MEMORIALS
BARCLAY—In loving memory of Mrs. Samuel Barclay, who died on June 13th, 1945. Peacefully sleeping, resting at last. The world's weary troubles and trials are past; In silence she suffered, in patience she bore Till God called her home to suffer no more. A wonderful mother, woman and aid, One who was better God never made, A wonderful worker, loyal and true, One in a million, that, mother was you. Just in your judgment, always right, Honest and liberal, ever upright, Loved by your friends and all you knew. A wonderful mother, that, mother was you. —Forever remembered by Mary, Bob and Jim.

ENGLEBY — In loving memory of a dear wife and mother who died on June 15th, 1950. In our home she is fondly remembered. Sweet memories cling to her name, Those who loved her in life sincerely, Still love her in death just the same. —Always remembered by husband and family.

ENGLEBY — In loving memory of a dear mother, Mrs. W. F. Engleby, who died on June 15th, 1950. —Ever remembered, Art, Jean and family.

LOUD — In loving memory of a very dear mother, Esther Elizabeth Loud, who passed away June 15th, 1952. What would we give her hand to clasp, her patient face to see. To hear her voice to see her smile, as in days that used to be, But mother we shall meet again, when free from earthly bond, To be with you forever, in a happier life beyond. Along the road to yesterday that leads us straight to you Are memories of the happy days, together we once knew, And always every evening, we seem to have a way, Of wandering back to meet you, on the road to yesterday. —Sadly missed by daughter Edith, son-in-law Tom. And a sister Dorothy who passed away September 26th, 1954. A helping hand to all she knew, she was so kind, generous and true, On earth she nobly did her best, grant her Jesus heavenly rest. —Ever remembered by Edith and Tom.

LOUD — In loving memory of a dear mother and grandmother, Esther Loud who passed away June 15th, 1952. She has gone across the river, To the shore of ever green, And we long to see her dear face, But the rivers flows between. Someday, sometime, we shall see The face we loved so well, Some day we'll clasp her loving hand And never say farewell. —Ever lovingly remembered by her daughters and grandchildren.

SCOTT — In loving memory of Lilian Gertrude Scott who died June 9th, 1945. Eleven years have passed dear mother Since you were called away, How well do we remember That sad and weary day. —Ever remembered by Joe Scott and all the family.

CARDS OF THANKS
ANTHONY — We would like to thank all our friends and neighbours for their kind acts and thoughts. For their gifts, cards and flowers and visits while Fred was in hospital and since being home. Special thanks to Rev. Morgan McFarlane and Rev. Alex Calder. —Ethel and Fred Anthony.

Mackenzie News

It's a good time to talk about a hot subject, that is your next winter's fuel.

Until such time as some one finds a way to siphon off the summer's surplus heat for winter's use, it is hard to beat having a bin full of coal in your cellar. On Nut or Stove coal the price is \$24.00 per ton or \$2.40 down and \$3.71 per month for six months, for each ton.

How about us all helping out a bit more to get that swimming pool open when we need it?

FEAR

Today the world is fear-ridden, the threat of A-bomb, the profound hates and resentments among various races, make it difficult to maintain the right mental attitude. Fear can upset the chemistry of your body and make you susceptible to all manner of illnesses. Fear causes heart palpitation, indigestion, shortness of breath, nervous perspiration, nerve tension, allergic reactions and a host of other physical reactions which in time develop into more serious illnesses. A common manifestation of fear today is the feeling of insecurity in one's job and ability. This leads to numerous mental impulses resulting possibly in stomach distress ending in ulcers. On the other hand it may give rise to tensions in the muscles in the back of the neck, leading to headaches. Breaking up this tension cycle is an important part of chiropractic treatment today.
