

CLUB MIDTOWN

By George

The courage of Regina's one-way streets has returned once more to plague the placid reading public of Georgetown and district. Although we were back before we were actually missed, we managed to throw the reporting job on to Donna's already over-burdened shoulders for two weeks, and a sudden attack of lethargy on our part caused a complete lack of a column last week. Before going further, we would like to thank Donna for pinch-hitting in this department during our absence. (Our absence made no difference in any other department!) Anyway, we're back.

A lot of things have happened lately in this little sphere; some were newsworthy and the rest will likely be found in this column. Although we were unable to attend the C.M. sponsored dance on the 21st, we understand that it was a very successful affair with Reg. Ryall's band doing the musical honours.

An executive meeting at Donna's (where else?) last week brought forth plans for live entertainment at this week's dance in the form of George Glassford and his fine musical group. We predict that it will be one of the most enjoyable dances C.M. has had, judging by previous engagements with George and his music. We especially recommend square-dance enthusiasts to attend.

Plans were also made for a party for the executive members and their immediate friends. We're a little hazy as to the details, but there was some mention of a wiener roast and associated activities and it will be held in a couple weeks. (We'll know more after we've been there).

The old question of "to be, or not to be" during the summer months is re-appearing. The answer is "not to be." C.M. will discontinue its weekly dances for the next three months for two reasons. The Rose Room will be closed for re-decoration in the near future (the date of our final dance is as yet unknown), and secondly, summer attendance does not warrant weekly get-togethers. However, other activities such as wiener roasts, swimming parties, etc. may be scheduled semi-monthly or monthly to keep a semblance of unity in the club.

Some action has finally been taken in the direction of obtaining club crests. Inquiries as to cost and availability were sent out last week following the discussion at the executive meeting.

Well, from here on down, it's uphill all the way, so we'll leave before we anti-climax this whole thing. Just one final word of warning, you'd better come to C.M. Friday night; it could be the last for the season. See you at C.M.

HOSPITALIZED WITH  
BROKEN LEFT LEG

Cornelius Braeschooten suffered a painful accident last Monday when he had his left leg severely crushed and broken. He will be in Guelph General Hospital for a month before it can be put in a cast.

Miss Carol Scott of Toronto visited over the week end with her grandparents, Mr. and Mrs. Wm. Wright.

Two films were shown in Sunday School Sunday morning; one was "The Caterpillar's Journey" with the theme "I will Live Again" and a temperance film entitled "A Tower of Strength."

Mrs. D. McKechnie opened her home for the May meeting of the W.M.S. on Wednesday. The scripture lesson was read by Miss Hills from Ephesians 8th chap. and verses 8 to 15, and gave an explanation of the passage. Articles for our supply allocation were brought in and displayed. The roll call was answered with describing coins or money used in bible times for exchange. Mrs. F. Shortill gave a reading entitled "The Power of Prayer" stating that prayer is our greatest source of power if we will make use of it. The topic read by Mrs. Warne told how the
