Swimming Star Manager Garnet Building Products

Selling a wide variety of builders' supplies, Garnet Building Products, Ltd. has opened office, salesroom and warehouses on Armstrong Avenue.

The new company, which is part of Rex Heslop's Delrex organization, has constructed a 480 foot long warehouse in the Delrex industrial area, north of Mountainview Road. A railway siding runs the length of the building which is already filled with a large inventory of building supplies. The company will sell retail to the public.

In the next few weeks, another branch of the business, a ready-mix plant will be in operation.

George Bevan, whom sports fans will know as a long distance swimmer, is general manager of the company.

Married last summer, Mr. and Mrs. Bevan are living in Toronto at present, and are planning a move to Georgetown later this year.

A member with Cliff Lumsden, of the winning relay team at the CNE two years ago, he came close in the 1951 CNE swim, when he placed second to Jerry Kershner. The same year, he beat Kershner in a 3-mile race. He is a native of Winnipeg. Marshall Timbers, an accountant and Allan Walker, shipper and receiver at the plant.

Plans Approved For Halton Manor Addition

Stan Hall, M.P.P. has been advised by Louis P. Cecile, minister of public welfare, that he has approved plans for the addition of the new staff house at Halton Centennial Manor, Milton.

The Minister in his letter noted: "The addition will accommodate 14 staff members with superintendent's quarters, kitchen, sitting room and bath. This new project will release 20 beds for residents now being utilized by the staff."

"You will know that about 95 beds will be available for residents when the addition has been completed. I should add that the estimated cost of construction, equipment and furnishings is \$115,000. The province will share approximately 50% of this figure."

TERRA COTTA

THIMBLE CLUB HEARS FROM "ADOPTED" BOY

Ladies of Terra Cotta Thimble Club met at the home of Mrs. Van Zuben last Thursday.

The ladies had sent clothing, goodies and money to an "adopted" little boy in France, and a letter was read from his grandmother thanking them. The money had been used for fuel, she said, and the youngster was thrilled with his gifts. The French people have suffered from cold and hardships this winter, and the Thimble Club ladies were given a "lift" to think that even a small gift can bring happiness to someone less fortunate. Miss G. Wright translated the letter into English for the ladies. The club planned another euchre, and some of the ladies hooked a rug while others cut. "Bless This House" was sung to open the meeting.

A successful euchre was held in the hall March 29th, and although it was a bad night, quite a few players attended. Thimble Club members provided and served lunch. Mrs. A. Zilio and Charles Sheppard won first prizes; Mrs. P. Drenters and Mrs. S. Leslie, seconds; and Mrs. Charles McNally and Mr. E. Ostrander, consolations. Mrs. F. Schleicher won a prize for most lone hands; Mrs. S. Miller and Mrs. Schleicher, carrying prizes, and Mrs. C. Carnwell and Ron Elwood, freezeouts.

On March 30th Roberta Elwood held a shower at her home for her cousin Lillian Nolan who is to be married this month. Twenty-seven friends and neighbours attended and Miss Nolan received a number of lovely gifts. The hostess served lunch.

Shirley Zilio has spent a few days in the general hospital at Guelph where she had her tonsils out. Hope you are soon well again, Shirley.

Lorne Majurey has been in Shuldice Surgery Hospital, Thornhill, for a minor operation. Best wishes for a speedy recovery.

Flight Officer Norman Donovan spent the week-end with his parents, Mr. and Mrs. John Donovan. He is stationed in Nova Scotia.

FACTORY SUBSCRIBES 100% TO HOSPITAL

John W. Charlton and Martin G. Caputo, co-chairmen of the Milton District Hospital Building Fund Employees Committee have announced the 100% subscription of Canadian Felling & Zinc Oxide Ltd. employees.

They reported this is the first group of industrial employees to be pledged 100% in the current campaign for \$600,000 to construct the new 60-bed hospital.

Officials of the Employees Committee indicated every effort would be made to complete the campaign in the remaining area industrial plants as quickly as possible.

Other committees are also completing plans for their phases of the campaign which is expected to be completed in a matter of weeks.

MRS. NELLIS LEAVES SISTER IN NORVAL

After some years of poor health, Mrs. William Nellis, 83, died suddenly in hospital in Guelph.

Before her marriage in 1890, she was Ellen Arthur Scott, daughter of the late Mr. and Mrs. James Scott of Esquesing. Mr. Nellis died several years ago.

A kindly woman who spent her life doing kind deeds for others, she will be missed by a wide circle of friends.

She leaves two sons, Bert of Hespler and Ross of Toronto, four grandchildren and two great-grandchildren, and three sisters, Mrs. Barclay, Guelph, Mrs. Campbell, Acton and Miss Agnes Scott, Norval.

Rev. R. H. Armstrong of Acton Presbyterian Church conducted the funeral service and interment was in the family plot in Fairview Cemetery, Acton. Pallbearers were Mansell and Cecil Nellis, Harold and Dan Campbell, Bert Scott and Robert Dredge.
