**Plan Afternoon Tea For Institute 35th**

New officers of Limehouse Women's Institute were duly installed at the May meeting held in memorial hall last Tuesday. President Mrs. Frank Brown was in the chair.  
Roll call was an item of W.I. news and a recipe. Tomorrow the W. I. will celebrate its 35th birthday and to mark the event are holding an afternoon tea (no admission), program and a social time in the memorial hall. Mrs. P. Merry, Hornby, is expected to be present for the occasion. Old members and ex-members are especially invited to be present to meet old friends.  
The Milton hospital appeal was discussed and it was felt the support of the branch should be given to one nearer the community.  
It was decided not to apply for an extension program this year. A new library board was appointed, Mrs. A. J. Smethurst, Mrs. E. Sanford, Mrs. Jack Noble, with Mrs. E. Findley as librarian. Mrs. J. **CHRYSLER**

When you first take the wheel of this flawless motorcar, you sense that here is perfection.

Like so many discerning motorists, you will discover unequalled motoring pleasure in the handling ease and surge-ahead power that a Chrysler provides. Merely touch a button, step on the gas, and you're off. And this superlative motorcar demonstrates the engineering superiority for which Chrysler has long been famous. Chrysler, for instance, has increased its stop-power with new centre-plane brakes, to keep pace with its V-8 "go".

Although there are many such features that distinguish a Chrysler, its worth cannot be determined by performance. The better measure, we think you'll agree, is the rich satisfaction you get when you own a Chrysler.

