### Dick Shearly New Rotary Club President

Dick Shearly succeeded John Gunn as president of the Rotary Club of Georgetown when members held their elections last week at a dinner meeting at Fairview Inn.

Mr. Shearly, an aeronautical engineer with Avro Aircraft has just moved to town from Glen Williams. With his wife and children Carol and twins Beth and Jane, he is now living at 48 Byron St. A native of Toronto and graduate of the University of Toronto, he has lived in Glen Williams for the past 3 1/2 years.

C. G. (Bud) Bishop, Glen Williams, is vice president, James Ritchie secretary and Bob Burke treasurer. Bob McColgan and William Carr are directors.

Rotary came to Georgetown a year ago and is concluding a major project this week, sponsorship of the Easter Seal campaign. The club has actively worked for handicapped children and has been sending a group to Lakeshore Swimming Club in Toronto each week and is planning to send these children to a special summer camp as well.

A high school student will be given an educational trip to Ottawa this month and Rotarians have been involved in a number of other projects, including a Christmas party for some of Georgetown's senior citizens, provision of first aid stretchers for the schools and arena; and placing of sand boxes in the park.

A major source of fund raising to date has been harness races at the park, planned for a second season this summer, and a forthcoming minstrel show.

### LITTLE N.H.L.

 Goals, J. Gudgeon, 5; A. Blair, 2, L. Haines, 1, 3 Stars, J. Gudgeon, A. Blair, L. Haines. Referees: J. King, G. Webster.

The McNamara trophy was presented to captain Jack Gudgeon of the Kitchener team by Rev. A. Calder. In his presentation remarks Mr. Calder brought to the attention of the parents attending, the great work the Legion-sponsored hockey was doing for the boys of the town and asked the parents and the boys to acknowledge the men who made the league possible. Mr. Calder has been an ardent supporter all season.

The game was filled with thrills and the fans were on their feet throughout most of the game. The Kitchener team was coached by Jack Gudgeon, Sr. and Barrie was managed and coached by Roland Haines and Henry "Buster" Hale. Congratulations Kitchener Jr. A champions!

**American League**  
 Hershey 2 - Providence 2  
 Hershey wins round 5-4.

Goals and assists: J. Pruneau 1; B. Barber 1, P. Marko 0-1, P. Norton 1, T. Haines 1-1.  
 3 Stars - J. Pruneau, M. Marchment and T. Haines.  
 Referees G. James and J. King.

The Bell trophy was presented to Captain Timmy Haines of the Hershey team by Mr. Rex Heslop. Mr. Heslop expressed his satisfaction with the boys hockey league and he gave credit to the organization and men who made it possible and also expressed his desire to assist in future, when possible. Incidentally, Mr. Heslop has also been an ardent supporter of the boy's hockey league and it was not unusual to see him in attendance as early as 7:45 a.m. if his boy's game was first on schedule.

This American league game was a real thriller and the teams were equal in every way. The goal tending of Ernie Pearce and Freddy Hills was outstanding and rushes by Tim Haines and John Pruneau brought the fans to their feet many times. The Hershey team was coached by Jim Sargent and the Providence team was managed and coached by Gordon Lane and Bert Archer.  
 Congratulations 'Hershey' American league champions!

**NHL**

Toronto 9 - Canadiens 4  
 Canadiens win round 13-0. Goals and assists: D. Cunningham 1-1; B. McMann 2, B. Bingham 1, D. Davies 0-1, B. Engleby 0-1, R. King 4, J. Cummins 3, J. Richardson 0-1, W. Norton 1, M. Ross 1.  
 3 Stars R. King, J. Cummins, B. McMann. Referees, G. James and G. Webster.

The Canadian Legion trophy was presented to captain J. Cummins of Toronto by Mr. W. Bell. In his presentation remarks Mr. Bell congratulated both teams for their fine effort and stressed the need for the boys to follow their coaches instructions and above all to play clean and stay out of the penalty box.

This final game was a high scoring affair and penalties to Canadiens cost them three goals. The Toronto team underdogs in the regular schedule played championship hockey all the way and the lighter Canadian team were beaten by a team that just would

not give up.  
 The Canadian team was coached by Don Jarvie and Toronto was coached by Herb Arnold. Congratulations to Toronto, NHL champions.

This brings to a close another successful Little NHL season and it was most encouraging to league officials, boys, managers and coaches to see good turnout of fans for these final games.

Any boys who still have ticket money please contact Mr. Frank Connelly.

## Migraine

E. TETRAULT, D.C.

Migraine means one-sided headache. They were first isolated from the general group of headaches by Aretaeus of Cappadocia in the first century A.D.

Approximately one half of the cases have some kind of visual disturbance. Often smell, hearing and other special senses become very acute. The attacks may be of long duration and low intensity, or short duration and high intensity. Or a combination of the two.

The usual attack lasts from "sun-up to sundown." At times, however, a headache of high intensity may awaken a patient and force him to "jump out of bed." In a severe attack the "brain storm" that arises (an upset of the normal brain waves that shows up on a recording machine) either in the ganglions (nerve centres) or in the brain itself, soon spreads along the large nerves that run down the back and down into the abdomen. There this stimulus causes a reversal of the waves running over the bowel and with this comes nausea and vomiting.

Experience has shown that the best way to correct a migraine headache is to deal directly with the ganglions and nerves.

That is how a chiropractor deals with this condition.
