Pipe Band Prizewinner Lions Niagara Parade

Household Shower For Father Anselm

Fr. Anselm Spacey, new pastor of Holy Cross R.C. Church, was "showered" by parishioners on a recent evening. The shower was designed to help furnish the large house beside the church which will be used as a residence for the parish priest. There was a great variety of gifts presented as members of the congregation stopped in for a few minutes to chat with Fr. Anselm and to see the place where he will be living. The former Buck house on the John St.-Highway corner has been purchased by the church for the residence.

Georgetown Lions were prominent in the District A Parade held in Niagara Falls on Sunday afternoon. The local club entered two floats, one a station wagon with their emblem, and a second depicting the community swimming pool with six local children in and around it. The Georgetown Girls Pipe Band accompanied the Lions and as they always do made Georgetown proud of them. In the pipe band contest the Kirkland Lake band came first with 83 1/2 points, Georgetown a very close second with 82 points and the Lancers of Welland-Crowland third with 78 points. The Georgetown girls will receive a cash prize of \$25.00 and their certificate will be presented to them at the next Lions meeting. In the brass band competition the Trenton Boys and Girls Band was first. Merrittion Grenadiers were winners in the senior Trumpet Band section. In the junior trumpet band, Grantham Police Boy's Band came first. The Rainbow Raiders of Niagara Falls, New York, were the winning band from the United States. The Georgetown Lions had over thirty per cent of their members on parade which was an excellent attendance.

CLEAN CHURCHYARD DURING WORK BEE

The Friendship Club organized a workbee that accomplished a lot in a little while Saturday afternoon in the Glen United churchyard. A number of trees were felled, trimmed and cut into logs, rubbish was raked up and burned, flowerbeds dug and planted and the large playground mowed. A follow-up bee is planned tomorrow night to saw logs into furnace and stove length, and cart away refuse which cannot be burned. All members and friends of the church are invited to help make the churchyard of creditable appearance and an asset to the children of the whole community and their parents.

Her daughters Francisca and Teresa accompanied her. It is hoped that she will be well enough to come over with Mrs. Gwizdala in August.

Shopping Guide May Be Chamber Project

Another project which will be undertaken by the Georgetown Chamber of Commerce will be compilation of a shoppers' guide, which will list merchants and services offered in town, and include officers of various municipal and social organizations. A third idea being considered is a shoppers' survey. A questionnaire would be distributed to all homes in town to ascertain buying habits, with questions designed to find out what products are purchased out of Georgetown and why.