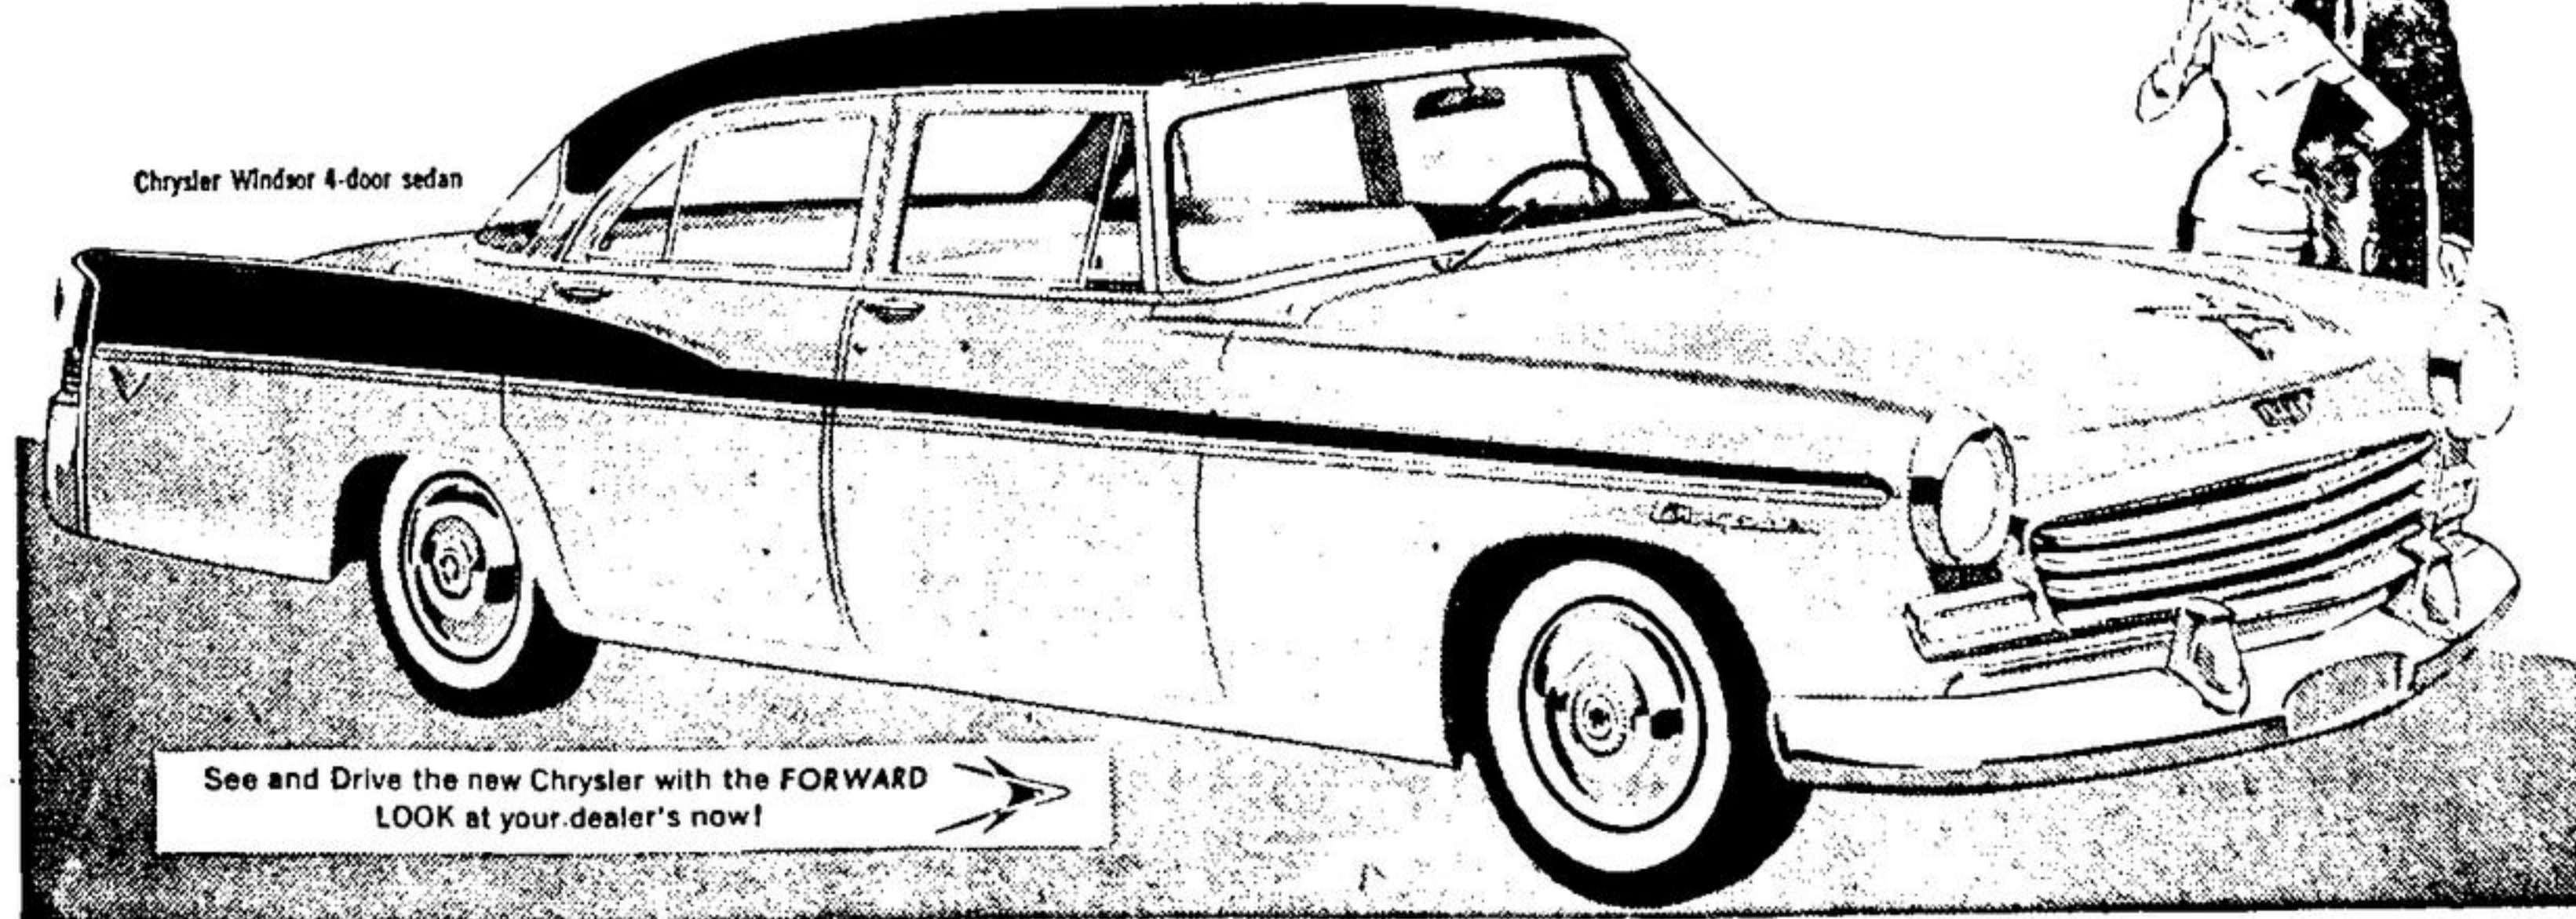

Visit your dealer soon. You'll be pleased to discover how little it costs to get so much more in a Chrysler.
