

MRS. CHAPMAN SPEAKS AT DAFFODIL TEA

A lovely Daffodil Tea was held in the church on Thursday afternoon with a splendid attendance of ladies from Georgetown, Milton, Ballinacree, Norval, Eden, Bethel, Brampton and St. Stephen's Anglican Church, Hornby. W.A. president, Mrs. Cecil Wilson opened the tea and welcomed everyone. Mrs. J. D. Murray of Norval played and sang selections on her electric guitar; Mrs. Fred Shortill of Ballinacree delighted the gathering with her solos "In the Garden of Tomorrow" and "Trees". Following this Mrs. Arthur Russell introduced the speaker, Mrs. R. E. Chapman of Brampton, who spoke on Eskimo life on Baffin Island, which is the fourth largest in the world and is 2,000 miles north of Toronto. She said there is hardly any summer and the temperature never goes higher than 45 degrees. From Nov-

ember to February they have such a tiny bit of daylight. The Eskimos are a happy and carefree kind of people and their main belief is thou shalt not lie or steal, the speaker said. There are such a lot of possibilities and openings in the north and she urged that Canadians should know more about this north country. Mrs. C. B. Dick thanked all who had taken part and the ladies went down to the basement for luncheon and tea. The Young People held their meeting on Sunday evening at the home of Allan Brownridge.

A large epmmunity shower, given by Mrs. Hector Bird, her daughters Jean and Margaret, assisted by Mrs. Milton Bird and Mrs. John M. Bird, for Bernice Wilson, was held on Saturday afternoon in the Sunday school room, which was tastefully decorated with pink and white streamers and large white bells. Duets sung by Marilyn Wilson and Catherine Hunter and solos by Barbara Cunningham, then Bernice was asked to sit in the decorated chair and beau-

tiful and costly gifts were placed before her. This reading, composed by Mrs. C. Austin, was read by Margaret Bird to Bernice: This afternoon we've come to talk, About the future and the past; Of a girl we knew 20 years ago As the platinum blond, wee lass. But she's grown up far too fast In Ashgrove's community. Now a beautiful girl we have in our midst

To Bernice and you can see Bernice has taken her role So sincerely in the walk of life, That we know very well that Freddie Will have a most perfect wife. Each Sunday morning she is seen in her usual place in the choir Or at the organ she would play What folks did most admire. As a Sunday school teacher And in the church's Y.P.A. She found time out from her re-creational work

To prepare for the coming Sunday. And in Jr. Institute and club work We often found her name topping the list, And from now on we know in these groups

She's going to be greatly missed. The trip Bernice won we do recall And not forgetting those winning square dancers

No wonder the boys all liked to do With her, the familiar "Lancers." Now that we hear, she's to take a vow And to Texas she will roam With the best of good wishes, we wish her God speed

And we do hope she'll holiday back home. After all the gifts were opened, Bernice thanked everyone and a lovely lunch was served by girl friends of the bride.

Shortly after their marriage, Mr. and Mrs. Sanford came out to Canada, and first settled in Davisville, North Toronto, where Mr. Sanford established his own business in his trade. Later they moved to Smithfield, and then returned to England for the better part of a year before coming back to Canada to live in Mt. Dennis. Mr. and Mrs. Sanford came to Stewarttown in 1923, and since that time Mr. Sanford has expanded his original plumbing and heating business to include TV and radio sales and service.

Mr. and Mrs. Sanford have one son, Edward, of Limehouse, who is associated with his father in the business. There is one grandson, William Edward.

Mrs. Sanford's sister in England, her wedding attendant of fifty years ago, was unable to be present for the anniversary celebration, but will be arriving for a visit in Canada with the Sanford's later this month.
