RYERSON PRACTICAL JOURNALISM student Marta Kurc, 21, Toronto, presents Werden Leavens, editor of the Bolton Enterprise, and secretary-manager of the Ontario Weekly Newspapers Association, with the results of a door-to-door poll of 400 Bowmanville homes. Having studied Gallup Poll methods, students applied their knowledge in a practical way by asking readers detailed questions on what they read in a weekly newspaper. Most popular feature, they discovered was the classified advertising.

BOARD APPROVES LAND PURCHASE FOR SCHOOL

At a special meeting in Milton last week the North Halton District High School Board gave tentative approval of a settlement of the purchase of additional lands at Georgetown from Jack Tost adjacent to the present school site. The lands involved are a trifle over five acres and expropriation proceedings have been underway.

The board agreed on a price of \$15,000 and costs totalling \$1,923.10 now involved, after hearing a review of the case from John Ord, the solicitor. Other concessions are a strip of land when required for putting in a street to the rear of the property.

It was also proposed to do some interior decorating and make improvements in the lighting at the Milton school. Quotations are to be secured so that the board might decide what amount might be spent within the budget.

Softball Club Euchre Dance Well Attended

There was a good crowd on hand in Norval Parish Hall on Friday evening, May 11th, to enjoy the euchre and dance sponsored by the Norval Girls' Softball team.

Winners at euchre were Mrs. Robert Richardson, Norval, and Mr. Graydon Chester, for the ladies and

men. The travelling prizes went to Mr. Harold Smellie and Mrs. C. Trimble, Huttonville. Mr. George Smith, Norval, presented the prizes. After cards, there was dancing to the music of Doris Hulls' orchestra. The evening concluded with lunch served by members of the hall team.

The committee in charge of the event were: Marilyn Cunningham, Nancy Grashy, Norma Murray, Thelma Hunter and Marlene Dixon.

FARM NEWS

Fall Wheat Spotty Predict Less Yield

J. E. W.

Stands of fall wheat in Halton, as we see them, do not promise normal yields. While there are some excellent stands, a large percentage of the more level fields in the heavy clay loam areas, look very patchy and in some cases very thin. In short the very wet fall coupled with the late cold wet spring has worked havoc. Our memory may be faulty, but we do not recall any time in the past 21 years when prospects for wheat looked so poor.

STEWARTTOWN

WOMEN'S INSTITUTE INSTALS OFFICERS

Women's Institute meeting was held at Mrs. Grant's home last week. The new officers were installed in their respective offices. Roll call was a treasured family recipe; topic was home economics. Refreshments were served by Mrs. Briggs and Mrs. Baily. The meeting next month will be at Mrs. Robert Lawson's. Topic: agriculture; roll call, what I like about this month. Programs for the meetings of the coming year were distributed to the members.

Dinah Ewins was in charge of the St. John's W.A. meeting last Monday. She chose "Once in Royal David's City" for the hymn and conducted the worship service. The first verse of "When Mothers of Salem" was sung for memory. Dinah read the minutes of the last meeting, seconded by Ineka Koeslag. In the busy period sewing was done on the baby outfits.
