**MISS McKAY HOSTESS
TO MISSION GROUP**

The Afternoon Auxiliary of the W.M.S. met at the home of Kate McKay for their April meeting. Prayer by the president, Miss Hills, and hymn 259 were the opening exercises. The scripture lesson was read by Mrs. F. W. Shortill from Romans 6th chapter, and also a short reading—"Sitting in the Pew is not Enough". The roll call was answered with describing a Jewish feast. "Alcohol has been a problem from time immemorial" stated Mrs. Townsend in giving a temperance reading. "The enormous profits sweep all obstacles out of the way." The topic "Mission Tides" was read from the missionary monthly by Mrs. Warne.

Mrs. Ken Cotton enjoyed a plane trip to Buffalo over the week-end. Several ladies from this community attended the Daffodil Tea at Ashgrove on Thursday afternoon and report an enjoyable afternoon. Muriel and Helena Hills were awarded third and fourth prizes in their age groups from the W.C.T.U. on their papers for the National Temperance Course.

**Rev. G. P. Parson Will
Speak To Bible Group**

The Rev. G. P. Parson will speak at the annual meeting of the local branch of the British and Foreign Bible Society in Canada, to be held in First Baptist Church on May 8th at 8 p.m. This is an inter-church society and everyone interested in the distribution of bibles throughout the world to everyone in his native tongue will be most welcome to this meeting. "Our Bible", an authentic documentary film telling how the Bible has come down to us through the ages will be shown.

The Bible societies throughout the world, since the founding of the first one a hundred and fifty years ago, have played an important role in missionary endeavour. It is they to whom all foreign missionaries must go for copies of the scriptures in the native languages of the people to whom they minister. Thanks to the labours of these societies, of which the British & Foreign is the oldest, the Bible exists in just over 1,100 languages of the world. However, according to the French Academy of Science, a sober estimate of the number of languages spoken in the world is 2,796. Thus there remains a tremendous task yet to be done. It should be pointed out that all the major languages have been attempted, and the remaining 1,600 languages into which no portion of the scriptures has as yet been published represents the tongues of only a fifth of the population of the globe, and some of these languages are spoken by only a few hundred people. However, the obligation still rests upon Christians to remember these sheep as well as the ninety-and-nine in the fold. Since the founding of the British & Foreign Bible Society in 1804, 615 million bibles have been distributed throughout the world. The principle of distribution is according to a man's ability to pay, so that a large proportion of this number has been sold for only a small fraction of their cost.

It is to create interest in this work, an expression of the missionary effort of the church at large throughout the world, and to collect funds to further it, that the local branch exists here in Georgetown. The society invites all interested people to this meeting, and to support its effort financially. Donations can be made through your own church, marked "Bible Society", or sent to headquarters, 14 College St., Toronto 2.

The local branch sustained a severe loss recently in the death of J. D. Godfrey, its president for over twenty-five years. Watson Winfield is the local secretary.

**LADIES' COUNCIL
BAKE SALE, TEA**

The April meeting of the Local Council of Women took the form of an apron and baking sale at the home of Mrs. Jack Kerr last Friday afternoon. The event was very successful. Mrs. Merritt of Peterborough was a special guest.

Mrs. W. E. Nudwell read an article from a Toronto paper dealing with the common-law as related to wives. According to the substance of the account, we were back in the dark ages as far as this is concerned.

**Revolver Club Champs
