## First Wedding 50 Years In St. Peter's Church

The first wedding to be held in St. Peter's Roman Catholic church, on the ninth line of Trafalgar, for 50 years was performed there on Saturday, May 5, when Johanna Maria (Ann) Vanden Boom of R. R. 4 Milton, became the bride of John Francis (Frank) McCarron of R. R. 2 Hornby. White and pink snapdragons were placed in the church for the double-ring ceremony, performed by Rev. J. D. Lardie.

A Sister from Emmanuella school played the organ and seven girls from Holy Rosary school sang. Guests were present from Toronto, Port Credit, New Toronto, Guelph, Strathroy, Brantford, Bronte, Acton, Milton and Hornby.

The bride wore a gown of white satin with flowered white net and a lace bolero. She carried a bouquet of red carnations.

Her attendants, Mrs. Shirley Baker as bridesmaid and Miss Carol McCarron as junior bridesmaid, wore white dotted nylon frocks and carried yellow mums.

The flower girl, Miss Rose Marie McCarron, also wore white and carried white carnations.

Joe Shea was groomsmen and ushers were Ray Plant and Jack O'Connor.

Friends and relatives gathered after the ceremony at the home of the bride's father, R.R. 4 Milton. The bride's mother wore for the occasion a navy blue dress with pink and white accessories and flowers. The groom's mother chose a dress of rose-wood crepe with blond accessories and pink carnations.

Leaving on the wedding trip with her husband, the bride wore a blue dress with blue shortie coat. Her corsage was of pink and white carnations.

The couple both work at the Ford plant at Oakville at present, but they have a farm at R.R. 1, Acton, which they hope to work shortly.

### Junior Farmers Have Annual Church Parade

The annual church service of the Halton Junior Farmers brought out a large congregation for the evening service in Knox Presbyterian Church, Milton, on Sunday, May 20th, when Rev. E. Orshorn extended a welcome on behalf of the members and Board of the church. Miss Lucy Tisdale of Elgin County who was the winner of the Provincial Junior Farmers' public speaking competition held in Toronto early this year, was the special speaker. Miss Tisdale brought a thought-provoking message, entitled "Four Questions From God." Miss Tisdale was introduced by president Jean Peterson of the Halton Juniors, who also read the invocation.

Other Halton Juniors participating in this fine service were first vice-president Earl Wilson, who read the scripture; and secretary Wilma Sinclair, who led in prayer. The music of the evening was provided by Halton's Junior Farmer choir of 35 voices, trained and led by Mrs. H. Slozki. Their anthems at the service and their numbers at the fireside hour which followed were a delight to all and in keeping with the impressive service. The programme at the fireside hour also included piano solos by Marilyn Wrigglesworth vocal selections by Barbara Cunningham, and a song led by Melie Gunby, all of which rounded out a most enjoyable evening.

### Jean Peterson Will Visit the Maritimes

Jean Peterson, county president of the Junior Farmers, has been chosen to go on an exchange visit to Prince Edward Island.

She will form part of the first Ontario provincial delegation to make an inter-provincial visit to Prince Edward Island. Visits have previously been made with other provinces.

Due to late seeding, the dates of the exchange have been pushed back in June, and the group will be on the island from June 18 to 23.

Four Juniors will be making the trip by car. As well as Miss Peterson, there will be Miss Hazel White, county director of Northumberland; Glen Cornell, county director of Victoria, and Elliott Snyder, county director of Peel.

During the week in the province, the four will obtain first-hand knowledge of conditions there, as they are entertained by P.E.I. Juniors.

### Mrs. John Alexander McAlpine, 81 Dies

Mrs. Hannah Eliza McAlpine, 81, died at her home, R.R. 1 Campbellville on May 16th after an illness of eight weeks. She was predeceased by her husband John Alexander McAlpine.

### Increase Subsidy on Limestone Transport

J. E. W.

The Agricultural Limestone Subvention Policy was recently revised and became effective as of May 1st, 1956. Under the revised policy increased financial assistance is now available for movement of limestone both by railway and truck. For transportation by truck, the rate will now be four cents per ton per mile to a maximum of \$1.50 per ton in contrast to the former maximum of \$1.00 per ton. We also note that the price of agricultural limestone loaded on trucks at the quarry from which Halton farmers secure the bulk of their requirements, is \$1.50 per ton.

For those whose soils are below a PH of 6, agricultural limestone is still an economical purchase. Needless to add, the first step before ordering agricultural limestone is to have one's soil tested. Soil sample boxes and instruction sheets re sampling, etc may be secured from the agricultural offices in Milton.
