in a tie that five minutes sudden death overtime would be played and if no scoring occurred the most shots on goal during the five minute overtime would decide the winner. During the overtime period Georgetown made three shots on goal and Brampton two, therefore, making Georgetown winners and champions. The Brampton team definitely was Georgetown's equal but for that one shot on goal. The presentation of the Bantam trophy was made by Ivan Crabtree, vice president of the All Ontario Little NHL to captain Kent Riddall of the Georgetown NHL all stars.

### Sciatica

E. TETRAULT, D.C.

Sciatica as the name implies, is an involvement of the Sciatic nerve. A person suffering from this condition experiences excruciating pains down the involved leg.

Occasionally the sciatic nerve may become inflamed from a direct injury, but most frequently sciatica is the result of pressure or initiation of sciatic movements, in or at the spine.

In the chronic form of sciatic neuritis, a dull nagging pain, similar to a toothache, as well as abnormal sensations in the back or legs may be present for long periods of time. Feelings of weakness, loss of strength, and cramping add to the ordeal of nervous irritability.

With this condition beneficial results are being obtained in the offices of chiropractors.

#### NEWS-AROUND THE RINK

Special mention must go to the referee-in-chief, Gordon James and his staff of referees from the five towns for the fair handling and complete control at all times, also to the timekeeper, Bud James and public address announcer Marsh Timbers. These two men spent the entire day in the time box... you try it some time. A bouquet to the men behind the scenes such as Herb Arnold who never saw a game all day but kept an accurate record of each game and posted the teams to play in each series following, and to the busiest man in the arena, who did a hundred different jobs, and answered the same number of questions, Frank Connelly, chairman of the local league.

To the fine organization that made it all possible and the Legion WA ladies who served such a wonderful meal and to Branch 120 of the Can-

adian Legion, the boys all say thank you for a wonderful day.

The Junior A All Stars were supervised and coached by Roland Haines and Jack Gudgeon. The American League all stars were supervised and coached by Jim Sargent and Bruce Gummer. The NHL all stars by Dick Riddall and Don Jarvis.

The officials of the visiting towns were interviewed to ascertain what is being done in their towns for the boys hockey.
